Scott-
Well you + I have known each other for a long time. I didn't well think we'd be friends- you + Brad hated me! (Little stinkers!) But hey- you grew up! I really love your family. Cindy is possibly the best friend I've ever had. Don't forget all the times your dad went out of town + we drank all the beer + always had to replace it. On the night at Ross' house when we initiated you. Or all the times we wapped Chris Side's house + walking thru the country club at 3:00am to get Weisinger or Brad spraying that old lady by the lakes w/the waterhose! Be sweet + raise hell you senior year! Love - Lisa Edwards

Scott-
Well sweetie! What can I say? Your just a doll! I love ya! Your such a sweet friend to have! Never forget all the things me + you + Doug have done! Remember homecoming? + me getting home so late? Your a special person + I hope to see ya this summer. Try to stay out of trouble!
Be careful....
P.S. I hope ya don't get sent away..
I love ya,
Cindy

Scott Taylor

Scott,

To one hell of a crazy guy, who's got one great sence of humor. It was great having you in English even though you were asleep half the time. It was also great failing with you this year, ha ha. In English class which you can never figure out what you're doing. Stay out of trouble this summer, which I know will be hard for you. It will be hard for me. Lots of fuck next year in prep. Try to make the best of it.

(Aussie friend) Leo

Booger

Scott,

We're gonna have to figure out a way for me to mail you Budweiser in the mail (Skoal will be easier.) Also don't let any damn yankees give you any crap. You'll have to send your address so I can tell whats going on in Conroe next yr. You'll miss some good times, but we'll make up for it our Senior Year!

Scott,

Remember - Beat OF F!
you'll be doing a lot of that next year.
And stay out of trouble, Remember
the Golden Rule - "Do unto yankees
as you do with a cancer-causing fungus!

and Remember, Practice makes
Perfect - if you know what
I mean, I think you do. wap-wap

Stay out of trouble,

Slappy Trails,

Scott,

Well, it's been a long year, but some good times. next year will be better. And will stay friends! E.W. Toland Frred!

Scott

Hey Babe! It's been great this year! Thanks for all the memories from the ski trip, the road, Jones Park!, etc! I've really enjoyed knowing you! I hope you're school year has been as fun as mine! Have a great summer! You're a terrific person! Stay as sweet and wild as you've always been!! I love you!! Dana Rogers!

[P.S. Don't get into too much trouble!! I love ya much!! Of you go to the prep school next year please write me!]

Come-N-see me sometime, OK?!!

Hey sweetheart! I'm sorry you have to leave! I'm gonna miss you alot! We've had some good times at the road → Jones Park, & all the other exciting places in Conroe! Please write to me! I hope you enjoy prep school & I hope you find some really wild women!

I love you bunches,

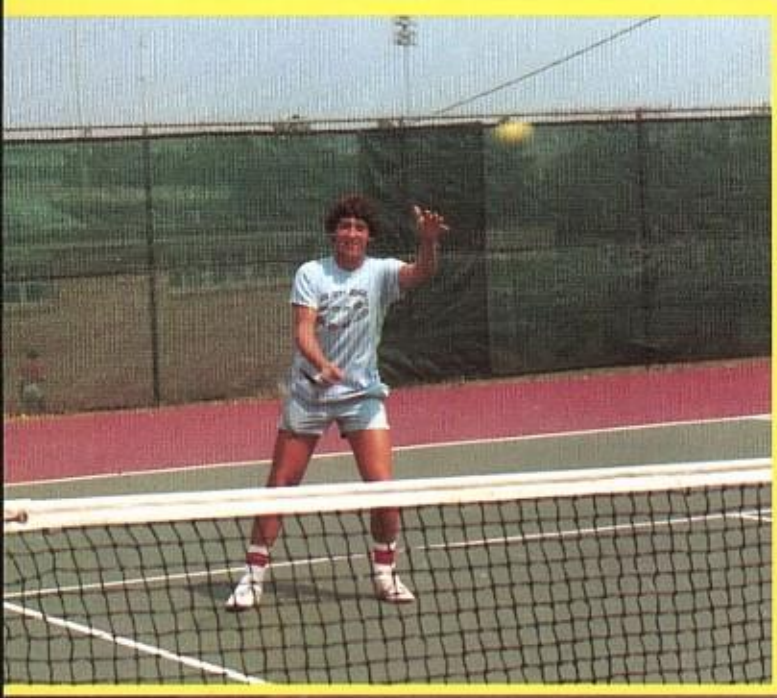
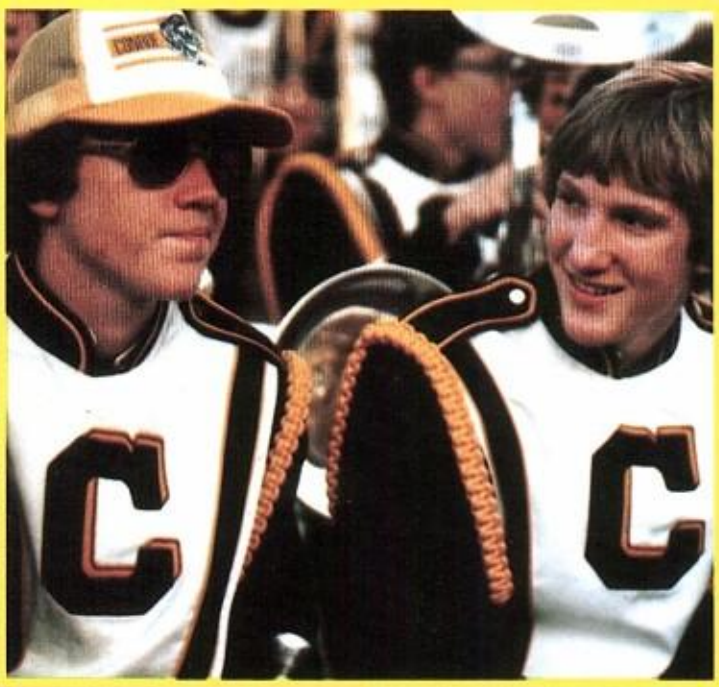
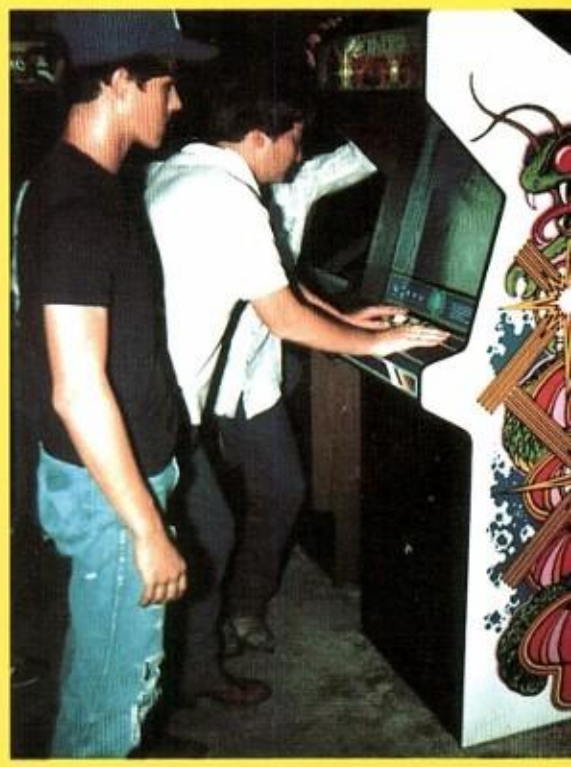
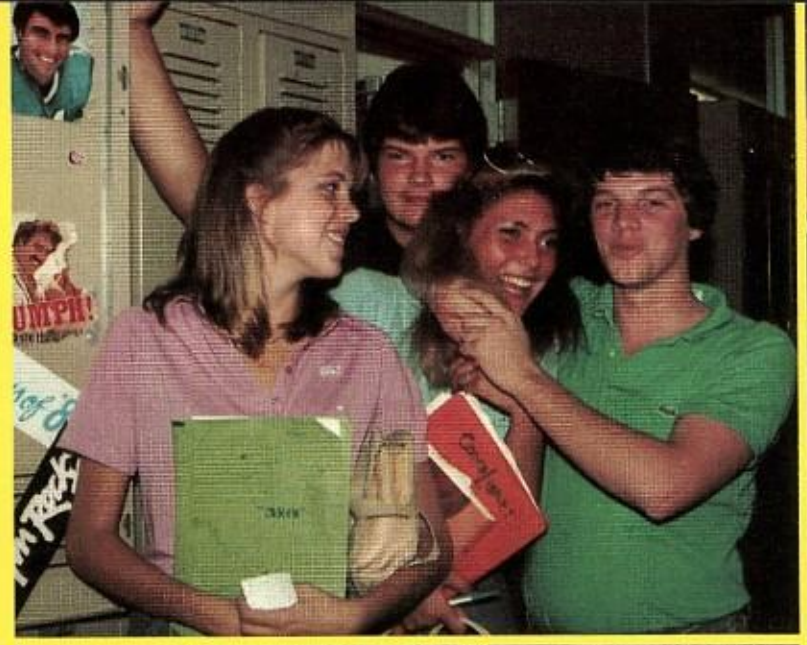
Hank,
Well hell I feel pretty bad cause it's all winding down. We're gonna get those limp wristed, pencil dick Seniors. For the 2nd year in a row some dick fucked up our sign. I'm gonna roll it. Just remember that thru all the bullshit we've been in, we are the original 2 Hanks. I've got in more shit with you than anybody else. All the memories we have from camping and hunting will stay with us the rest of our lives. Now go

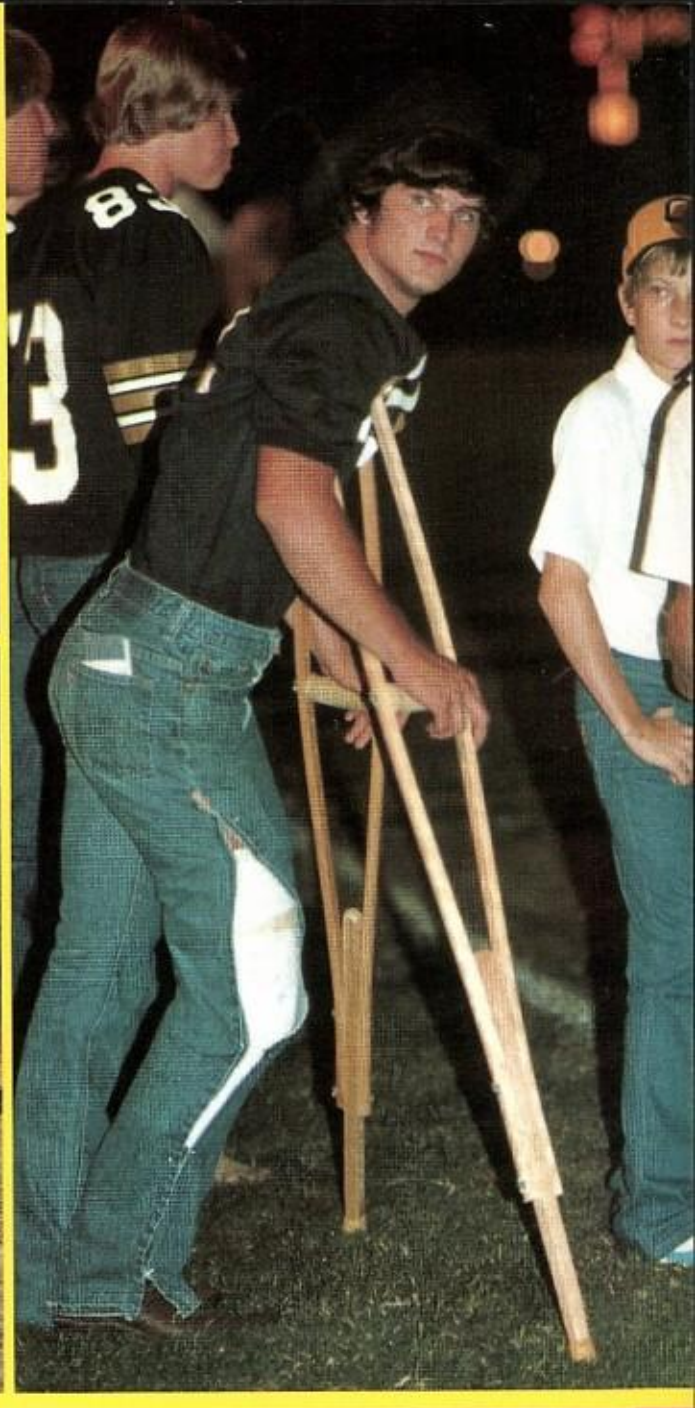
We Were Many . . .

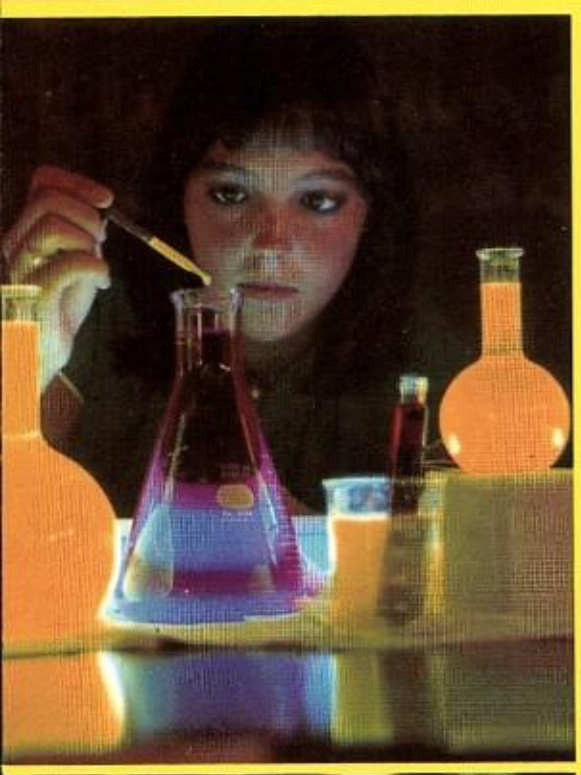


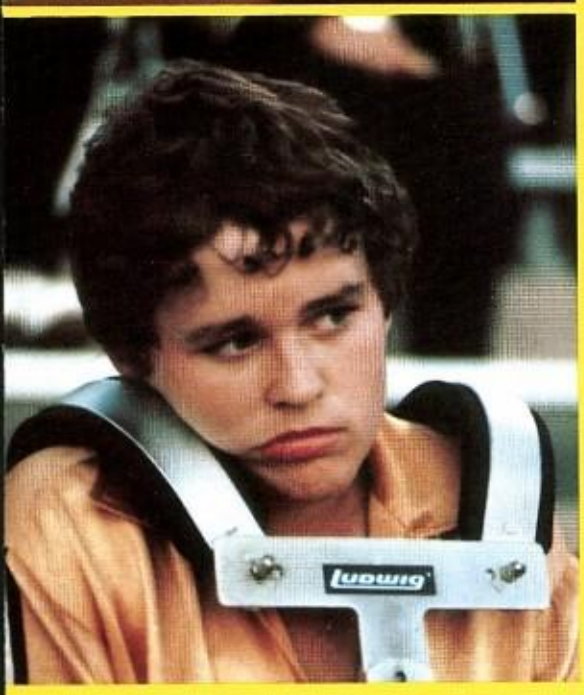












September 1st, 1981 — the beginning of a new month, and a new school year. Approximately 3,300 strong, we returned from our various summer retreats and once again filled the familiar hallways of Conroe High. Still overwhelmed with our summer independence, we frantically searched for and found our own individual ways of saying "this is me." Sometimes it was the thrill of competition, the warmth of friendship, or the challenge of defeating video games and mud. Each day was a new discovery and no temporary setback could keep us from following the beat of our own drum.

up to N.H. and play All in Alabama + the first squarehead that steps it. ~~Yes~~ Kick his yankee ass up between his shoulders!!! Remember deer camp + the big trucks, that's just one incident we've had there ain't enough pages to write em all.

Love ya

Fridays — pep rallies, games, and weekends! School work became almost unbearable as our energy levels ran high. There was a closeness, a friendliness that hovered like humidity in the air; and it settled on everyone, generating the spirit that was known and feared state-wide. Despite our individuality, and despite our vastness in size, when it finally came down to it, we were bound together as one — one huge mass of originality with a single characteristic in common; our love and loyalty for Conroe High.

Hey, it's really been great getting to know you this year! I'll always remember the game at Cheh that you came to drunk!! Kud be better practice contests because I'll always be able to beat you! never forget having to stay after school and help us spent our last new years Eve when you go away next year as crazy you'd better not forget everone here cuz we sure won't forget you! We Were One . . .

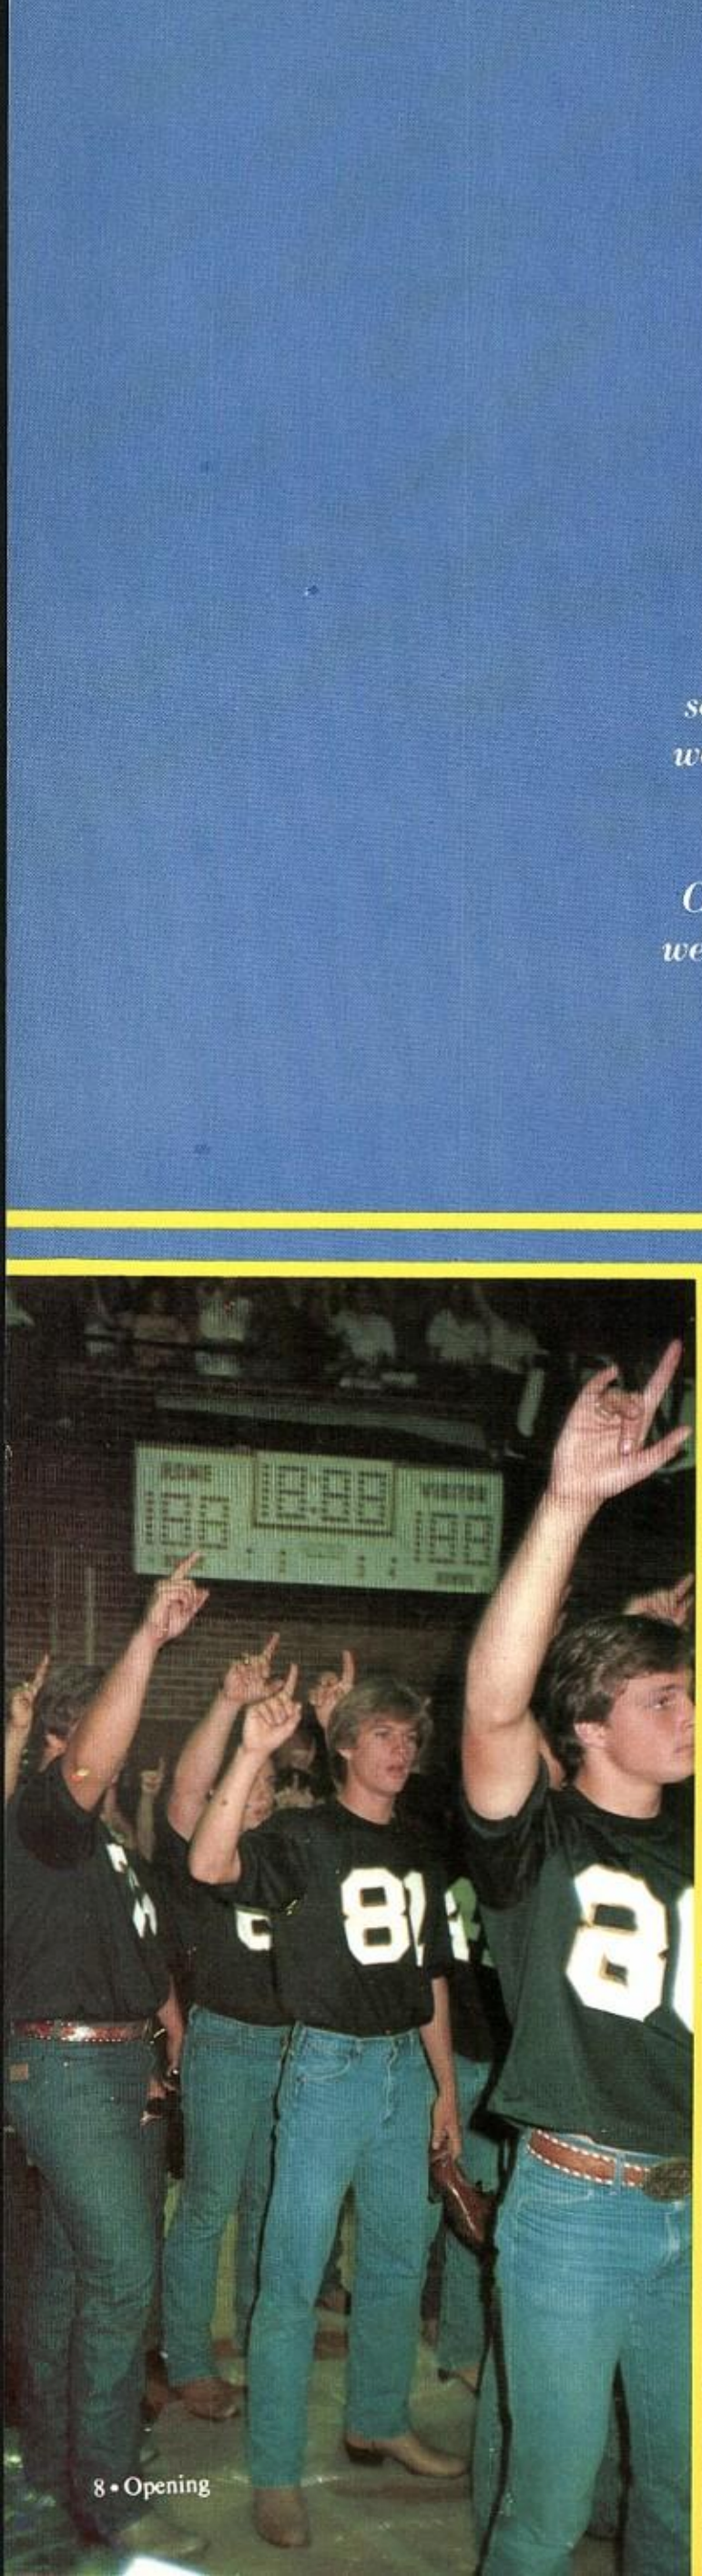
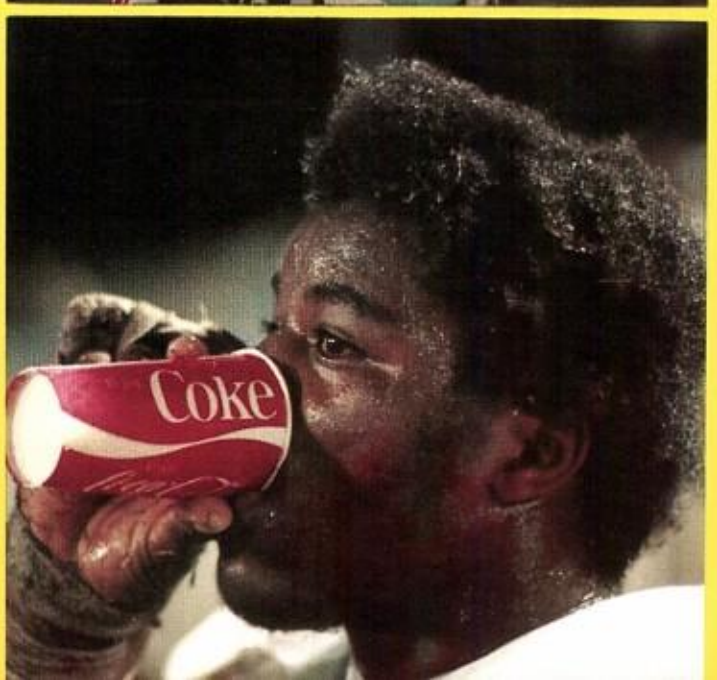
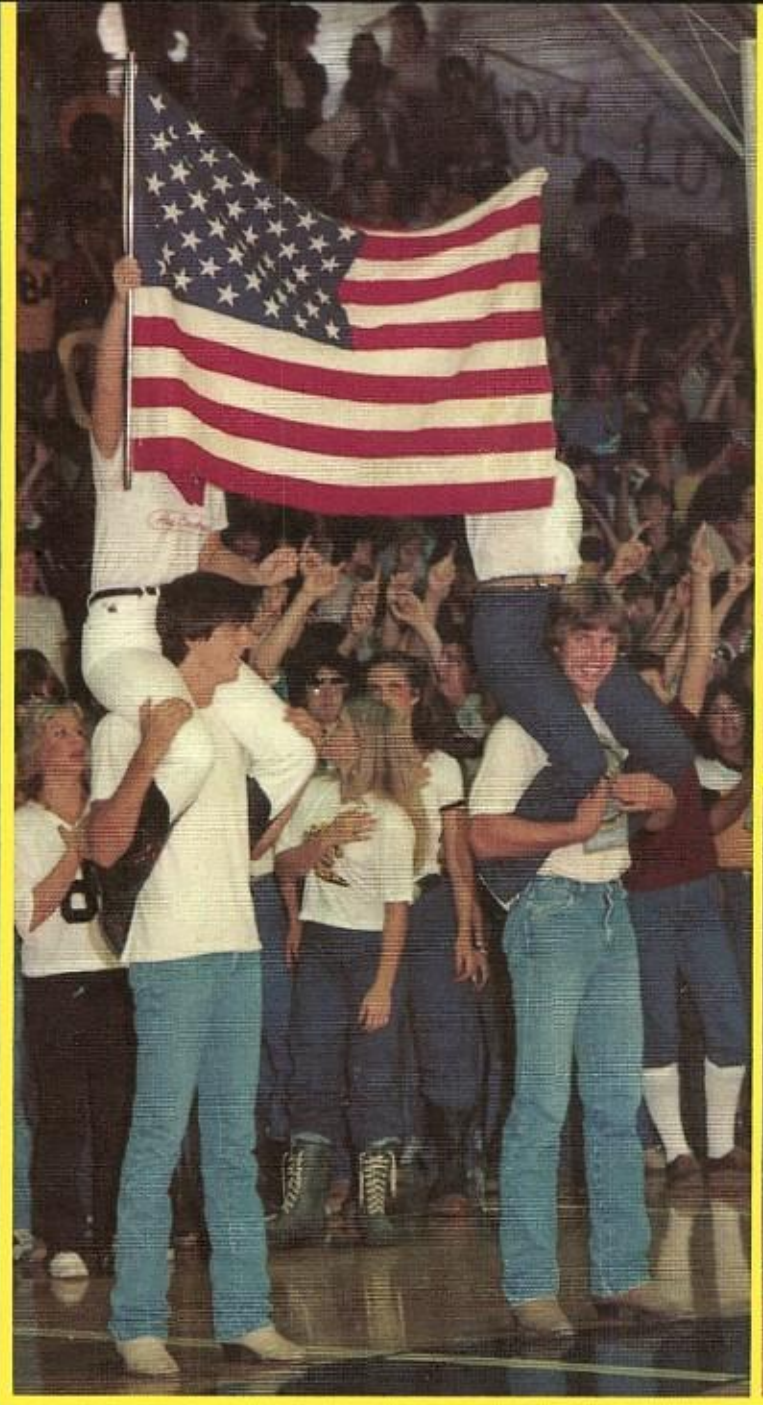
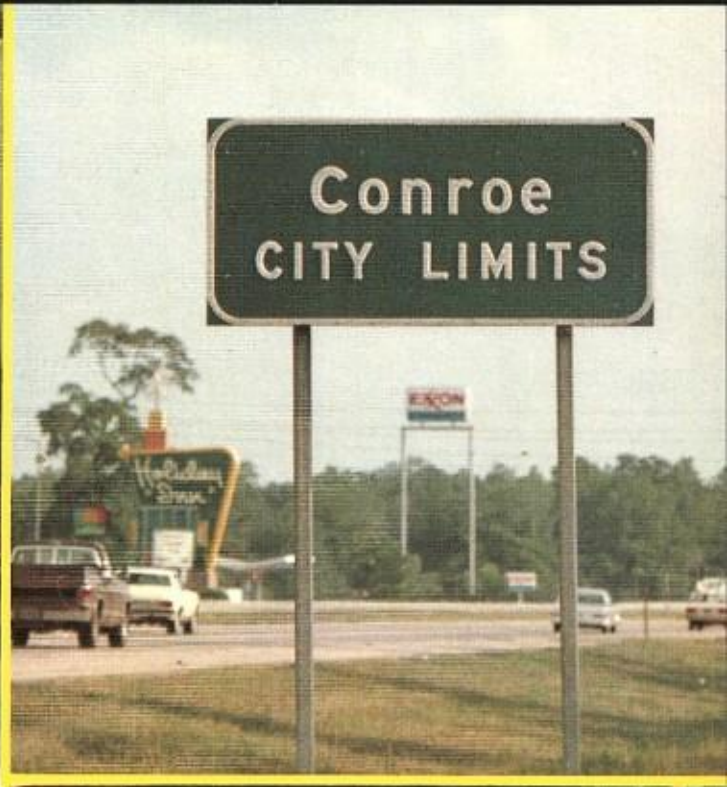
Pride — in our country, in our state, and in our school. We were given the best life had to offer and we took every chance to prove we were worthy of it. So throughout the year from football to baseball, Junior Magazine sales to Senior Blood drive — Conroe strove for excellence and succeeded. In this we became unique. Not only were we number one . . .









We Were One In A Million!

Scott!
You, chap-man, you! It was really been enlightening to have you sit behind me in Clyde's class. You are one hilarious guy! Good luck next year. Actually, good luck in everything. Be careful this summer, okay, drinking Bud and listening to Hank Jr.

Love ya,

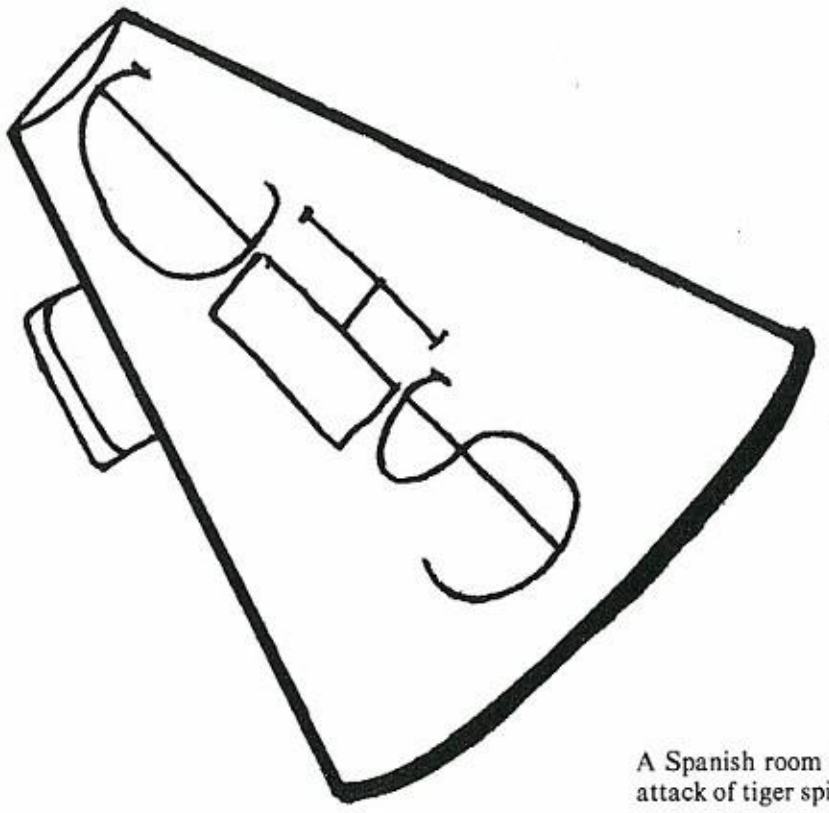
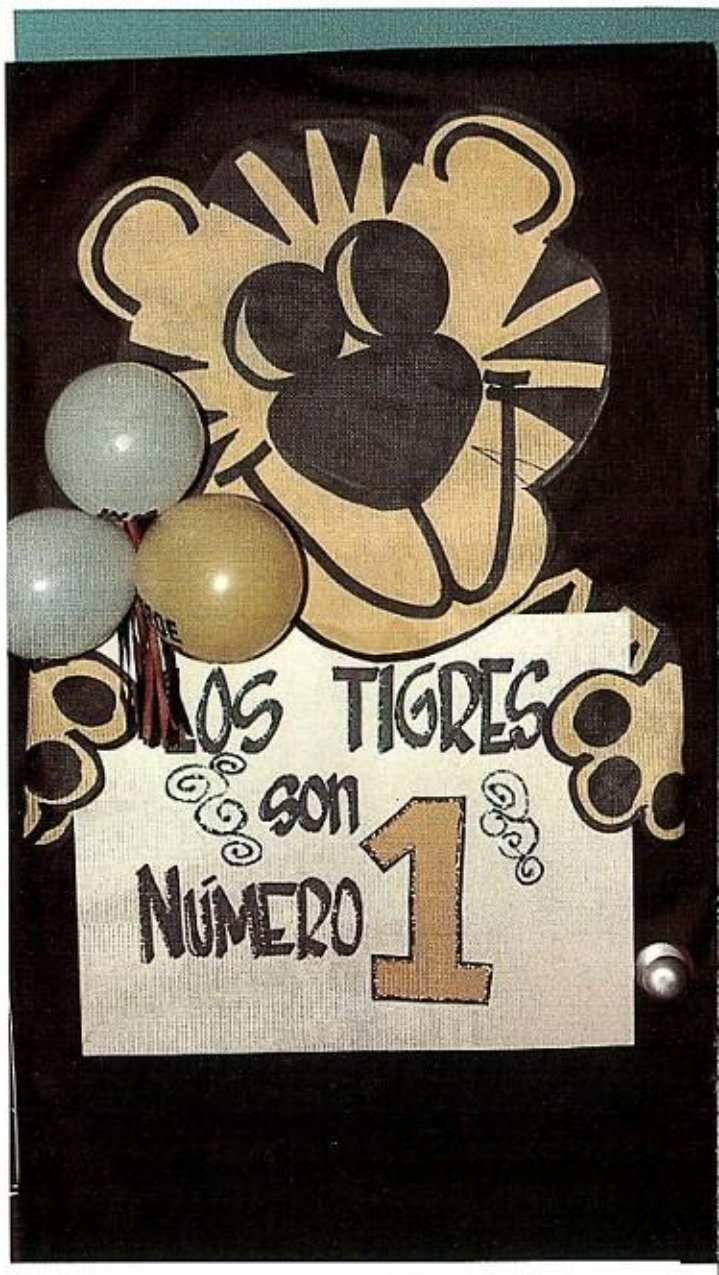
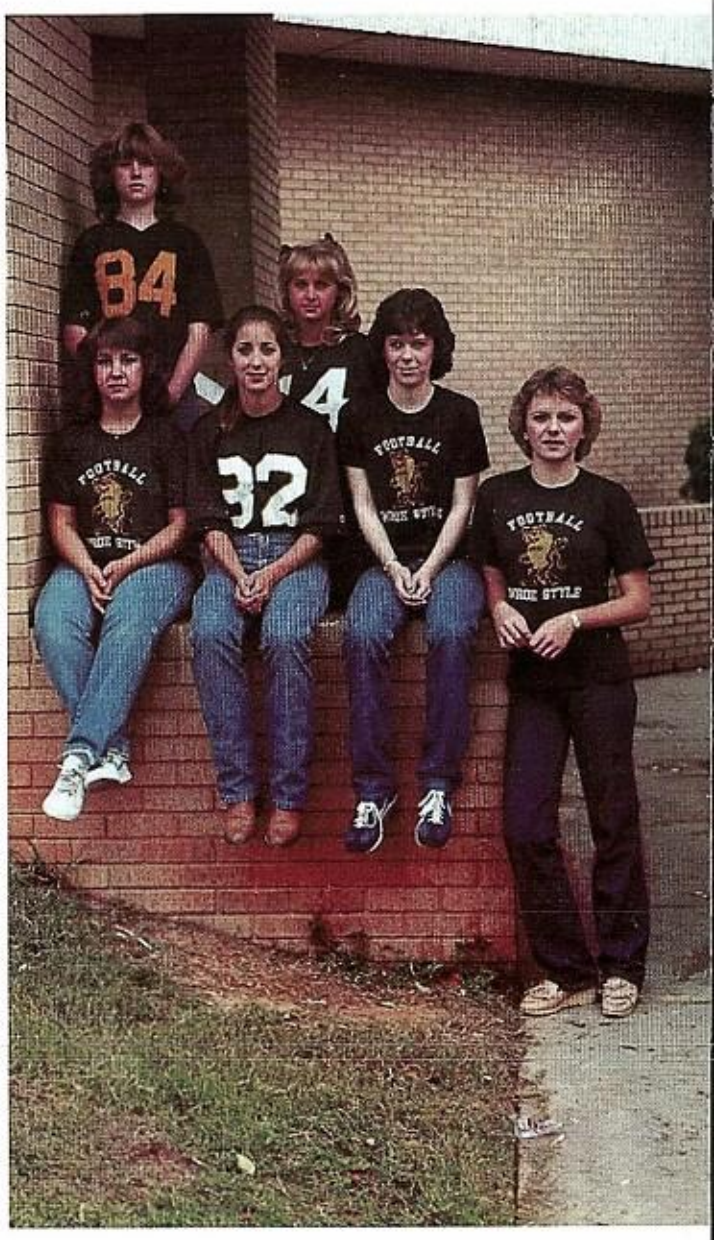
ACTIVITIES



A Spanish room door gets itself decorated during an attack of tiger spirit.



The football players and the Juniors exhibit their tremendous spirit during the homecoming pep rally.



A group of girls get together to show off their pep rally regalia.

A new disease hit Conroe High this year — Tiger Mania! It all started with the first game of the season, which, of course, brought the first pep rally. Along with a greater turnout, more and more elaborate decorations were put up; the Golden Girls and Tiger Paws baked cakes and decorated lockers like never before. Groups got together and had matching T-shirts made or sold oversized foam tiger claws. The race for the spirit stick was tougher, but the Class of '83 rallied together to capture it a majority of the time, with the Classes of '82 and '85 following close behind. The band played enthusiastically; the cheerleaders cheered with vitality; the Golden Girls, Tiger Paws, and twirlers danced with rhythm; each and every member showing off their great pride for the school. Each week the gym vibrated — the high fever of tiger mania was overpowering!

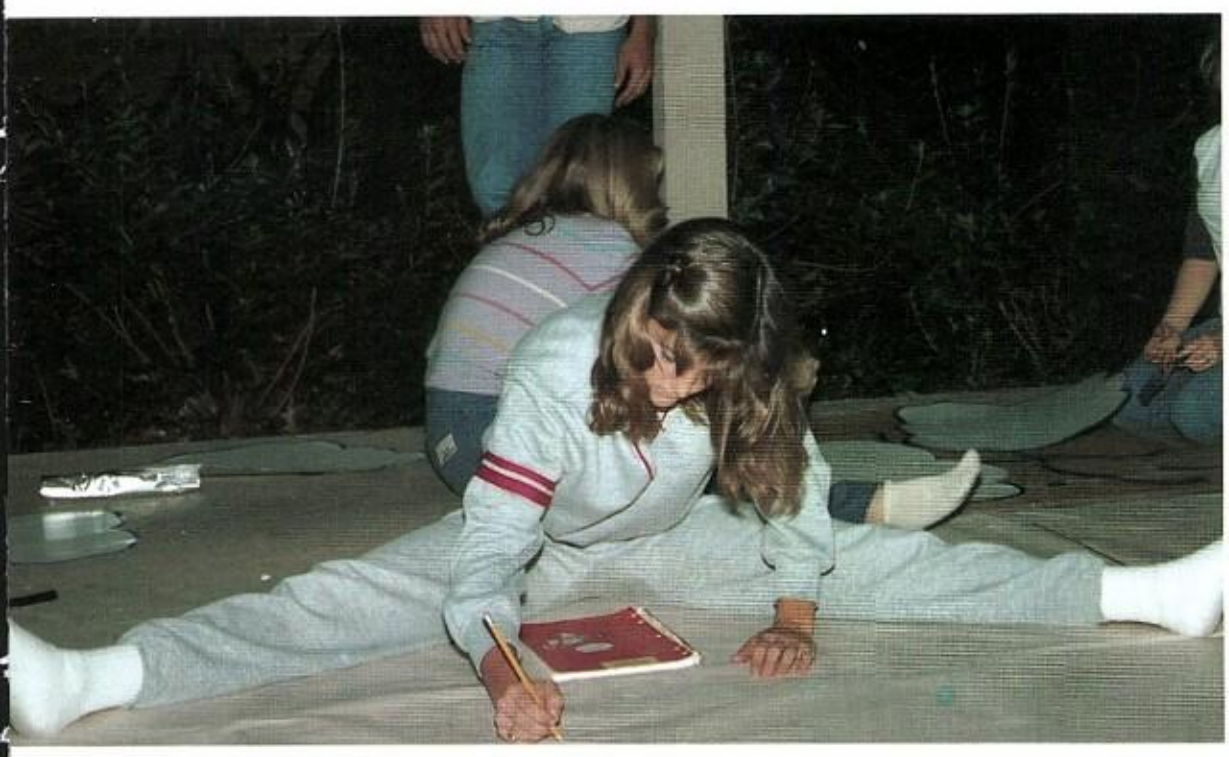
Juniors Melanie Perkins and Kellie Dyke put finishing touches on their decorations.

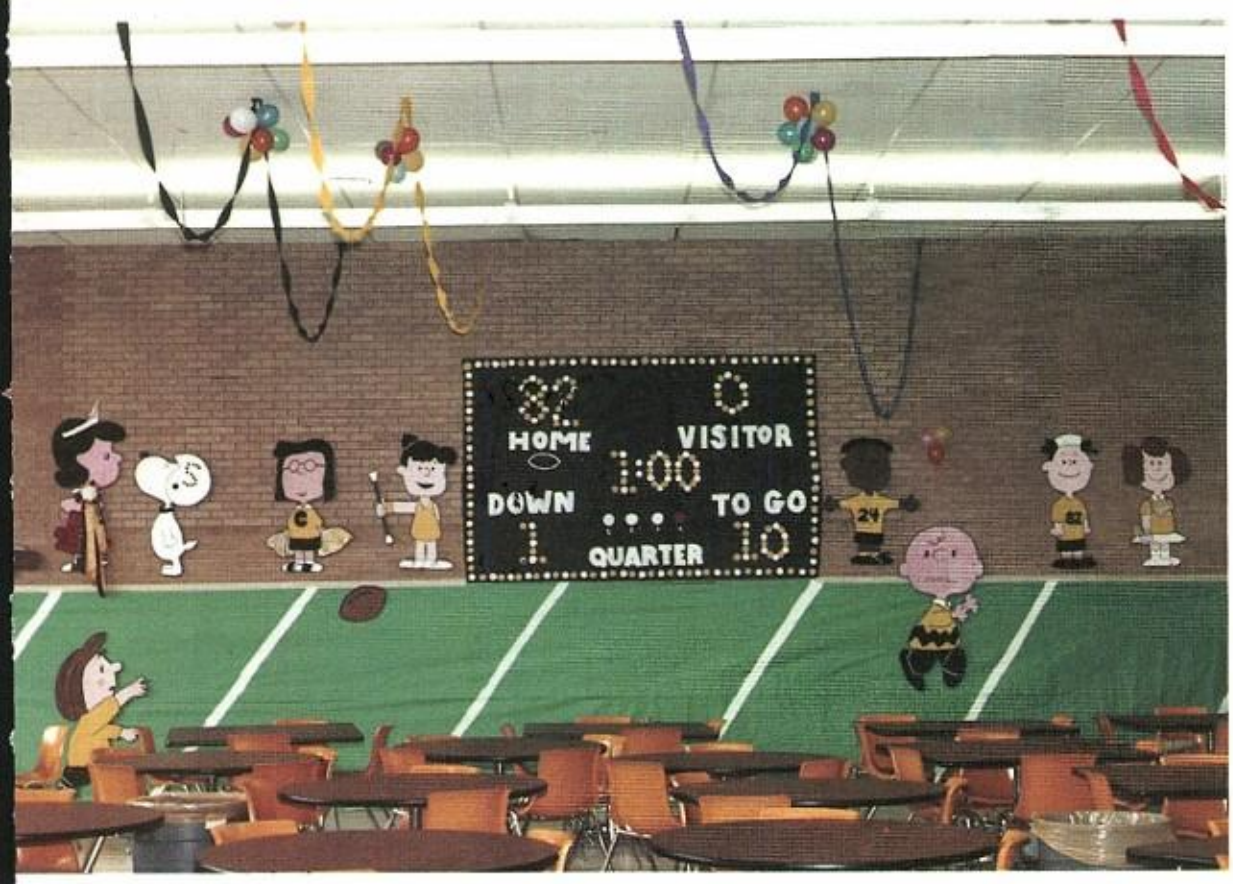
Homecoming spirit was displayed on classroom doors throughout the halls.

Sophomores Kevin Callahan and Darla House worked on their cartoon characters.



Homecoming '81 proved just as exciting as ones in previous years at CHS. Dates were made, new outfits were bought and plans for a night on the town were made. A great deal of work and planning went into this years homecoming decorations, with the theme of cartoon characters. As the festive day came to an end, Nancy Munnerlyn was crowned as the 1981 Homecoming Queen while the Tigers beat Westfield 44 to 7.

Lou Ann Moore plans the juniors decorations.



The Seniors chose the Peanuts for their cartoon decorations.

The gym was filled as exes and students enjoyed the spirited pep rally.

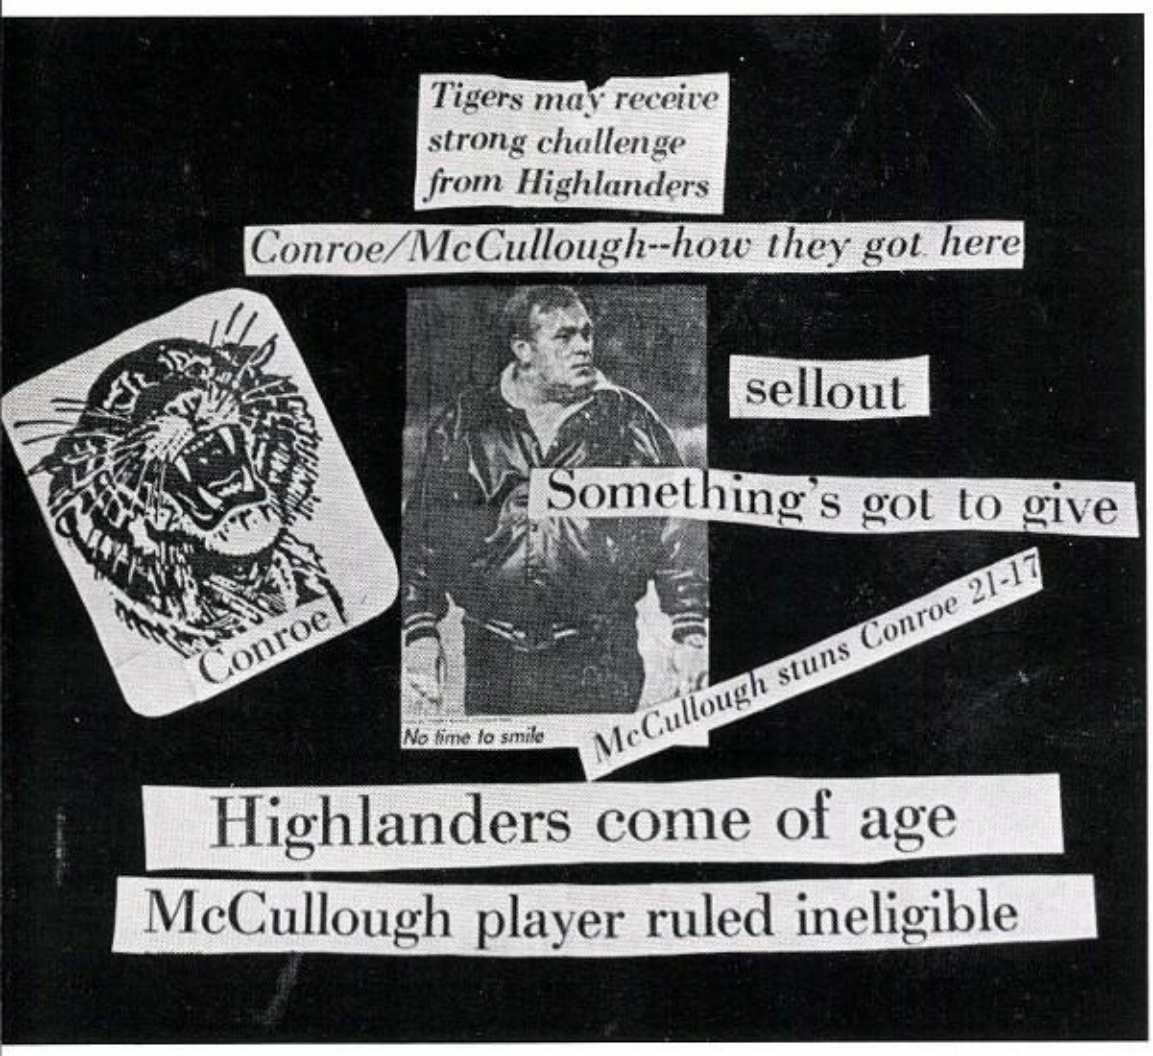
A Soft Name a Hard Game

As November 7th rolled around, the 4th annual Powder Puff game hit the field. Despite its name, the game was a rough ordeal. Junior and Senior girls battled for possession of the victory, while the male sex attempted their hand at the basics of cheerleading, twirling, and everything in between. With good sportsmanship the name of the game, the Juniors broke the standing tradition of a senior win by beating the opponent 14-0. Not all was lost, the climatic victory for the Juniors was highlighted with the girls treating their dates to a fun-filled evening out.

"Win Fever"

Catch it (if you can) at Conroe High School, during the week before the biggest game of the season, the fans and players were preparing to play the McCullough Highlanders. Arch rivals since the school began participating in Varsity sports; McCullough had never beaten Conroe in football, they had never even had a chance. This year was different, because McCullough for once had a shot at winning. As the day of the game arrived, spirits were up and the Tigers were ready. But McCullough was ready too, and at the end of the game McCullough was the victor, 21-17. However, the disappointment of the loss didn't last long because it was discovered that the Highlanders had an ineligible player which caused the officials to name Conroe as District Champs. This was not the end, only the beginning of an involved controversy. McCullough decided to go to the Federal Courts. First, the player and his Lawyer asked for a restraining order that would take the title away from Conroe until a higher court could hear their case. The day before the game, a hearing in Houston ruled that the McCullough player was, indeed eligible to play. This put a damper on Conroe's "win fever", but the town still held a vibrant and emotional pep rally which let the Tigers know that to them Buddy and his boys were still number one.

McCullough paid no heed to the warning on Conroe's run through sign.

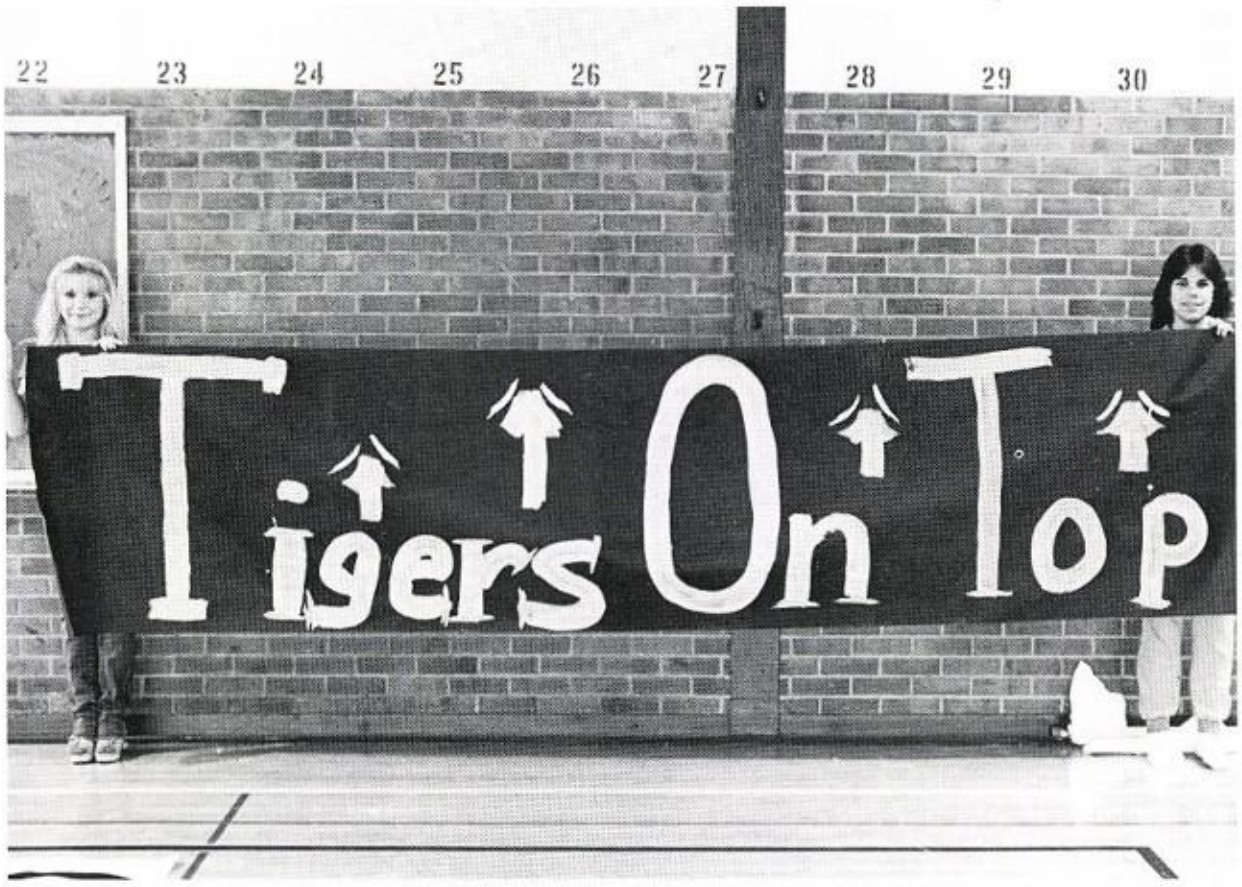


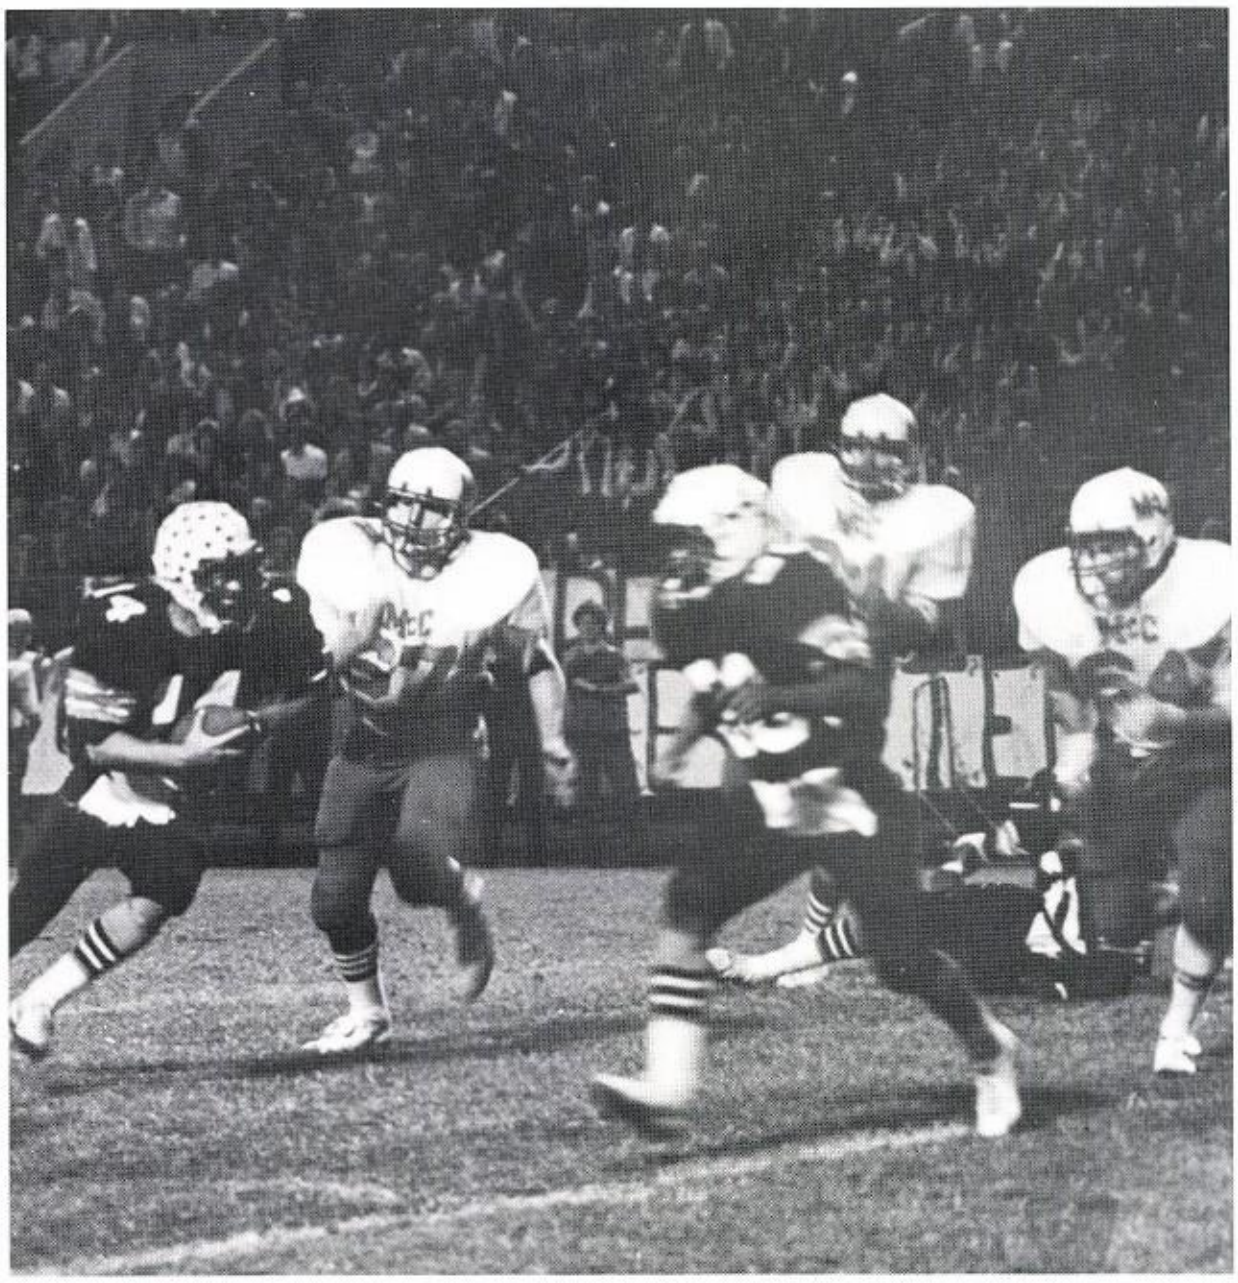
Clippings from local newspapers kept the fans posted on the big game.

Industrial Arts Club President Tim Truitt awards Freshman class president David White the spirit chain.

Coach Buddy Moorehead inspired the team and the student body at the pep rally prior to the big game.

Cheerleaders Alicia LeBlanc and Kay Yancey show one of the many signs painted for the game.



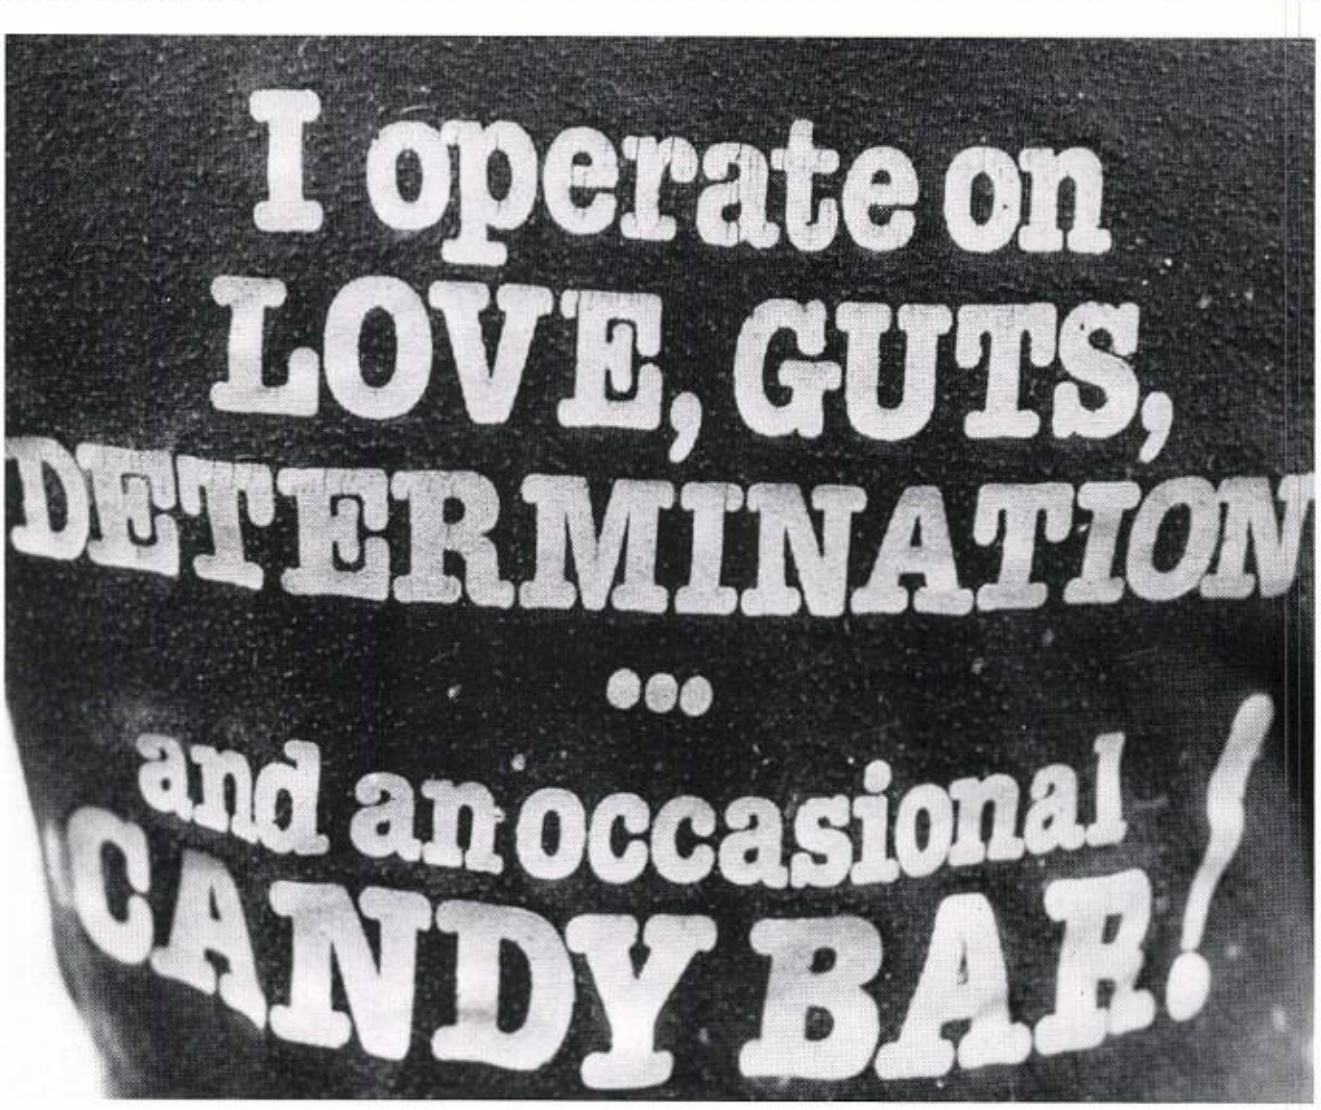


The intense competition was present even at halftime as shown by the Tiger band's excellent performance.

Both teams played a rough and very emotional game.

Personalized license plates were a hot item.

ORIGINALITY was the craze at Conroe High this year. Fashion fads and freaky events were the order. The parking lot, for example, was a fantastic place to find originals: pick-ups that were dualed-out with super-sized wheels parked next to top of the line Mazda RX-7's. Movies covered every topic under the sun plus a few more. Wild antics and quiet moments followed each other without break. Anything goes was the rule at CHS!



Skip the loves, guts, and determination, give me the candy bar!

Camouflage outfits were high fashion for Friday's pep rallies.

Classy cars for classy kids.

ANYTHING GOES

FRESHMEN

The outset of the year brought about the beginning of high school for many new students. High School life was a new and fresh experience as opposed to their old junior high days. They soon stepped into the life of high school spirit by actively participating in pep rallies, paint parties, and homecoming decorations. All accepted the challenge that high school offered and it appears that they will achieve their goal with flying success.

SOPHOMORES

New faces were seen in the main building this year as last year's Freshmen became this year's Sophomores. They learned everything from how to drive a car to how to dissect a frog or split an ion. The Class of '84 moved into the traditional sophomore seats during the pep rallies and gave the Juniors and Seniors tough competition for the spirit stick. The largest class ever to attend CHS took on the challenge of being Sophomores — and won.

They're bad, they know it, they got the stick to sho it.

JUNIORS

This year's Juniors got off to a great start as they were awarded the spirit stick more than any other class. Perhaps the junior spirit was due to the fact that they were celebrating their last fling before getting down to the books in hopes of getting into the college of their dreams. For as PSAT scores came in, college bound Juniors found they might have to hit the books a little harder. Juniors definitely got down to work when it came time for research papers and magazine sales. Junior girls succeeded in breaking tradition as they defeated the seniors in Powder Puff, 14-0. In reward for this dedication Juniors received their long awaited class rings.

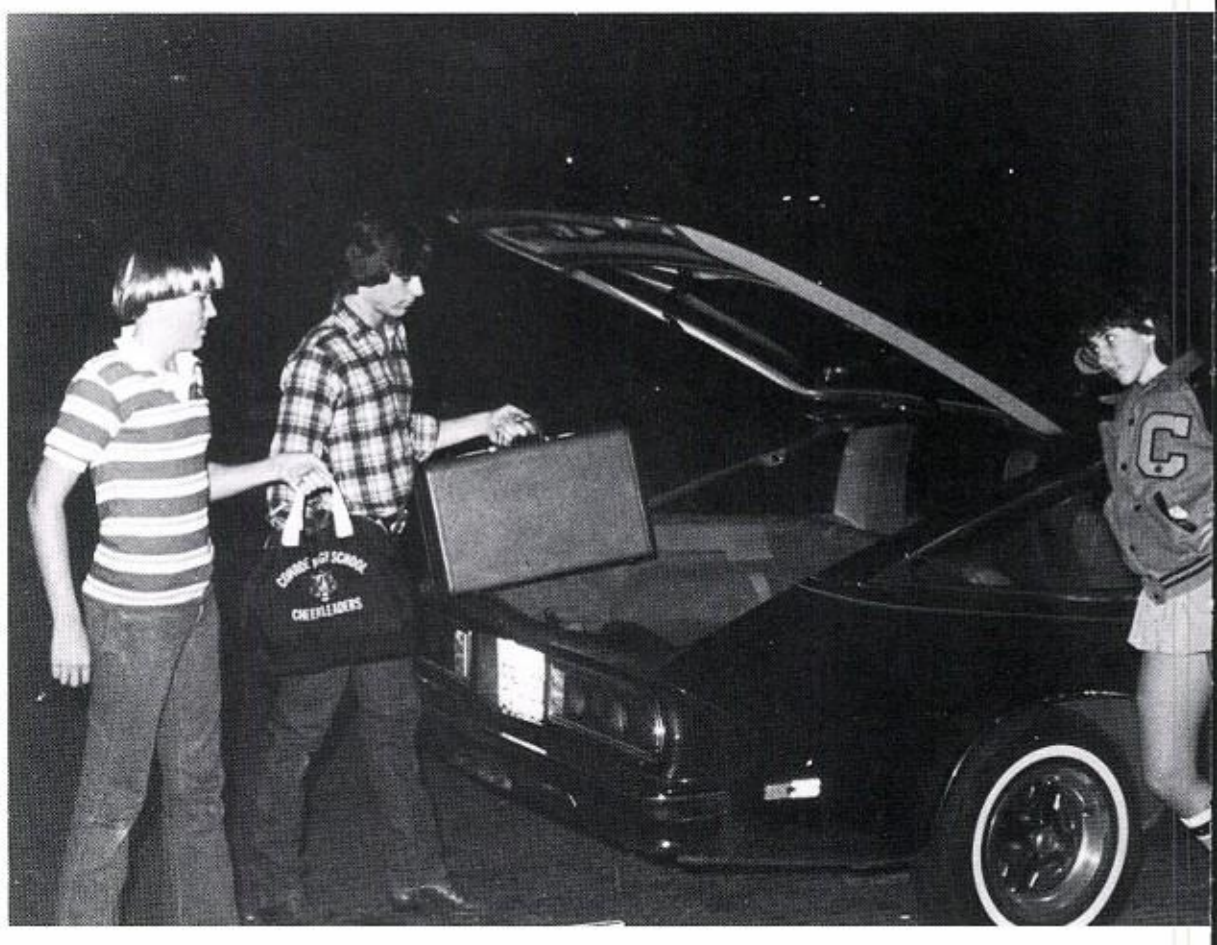
SENIORS

Senior pictures, football season and vibrant pep rallies marked the beginning of the 1981-82 school year. Before anyone realized, the time had come to order caps, gowns, and graduation invitations. Following the Christmas holidays, a new year began and with it came the annual senior Blood Drive and the notorious senior skip day. Finally after all these activities had concluded, the most important part of the senior's year had arrived — graduation. After the ceremonies; the good times, special friendships, and fun had ended, and the last big year at CHS was an everlasting memory in the minds of the class of '82.

Life After Dark

Video games provide excellent entertainment for CHS students.



Students packing their bags and fleeing from the boring nitelife of Conroe.

Laura Thomason and Mike Landry enjoy a night out at Mr. Gatti's.

Ticket sales are booming before a important district basketball game.

Night basketball games packed in record-breaking crowds of CHS students.

Night life of C.H.S. students varied greatly. Everyone did their own thing, yet there were those times when we all gathered together for certain activities. For instance, Conroe Tiger football and basketball games were enjoyed by all. Otherwise, movie theaters and pizza places were among the favorite hangouts. However, the new game room Silver Coin challenged these old but popular hangouts. This video arcade packed in crowds every night of the week. Some smarter students found the nightlife in Conroe, Texas rather boring. They were seen packing their bags and leaving town on the weekends in order to find more excitement. Although the nightlife may have been found rather boring, it never seemed to reach the point where students had to resort to their studies.

TIME PASSAGES

CHRISTMAS
1981

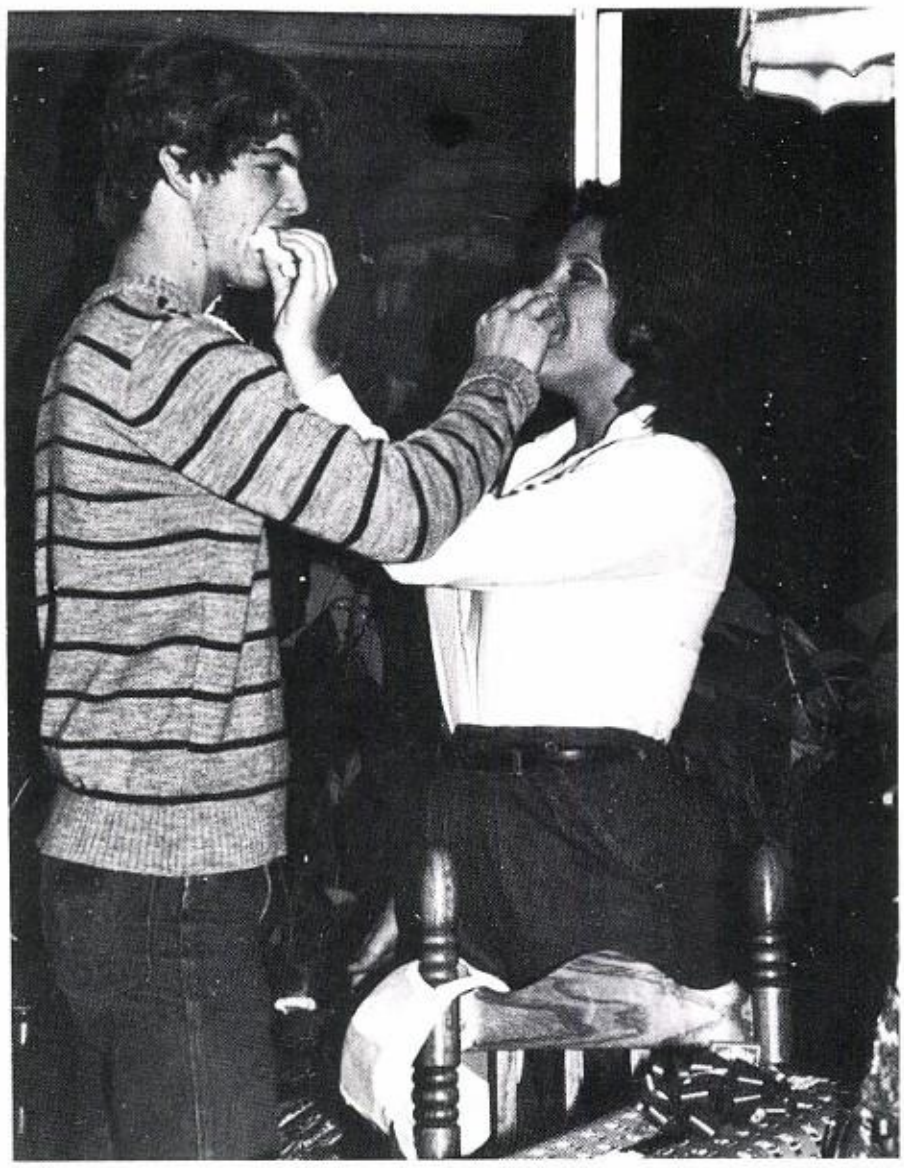
"For unto you is born

this day in the city

of David, a Savior,

which is Christ the Lord."

Luke 2:11



The entire town along with students, faculty, and Santa opened up Christmas '81 at CHS. Modern and traditional displays prepared by students unfolded pleasant anticipation of the holiday season and brightened the already present Christmas spirit. All students were responsible for making this Christmas an enjoyable one, including the A Capella Choir which gave an excellent special performance. This year's celebration was a memorable occasion full of friendship and warmth that CHS will not soon forget.

Southern Splendor 1982

Coordinators of the 1982 Coronation, FLARE Sponsor Mrs. Cindy Dodd and her husband Wallace

The 1982 Coronation presented thirty nine queen candidates in a setting of Southern Splendor. Flare staffers began work on the set many weeks prior to the Coronation, while the new FLARE sponsor Cindy Dodd coordinated the entire event. On February 6, the long awaited night of beauty and tradition had finally arrived. Mr. Glenn Winn served as master of ceremonies and Mark Edgmon and Tony Driver provided musical entertainment. The evening climaxed when Lisa (Munch) Foster representing the Spanish Club was awarded the honor of Queen of the 1982 FLARE. Katherine Reese performed the royal ballet for the Queen and her royal court.

Building Cool Careers

The Air Conditioning class provided a wide range of skills besides air conditioning repair. Students were taught refrigeration, cooler and car air conditioning repair. Usually if it has anything to do with cooling, the Air Conditioning class can fix it. They contract jobs from private individuals to gain experience and provide the finest equipment for their shop. There are morning and afternoon classes, each of which is a three hour class. The students not only gain valuable knowledge, but also attain the experience only available in a working situation. Each student upon completion of high school can immediately enter the work force as a skilled worker and a confident professional.

Giving Cars and Careers a Bright Outlook

Auto Body is a class designed to give students training in the area of auto body repair. This includes everything from painting and mending fender benders, to renovating old and wrecked cars. The class is three hours long and demands much dedication to the field. This program has a steady flow of satisfied customers. The students have a reputation for fine workmanship. Their training will enable them to get any job in the field upon graduation of high school. Conroe High is known for having the best program in this area, and the students sure do live up to their reputation.

Marine Repair: Anchoring their Future

Nearby Lake Conroe provides a growing demand for marine repair skills. The Conroe Vocational School has a Marine Repair class which teaches high school students to exercise their knowledge when members of the community brought their broken, decreppidated boats to be repaired. Many satisfied customers commented that a professional marine repair shop could not have done a better job.

The Marine Repair Club showed off their talents when they competed for the District title. At these competitions the students were judged on their mechanical ability. Through their hard work and dedication the Marine Repair students floated to the top every time.

Auto Mechanics Shifts into Gear

"Gentlemen, start your engines, PLEASE!" exclaimed auto mechanics teacher Jack McCullar. After the students got their engines started it was another task to get the cars running. Under the excellent instruction of Mr. McCullar this task was made simple. He taught the members of his classes the fundamentals in Auto Mechanics educating them in a widely demanded field today. Students worked throughout the year on individual projects for district competition held in Port Arthur in March. Students successful at district progressed on to state competition held in San Antonio in April.

It was not all work and no play for these boys, though. They kicked back at the Christmas party and New Year's Eve party not to mention a few private parties. Auto Mechanics wound down the year with the annual fishing trip to Lake Livingston.

Metal Trades: Sparks Up a New Year

Bringing beauty to the old and ugly was one of the main goals of this club during the 1981-82 school year. No, it's not cosmetology but the results are the same. I promise that you won't find a skirt-tail in this class and Maybelline may not be trying to employ them but these boys did change things from rags to riches. Their first miracle was performed on an old beat up horse trailer (or so it seemed). Within two weeks it wore a blushing new coat of maroon paint and was headed off to Aggieland. Other projects during the year included a bar-b-que pit for a local citizen, the reconstruction of their own welding booth which was greatly needed and individual projects for district competition held in Port Arthur during March. Funds for the trip to district competition were provided for through the selling of light bulbs by club members.

Pressing A Trade

Have you ever wondered how newspapers, programs, magazines, pamphlets, and countless other forms are printed? Just stop by the Conroe Vocational School Printing shop and they can tell you everything you want to know.

The Printing Trades shop is equipped with everything needed in a professional printing shop. The students are taught every phase involved in printing. The class takes on printing jobs for churches and other organizations for a nominal fee. Many of the school's printed pamphlets are the result of our Vocational Printing students' hard work.

The Printing Club participated in District competition in Port Arthur and then traveled to Fort Worth in April for State competition. Through these contests the students' skills were improved and they made many friends who were also interested in the printing field. They are becoming more and more aware of the wonderful future opportunities in the Graphic Arts field.

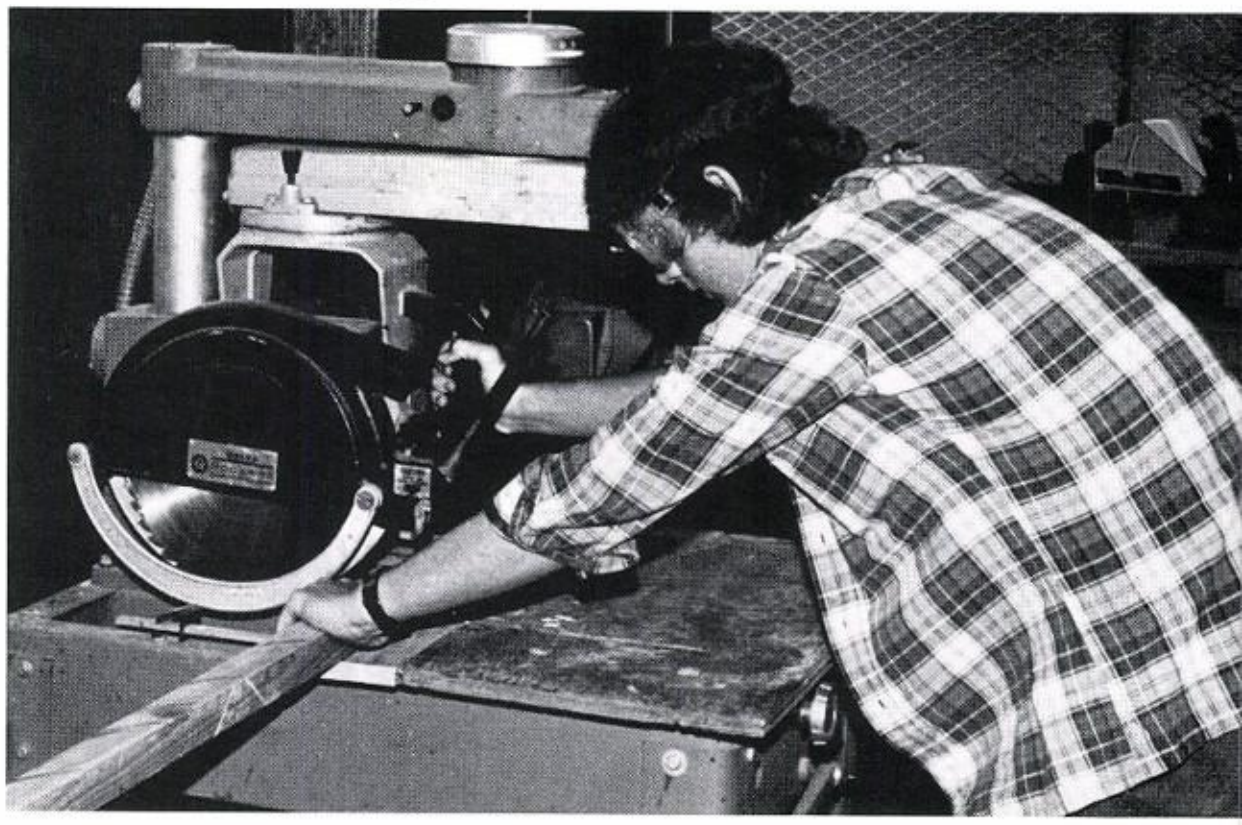
Throughout the 1981-82 school year, Building Trade students were kept busy building a full size resident home in Artesian Forrest. The actual construction began last year after the selling of their last home which sold for $49,600. With this money the students bought materials and equipment for their next residential project. Skills were seen in every aspect of the house for the students did all the construction work ranging from the framework to the electrical units in the house.

Fundraisers for the year consisted of cheese sales and the selling of Rubik Cube key chains. Money obtained through these fundraising projects went to club jackets and annual parties.

While learning the talents and skills of a construction worker, Building Trade students were introduced to industry standards of construction as well as acquiring leadership qualities throughout the building industry.

Members: R. Roddy, R. Spence, T. Bowles, A. Nelson, M. Mahaffey, W. Gibson, G. Kancilja, D. Ingram, G. Luther, M. Odom, A. Ramirez, J. Cleveland, T. Deveny, K. Fester, J. Chappell, R. Rainey, P. Sterling, J. Jarrett, Mr. Summy, Instructor.

Nailing Down Their Future



Pounding away, on a new year, Construction Trades members discovered valuable skills for a future in construction work. They set high standards for themselves and their work. These standards were evident in their fund raiser: building dog houses, picnic tables, and doing repair work. Their outstanding work was entered in the Regional Competition in March. The best of the work shown there, advanced to State Competition, which was held in May, in Austin. The Construction Trades members put their hardest work into building a portable classroom for the school district. The club closed the year with a banquet, where they reminisced about the past and looked to the future.

Tuning It In

Plug it in, turn it on, adjust that one dial 8!*&%#****!!, give it a swift kick in the side! Wait! Stop! This isn't how we do it. Any Radio and TV student can tell you that it takes a lot of patience and willingness, not to mention basic knowledge to get that radio, TV, or record player to cooperate with you. Radio and TV classes taught students all this and much more. Throughout the year members worked on individual projects for competition which was held in Port Arthur during March. Winners at Port Arthur progressed to another competition at Dallas in April. Class projects throughout the year were maintaining cablevision for campus, repairing receivers, installing auto radios, 8-tracks, CB's and repairing radios, and TVs, and phonographs. Students left this class with a skill to be used in the business world.

Duplicating Job and Office Skills

In a little building labeled "Annex E — Office Duplication," on the west end of the campus, Mrs. Beth Cassels sponsors a club made up of vocational students willing to become the leaders of their peers. The Vocational Opportunities Career Clubs of Texas provides the means for these students to develop their leadership abilities in different areas and positions in life. Citizenship is also a major developmental area of these twenty-four or so young people.

The club members attended a Christmas party during the holidays, and in the spring they also planned to go to Astroworld. The club members attended the state vocational contest, held in April, where they competed with clubs from across the state. To finance their year-long activities, VOCCT members sold cookbooks which they duplicated on their own. The new typewriters they acquired this year also helped introduce a chance for new skills to flourish.

All in a Day's Work!

Industrial Cooperative Training is a class designed to train career minded students in the field of their choice. The class is only for Junior and Senior students, and is structured so that students may attend class half a day and work half a day. Area businesses work with this vocational program in placing students with jobs. The class itself involves working with each student's individual training needs. This program has been highly recommended by students and our community. I.C.T. enjoyed another successful and rewarding year, that was appreciated not only by the students involved but also by our community.

An Introductio

The Vocational Opportunities Clubs of Texas sponsors two chapters in the Conroe Area. These two chapters are VOCT #454, headed by Mrs. Simmons, and VOCT #384, managed by Mr. Rivet. The VOCT Clubs, students were able to attend academic classes for half a day, then leave for their respective jobs. With this program, students were able to get both an education and experience from a job. Both chapters had an end-of-the-year banquet at which their employers were honored. Chapter 454 sold belt buckles as their fundraiser. The profits were used to buy jackets for the members. The VOCT Clubs performed a much needed service by helping their students gain a valuable working experience.

D.E. Working their Way to the Top

Distributive Education is a vocational program designed to give students opportunities in the job market. Employers in the community work with the vocational program is placing students in the field of their choice. D.E. participated in Career Development Conferences competition at Dulles High School in March. This competition consisted of competing with 171 other D.E.C.A. chapters in their area. Winners from this advanced to state. The purpose of D.E. is to develop progressive leadership in the field of distribution, that is, competent aggressive and self reliant. The club enhances an understanding and appreciation for the American system of free enterprise. To sum it up, D.E. is setting goals and reaching them, the very thing C.H.S. is made of.

VOE-OEA members are a select group of young adults at CHS with interests in business careers. As a part of VOE Lab or Co-op, they learn office work and use these new skills in the business world. The Conroe Chapter of OEA recently began the big-little sister program to create unity among members. In October, VOE-OEA helped the Ex-Students Association register for Homecoming, and on the 15th of the month inducted new officers in a candlelight ceremony. To finance their activities, OEA members sold beef jerky and cheese-and-crackers, the proceeds going to a Halloween costume party at Ricardo's and a Christmas party. Members also prepared a box of gifts and food for a needy family, and answered "Dear Santa" letters for children at the Resource and Development Center. In the spring, VOE students entered state-wide contests, placing well among others from across the state and ending a very successful year.

Programming For Their Futures

Computers and classrooms, a most unlikely combination, right? Not at CHS. This year 64 students took Data Processing. They learned key punch techniques and programming proficiency. Those students that excelled in the course were often given part-time or summer jobs at the administration office. The best students competed in the Area and State Office Education Association (O.E.A.) contests in Houston during March and April. Data processing also did their annual civic project. Club functions were financed by the selling of various gift items. This club is not all work and no play. They had a Christmas party and they wrapped up the year with an end of the year party.

Drafting: Designing their Futures

Vocational Drafting not only provides students with drafting skills, but also with a knowledge on what professional drafting is like. The class is three hours long. During those three hours, students practice their skills by doing contract drafting for individuals. Drafting is a very involved class besides being a job training lab. The members held a raffle to raise money for their various activities. These included a Christmas and end of the year party and competition, in March at Port Arthur, Texas. Besides competition, members got to attend district area meetings and enjoyed field trips to various industries that involved architectural design. The drafting class had a successful year of preparing students for their future.

Spirit and Skills Linked Together

The 1981-82 Industrial Arts Club had an activity filled year. Ranging from the selling of Drix and spirit chain links to regional and state competition. Because of increased effort put into this year's sale, the Conroe Industrial Arts Club became the leading seller in the nation of Drix Cleaning products. Once again Conroe High won the spirit chain competition between Conroe High and McCullough. This year's chain was the largest chain that the Industrial Arts Club have ever put together. The students competed, in late spring, with drafting students being judged on technical drawings, and architecture.

Woodworking students entered such things as deskplates, cutting boards and other wood projects. Sheet metal, welding, lathe projects, and art metals were entered by students in metal working.

In April, local competition was held in the Vocational Building and Regional Competition in Huntsville. Closing the year in May, state competition was held in Waco.

Cosmetology adds style to CHS

Throughout each week of the school year, Cosmetology members used their three hour class period learning about the world of beauty and personal improvement. Mrs. Dorman, the club sponsor, dedicated two days a week for classroom lectures with the remaining three days supervising the girls in their practice of pedicures, manicures, makeup, and hairstyling.

Not only devoting their time to personal improvement, the girls redecorated the department with wallpaper depicting nature. Helping pay for these expenses as well as their activities, the girls sold jewelry for their yearly fundraising project. These activities consisted of birthdays, parties for special holidays, and an annual supper.

FFA: Cultivates Another Productive Year

Scott,
Well we really had a good time in history. Just getting up and walking out of class. I'm glad I got to know you, and it ain't going to be the same with out you. Take care of your-

Devoted to instilling leadership, responsibility, and pride in its members, Future Farmers of America (FFA) became one of the most diversified organizations in Conroe. FFA members were offered the opportunity to study disciplines in public speaking, meats, livestock, welding, and wood working.

Chapter members traveled all over the state of Texas during the year in order to participate in livestock, lamb, poultry, milk products, and judging contests. After receiving top honors in these competitions, Ag members attended the state FFA convention and competition at the Astrodome in July.

To pay for all the contest entry fees and to fund the Spring banquet, FFA held a profitable fruit sale.

Child Care . . .

As the 1981 school year opened, Child Care members set out to acquire the knowledge and caring it takes for children and the functions of operating a day care center.

Annual field trips to local day care centers were helpful opportunities for the girls. Enjoyable as well as an experience, the students participated in the planning of the children's mealtimes, assisted in art activities, and discovered all the phases of children's play and care.

Activities planned for both the students and preschoolers were the celebrations of birthdays and special holidays such as Halloween, Thanksgiving, Christmas, and Easter.

Caring for the Little People

HERO: Headed in the Right Direction

H.E.R.O. is a vocational class designed to give students training and opportunities in home economic related jobs. The jobs range from fashion design and merchandising to food preparation. Students gain experience in their field by their jobs through the vocational program. As a club, they gain fun and friends. In December they had an open house for their employers, along with an end of year banquet. Their parties included a St. Patrick's and Christmas gatherings. On Valentine's Day, the members brought gifts to children in the hospital. To raise money for these projects, they sold apothecary jars filled with candy. H.E.R.O. is a very functional club, and a great way for students to socialize and share the success they have found through the Home Economics Related Occupations programs.

The object of the Home and Family Living Club is to show young adults how to handle everyday occurences, both in and out of the home, responsibly. Students were advised on things ranging from setting up a new household to boy-girl relationships. Weddings and divorces were staged to show the responsibilities involved with adulthood.

To prove that life was not all hard work, the Club held several parties during the year. The Christmas Party was a big success, with all of the members dressing up in appropriate Christmas costumes. The Home and Family Living Club also sponsored a Christmas for a needy family. In the Spring the Club gave toys to the Special School to help the students develop their hidden talents.

The Home and Family Living Club helped it's members understand, and be able to become competent adults in today's society.

FTA . . . Promoting Educational Opportunities

This year's goal for the Future Teachers of America was promoting a good relationship between teachers and students. Regardless of their future plans, the all girl club devoted much of their time to learning about education in today's society.

Fundraiser for the year consisted of the selling of Conroe Tiger Huggers. Money earned through this project went to expenses for the District Convention in October and the State Convention in February.

A Science Fiction Club Odyssey

This year the Science Fiction Club was recognized as an official club. At the club's first annual Halloween Party, a number of unusual costumes, both Science Fiction and Fantasy oriented were present. The members also attended the Texas Renaissance Festival and participated in quite a few activities depicting Medieval life.

Throughout the year, the club was able to have monthly showings of many movie classics. Both Science Fiction and "normal" movies were shown. In early spring, the club made a weekend trip to College Station, where they participated in AggieCon '82, a Science Fiction convention and contest event. The club members entered many costume and trivia contests. The members wrapped up their year with a picnic, where old members graduated and new members looked forward to the future.

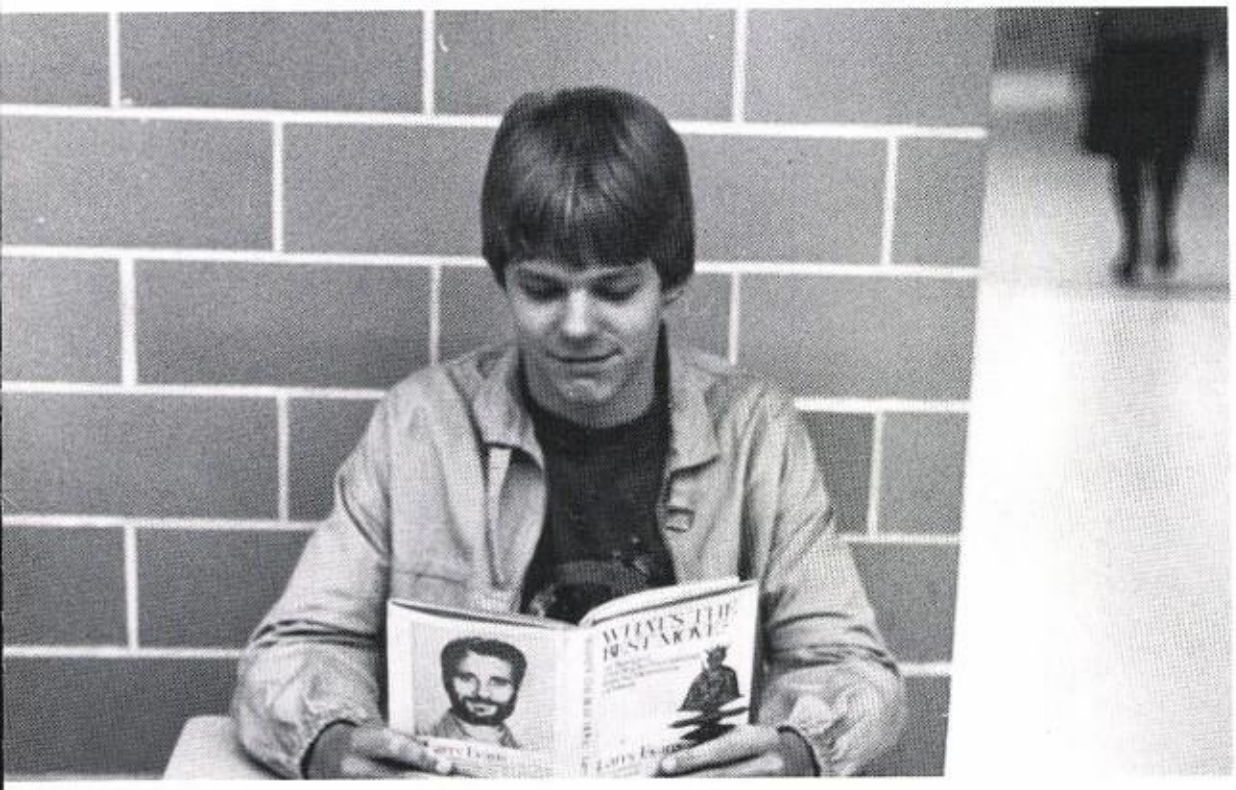
Strategy is the Key



The battle lines were drawn and two players were locked in a war that called on all their resources. This grueling match lasted until one player called out triumphantly, "Check Mate." His opponent was crushed and began to plot his revenge for the next match. This scene was a common one at all the Chess Club meetings. This year, the Club expanded its horizons to include many games besides Chess. Under Mr. Khatibi's guidance, the club lifted the art of Chess, as well as that of many other games, to new highs. The 1981-82 CHS Chess Club proved that Chess is not only challenging but is a lot of fun to play.

Friends and Fellowship Through Y.F.C.

Youth for Christ is a club designed to give students fellowship and to provide inspiration in their daily lives. Under the direction of Coach Hellard they had a very successful and rewarding year. The club expanded to twenty-five members this year. Though a fairly small club, they all gained new friends through the common bond of Christianity. Members held meetings every Tuesday morning in the auditorium. Youth for Christ provided fun for students by having a Christmas party and other activities. C.H.S. is lucky to have a Christian outlet for its students where they can grow socially and spiritually together.

Although a young club, Young Republicans increased their membership to twenty-five members this year. They found time for both positive involvement in the community and alot of fun activities. Although no national or state elections took place this year, the Young Republicans stayed very busy by supporting local candidates for county offices. This support included answering telephones, politicing in neighborhoods, mailing candidate letters and various other jobs. The Young Republicans worked very closely with the Women's Republican Club of Montgomery County. Young Republican's learned parliamentary procedure, and attended Republican conventions at Kinkaid. Mrs. Tehas proved to be a great help in keeping the Young Republicans informed on political activites. Between politicing, Young Republicans supported their own parties by having a pizza, Christmas and an end of the year party. Young Republicans is a great way for students to become active in politics.

FWA works as a team

The 1981-82 school year was quite a busy one for the forty-five members of the Future Workers of America. The club attended many activities such as a trip to the Houston Livestock Show and Rodeo, participation in Special Olympics, and their own parties of swimming and roller-skating. Expenses for these trips came from the two fundraisers for the year: candle and notebook sales.

As well as being fun, the members acquired many profitable things from the club. They learned the responsibilities of a group, working together, and above all — getting along with one another.

The Gift Givers

Although under fire from many sides, the Good Sportsmanship League held on to its pride to show exactly what "being a good sport" means. Members spread their fun and good spirits to all school representatives they met, whether at centerfield, in a stadium or centercourt at a basketball game.

Reading prayers before basketball games were new experiences for GSL members, but they brought personal touches to these activities, and were well-accepted by the players and fans. These members, although confronted by adverse circumstances, showed to all around them what the meaning of "good sportsmanship" really was, and were congratulated for their mature handling of a near-impossible situation.

Cooking, Sewing, and Having Fun . .

The Future Homemakers took upon themselves the great task of developing leadership ability and other assets that will help them become outstanding young men and women in tomorrow's world. The FHA members perfected their cooking and sewing skills, proving themselves very capable homemakers. They also proved themselves well-rounded citizens as they participated in various community activities.

The FHA Club financed their activities by holding bakesales. Customers flocked to the sale as wonderful smells drifted through the halls of CHS. The FHA members rode a float in the annual Christmas parade. In March the club attended the Area FHA meeting in Huntsville. The top officers went on to the State meeting in Fort Worth. The FHA Club stitched up the year with an Awards Tea. All of the Seniors were honored for their dedication to FHA and the new officers were installed. As a grand finale scholarships were presented to the outstanding FHA members. This year's FHA Club proved without a doubt that a homemaker's work can be fun!

The Drama Club of Conroe High School had one of its most enjoyable years in 1982. To start the rousing year off, members sponsored their annual "Club Wars" on October 13th, and this event was a well-attended and fun-filled evening for all participants and spectators. Members then began working and practicing three one-act plays for their "An Evening of One-Acts," and took a comedy, "The Miser" on to UIL competition. Certain officers and members of the Thespian Society attended a convention in San Antonio in November, and enjoyed meeting new people whose interests also turned towards acting and singing. In the spring, the Drama Department presented their annual musical — this year it was "Phinean's Rainbow," an acting and musical extravaganza. To round out the year, drama members, along with thespians, enjoyed their many cast parties after memorable performances.

Science In Their Future

The Science Club provided a chance for students interested in this branch of knowledge to learn from experience. They participated in science-oriented activities and parties as they improved their understanding of the field.

The year of fun started off with the annual Scavenger Hunt. The winning team was treated to a free meal at Mr. Gatti's by the Science Club. A trip to A&M was the next event on the club's agenda. They attended Career Day and then watched the Aggies battle it out on the football field. A man from the Medical School Hospital came and entranced the audience with his talk on hypnosis. The Christmas Party was very well attended. Everyone was required to wear red or green to promote Christmas cheer. February brought about the annual carnation sale. Smiles shined throughout CHS as the recipients of the flowers showed their appreciation. At the end-of-the-year-dinner the Science Club announced its honor members. Their reward for membership was the knowledge and experience that they gained in the scientific field, enabling them to decide on their plans for the future.

Howdy Partner!

The Conroe High School Partners Club showed people that they cared through both their actions and words. They beautified the school grounds by painting the Metal Trades building. The members had a great time as they improved the appearance of the building.

Each member of the club was assigned a partner. The members took their partners to the movies, bowling, or to eat, and other fun activities.

The Partners Club sponsored a float in the Christmas parade. Afterwards they had hot chocolate to warm up after the cold ride.

Several weekends were spent preparing children for the Special Olmmpics. Training grew more and more intense as the day grew closer. All of the hard work paid off when the participants sponsored by Conroe raked in numerous awards. The Partners Club proved that it is possible for a club to be useful and have fun doing so.

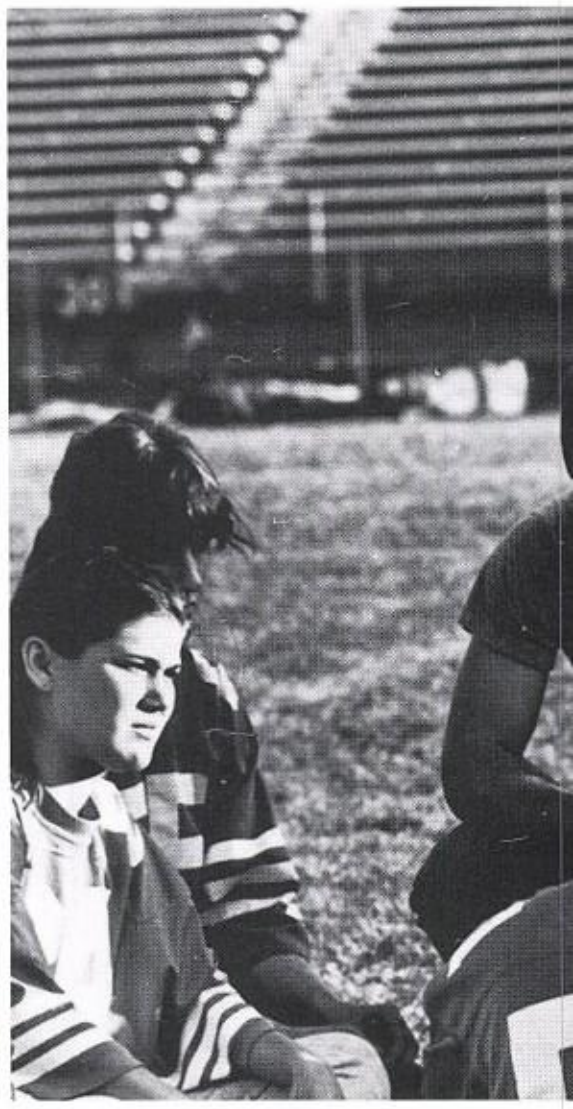
This was followed up by recruiting donors for the Lion's club Blood Drive held at the First Baptist Church. Members completed the year with a field trip to the Texas Lion's Camp for crippled children in Kerrville, Texas. Leo club also sponsored a Sadie Hawkins Valentines Dance held in the CHS cafeteria.

Key Club
Opening New Doors



The 1981-82 Key Club's slogan for the year was "the more you contribute to a community, the more you get out of it." Members followed this theory by reaching out and helping the less fortunate and needy citizens of Conroe. Key Clubers set off the year with a very successful Halloween party for the Center of Retarded held at the YMCA. November brought the annual Powder Puff football game which Key Club sponsored to fund their end of the year banquet. In December members helped to spread the yuletide spirit by poviding six needy families with a complete Christmas.

As everyone knows, with spring comes telethons and you better believe that this group of boys and girls could be spotted in every shopping center, neighborhood, and on every street corner collecting money to contribute to the Cerebral Palsy and the Easter Seals Telethons. For most, just knowing that there was a group of kids like this around made the future look a little bit brighter.

Friendship Through Fellowship

Members of 1982 FCA learned to discuss freely and cope with the modern problems of a high school athlete. The club's purpose is to present to athletes and coaches the challenge and adventure of receiving Jesus Christ as their savior and Lord, serving him in their relationships and in the fellowship of church. The club has been very successful seeing that this is its second year in existence and they consist of 60 members. Although religion was a major aspect of the club there were also outside, fun activities. The club was honored with 1981 championship at the Student Council Spring Carnival in the anything-goes-contest. Members collected food and gifts for the needy at Christmas time, followed by a Christmas party.

State FCA conference was held in January at the Hyatt Regency in Houston. National conference was in June at Baylor University. Club funds were replenished by a very successful 90 minute popcorn sale.

Tigerettes . . . Performance Tells Off

Tigerette members competed in varsity events in basketball, golf, swimming, tennis, track, and volleyball. Led by Mary Jo Parker, club sponsor, each girl set high goals, from promoting discipline and good sportsmanship in the field of sports to outmaneuvering their opponents. Goals set by the girls were achieved through long hours of workouts after school. Taking time away from athletics, the Tigerettes participated in the annual poppy sale to help the community American Legion.

Psychology Club: Meeting of the Minds

The Psychology Club had their calendar filled with activities throughout the year. Beginning these activities was a progressive dinner for members to get acquainted. The Christmas spirit was celebrated at Dean Emmon's house with a fun-filled party of eating and caroling. As the 1982 year progressed, Psychology members enjoyed a spring picnic at Walden on Lake Conroe.

Activities were not only filled with recreation, for members used their time and help with the Montgomery County Center for the Retarded. An added enjoyment and learning experience for the students, was working with trained chimpanzees.

Members of the club acquired many worthwhile opportunities such as seeing psychological concepts in practice, and providing them with social interaction. Through these many learning experiences, members were able to apply these psychological principles to everyday situations.

TRIUMPH

"T"
Stands For
Terrific, Tigers, and Triumph!

The Triumph staff began its busy year in attendance at SMU's ournalism camp during the summer of '81, bringing home to HS many ideas to use in their plans for the newsmagazine this ear. Last summer they also sold ads and took pictures for the otball programs to be sold at all home games in Tiger Stadium.

With the distribution of the Triumph's first issue (the omecoming issue in October), staffers had their creation put to e test — what if no one liked it? But, of course, they all did, so at worry was pushed out of mind until the next issue rolled off e presses. As a change from times past, this year no Assistant ditor was named. Now the position is filled by a different staff ember each issue; i.e., a "floating" Asst. Editor. This will pro- de experience on an editorial level for more people.

This fall, staffers hosted the Houston Atari Regional Cham- onships at the Astrodome Nov. 7th, and the $1000 they received was placed in a scholarship fund for the year's outstanding journalism student.

At the UIL Spring Literary Meet, The Triumph was judged for its content and originality, and at the ILPC Convention in Austin was given a state rating; individual awards recognizing personal achievement in journalism were also given there. To obtain the necessary funds to attend these contests and to have Christmas and end-of-the-year parties, Triumph staffers sold ads, subscriptions, and football programs; they also received revenue from sales during distribution each month. Those on the staff learned invaluable skills regarding the actual creation and production of a major publication; the application of these skills is shown in the fact that 40% of all Triumph staffers make journalism their life's career.

Expressing two sides to their personalities Math Club members actively participated in entertaining pastimes such as a pizza party, a trip to Astroworld, and various other activities. While there was the attitude of "eat, drink, and be merry," members did however settle down on Mondays for tutoring sessions to help other students with their math problems.

Their fundraiser for the year was a bake sale held in the spring. As well as sponsoring this bake sale the Math Club also sponsored a Special Olympics student.

While being members of the Math Club, students participated in fun activities as well as learning about potential careers involving math skills.

Troika Staff . . .

During the summer preceding the 1981-82 school year, old and new members of the staff were busy learning how to design and publish their literary magazine, the *Troika,* for the student body and faculty of CHS. They were able to display these talents in the competition areas at summer workshop. The staff received an excellence award in Format and Concept while David Bauerlein won excellence in Outstanding Contribution.

As soon as school opened these students got underway with their projects for the year: a literary magazine and a calendar for the upcoming year. These works of originality consisted of short stories, poetry, drawings, and photographs submitted by the student body and faculty.

Without the help of the surrounding community and individuals, the *Troika* staff would not have been able to publish these works of creativity. Funds from these patronages went to supplies, printing, and publication of the literary genres.

Accelerating through Academics

Being selected to be a member of the National Honor Society is one of the greatest honors any CHS student can receive. Students were selected on the basis of academic achievements as well as leadership, character, and service. The top ten percent of the Senior class was inducted at the end of their Junior year, with an additional twenty-nine students inducted in their Senior year. Activities on this year's agenda included Fall and Spring inductions, the annual Christmas party, operation Santa Claus, sponsoring of the Special Olympics, and an end of the year party.
Club funds were replenished by the selling of Tiger Booster stickers. The National Honor Society helped students to develop leadership, character, and responsibility in the community.

The Art Club of Conroe High officially began its year-long activity schedule before Halloween. The third annual Courier Pumpkin Prime Time Contest was entered by many of this creative club's members, with Carol Triplett's "Garfield" winning first place in the 16-and-under category.

This club took part in quite a few activities throughout the busy year. Before Christmas, they created an enchanting scene in the Main Office to delight any onlooker. In February, several members entered the Foley's/Houston Post Scholastic Art Show, and members went to view the Gold Key winners' original works. The Art Club also hosted the CISD Western Art Show in late January and held their annual Spring Art Show. To support the Seniors, the club printed T-shirts for the Blood Drive.

To make their plans become realities, the Art Club designed posters for small fees, and provided much of their own transportation on out-of-town excursions.

FLARE STAFF

Yearbook Staff . . . A Flair for Memories

The 1981-1982 FLARE Staff began its work months before the rest of the students even started thinking about work. We kicked off the summer with camp at Trinity University. Here, the old staff members were acquainted with the new arriving members. Once again, we had the pleasure of breaking in a new sponsor, Mrs. Cindy Dodd. With the help of retiring sponsor, Mrs. Gloria Traylor, Mrs. Dodd quickly caught on to our flairs. Trinity University also saw that CHS was one in a million. Our dummy copy received the "Best Yearbook" award, while our cover also grabbed top honors. Everyone was proud to bring home these awards, along with our perfect attendance certificates. Here, we discovered that although there was a lot of work, we could find time for fun. This proved to be true for the months ahead too.

As soon as we returned home, Mrs. Dodd got everyone (just about) busy selling ads. Again, our work paid off. The CHS yearbook staff sold $16,000.00. More ads than any yearbook in the nation — a record for Taylor Publishing Company. This enabled us to regain the title as the largest high school yearbook in the nation.

The first deadline, which thankfully proved to be a set-up, was rather rough. The extra week enabled us to get those extra pictures printed or taken and finish some other last minute details, such as writing copy. Miraculously, we were able to meet that dreaded Purolator truck on time.

Breaking the monotony of the pressing deadlines was the now traditional Christmas party at the Hopkins' lake house. Always an occasion not to be forgotten was the exchanging of gag gifts, among other things. The party brought to the surface many old friends, as well as some new faces. By the way, who were those strange people? The year would not have been complete without the presentation of the FLARE Coronation, "Southern Splendor" which was a success. Without the help and guidance of Mrs. Dodd's husband, Wallace, the Coronation would not have been possible. (Wallace also handled his new children quite well.)

As final pages were turned in, staff members began to relax. It was a rough year, but we made it together. May was the moment everyone had worked for and awaited, the arrival and distribution of the 1982 FLARE to the student body and faculty of CHS. Recapturing memories throughout the year was a set goal that was achieved by the FLARE Staff. Students looked back and realized that CHS was — ONE IN A MILLION.

The National Forensic League kicked off its year with not only new talent, but a new sponsor as well. Miss Martha Roach headed the speech and debate teams in a winning direction; with the combined efforts of eager freshmen and veteran upperclassmen, Conroe High became a well-respected name in forensic circles. NFL attended a total of nine regular tournaments, with four of them out of district; the UIL and Texas state tournaments in April were also attended. Ranging in events from poetry to championship cross-ex debate, students competed for trophies and sweepstakes points. Conroe swept many sweepstakes trophies, making the '81-'82 school year its most successful in CHS history. This accomplishment came only from much dedication, practice, and tireless spirit. Forensic students became not only first-class competitors but also first-class winners — they turned their disappointments and defeats into winning efforts.

Between tournaments, NFL found time for Christmas, Halloween, and end-of-the-year parties, as well as their fourth annual awards banquet in Spring. When members weren't partying or practicing, they promoted spirit, and their treasury with the sale of Conroe Tiger pennants during football season. In all, it was a memorable year for not only a speech and debate club, but most of all for a winning team.

Roman Culture . . .

Anxious for a fun-filled year, Latin Club members started off with a Halloween party where they celebrated the success of their fund-raising project, the selling of "Conroe Tiger" pens. December brought the annual Christmas spirit as well as a party with funfilled activities such as caroling and merrymaking. As the new year rolled around, students showed their spirit as well as their skills in the Area Latin Meet held in February at Baytown Lee High School. Club members sold refreshments at Conroe High School's annual Foreign Language Day in February. During the latter part of winter students traveled to Richardson, Texas, for competition in the State Latin Meet. Members participated in such events as Latin grammar, history, reading, and recitation. Bringing the year to a close, Latin Club members held a banquet where they recaptured the memories of the past year and those memories confirmed that Roman Culture is alive and kicking at Conroe High!

Alive and Kicking

Say It In German

This year the German Club proved itself one of the most active clubs at CHS. Through parties and other fun-filled activites the members got to know one another and were exposed to the Germanic language and culture.

The German Club kicked off their year with a visit to the Bavarian Gardens in Houston. Members sampled German food and danced the night away. The annual Halloween Party soon followed. Many members showed much originality in their costumes. The November activity was a hayride, which included a weiner roast, games, and singing around the campfire. Also in November the club had a German dance instructor come and teach them traditional folk dances. At the Christmas party the party-goers went caroling and exchanged gifts. A progressive dinner took place in February, and a swim party marked the end of the year.

Academically the German students took the AATG Tests, which ranked them nationally with other German students. In March the German Club participated in the TAGS Convention held in Houston.

Through their enthusiasm and interest for the German Club, it's members proved that they are indeed one of the most active and enjoyable clubs at CHS.

Pardon My French!

The French Club started off the new year with their annual Halloween Party. Members attended the party dressed in costumes of many different cultures. On November 11, the Club ate at LaProvence, a French Restaurant. The next major event for the club was a Christmas party where Club members exchanged gag gifts. The Club's major fund-raiser for the year was selling refreshments at the annual CHS Foreign Language Days on February 18 and 19. Club members attended the French Symposium, which was held on March 12, and 13, in Dallas. There Club members competed in areas of French History, culture, reading, poetry recitation, and music. In the spring members attended the Foreign Language Festival at Stephen F. Austin University. As the end of the year grew near, old members reflected upon the past and remembered the good times and the friends they had made. The Club's new members looked forward to next year and the friendships and good times ahead.

Spanish Style . . . North of the Border

Learning a foreign language has proven to be very helpful to many students in preparing for their futures. With the many Spanish speaking countries within relative distance of the U.S., Spanish has come in handy. It was not all work and no play for members, though. The year was filled with fun activities and parties. A dinner at Ricardo's restaurant started off the year, highlighted with the announcement of their Flare Queen candidate, Munch Foster. December brought the Christmas spirit and the annual Christmas party at Linda Dehoff's house. With the arrival of tne New Year came Foreign Language Day held among the language classes. These classes exchanged and shared their country's traditional foods and ways of life. "El Cid," a popular Spanish film, was shown to Spanish classes by their teachers. Summer meant vacation and fun in the sun with a group of students going to Cancun, Mexico in June.

Adding Ambition While Keeping Tradition

"Ambitious" was a good word to describe the Student Council this year. As the new representatives assembled, the goal to make this year a success seemed evident in everyone. They kicked off the year by selling Conroe stickers and spice sets. They also sponsored an innovative film entitled "Hard-times." At the same time the annual bookfair was put on by Student Council. The annual student talent show and carnival was put on in the Spring. The proceeds made through the year went to benefit the school. In between these worthwhile projects, members found time for a Christmas party and an end of the year banquet. This year the Student Council proved to be an active group interested in carrying on pride and tradition at C.H.S.

A *Note*-able Year

For the CHS Choirs, hard work and dedication produced the results that many choirs only dream of obtaining. These results proved that the choir was one of the best and most respected choirs in the state of Texas. Every Monday night students trudged into the choir room and diligently rehearsed their music.

In September the choir's hard work finally began to pay off. District tryouts were held at Spring Woods High School, with many CHS students coming out on top. In October the Region Choir auditions were held at Westchester High School. Several more advanced at this contest. The Choir held it's annual Christmas Concert on December 8. The A Capella I Choir sang to the accompaniment of the Klein Orchestra. The effect was astounding. In January the auditions for the Texas All-State Choir were held in Bryan. Later in January CHS hosted the Region Choir Concert. The CHS Choirs participated in Solo and Ensemble Contest at Waltrip High School. In February the A Capella I Choir had a great honor of an invitation to sing at the Capital in Austin. They sang for the Governor in the morning and gave a concert on the capital steps in the afternoon. In April the Choirs attended the UIL Concert and Sightreading Contest held at Kelin Forest. The contest kept coming as as the choirs competed at the Southwest Choral Festival at Searama in Galveston. May brought the Spring Concert, which delighted the audiences with it's professional shine and polish. The Choir took their end-of-the-year trip with money from their fundraiser of selling candles and caps. Throughout the year the CHS choir proved that they were a most notable choir.

Showing Their Stuf

The Show Choir changed their name but not their format. The stand-up singing style that made them so popular remained much the same. For Christmas they developed a parady of Bob Hope's Christmas Concert and also took the act on the road to the Lion and Rotary Clubs. Accompanied by the Delta Blues Band the Show Choir sang a large variety of music, from soft ballads to rock and roll. Judging from the audience's reactions, the Show Choir really did show their stuff.

This year the Tiger Paws outdid their past seasons. The Tiger Paws added new spice to their victory lines by doing new marching formations. The girls were also given the job of decorating football lockers, and could be seen hanging streamers every Wednesday afternoon. They promoted spirit by cheering at both games and pep rallys. They also did many service projects, such as helping with open house, college night, the Conroe Classic Marathon, and sponsoring two children for Operation Santa Claus. When football season was over, the Tiger Paws stayed busy by attending basketball games and cheering on the Tigerettes and Tigers. For fund raisers the pep squad sold Christmas ornaments and basketball ribbons. Despite many obstacles, the Tiger Paws accomplished a great deal this year. They proved that pep squad is not just fifty girls getting P.E. credit, but a hard working and close organization designed to provide fun and friends, and to carry on the spirit and tradition C.H.S. is known for.

We've Got Style

On Friday, September 4, the Golden Girls opened the 1981 season. With a smile on every face the girls went through their well rehearsed routine. The new members felt their first performance fear subside as the poise and confidence of the older girls filtered through the ranks. Rain and mud did not diminish the sparkle of the breath-taking performances. The excellence of the shows was due in part to the ingenuity and versatility of Ms. Diane Watson. This was Ms. Watson's second year at CHS.

Work on this year's performances began during the summer. The officers attended two summer camps and their hard work and determination paid off in the form of several awards. The Golden Girls not only entertained the fans at halftime but had the added responsibility of decorating lockers, baking "goodies," and performing at the pep rallys to boost spirit.

Aside from their performances at football and basketball games the girls competed in the Texas Drill Team dance contest in Dallas, in March. They also competed at the Marching Auxilaries of America held in San Antonio in March.

The girls were rewarded for their hard work with a Christmas Banquet at the River Plantation Country Club. This year was special in that the First Annual Golden Girls Reunion was held in October. These activities were paid for by drill team clinics for drill teams made up of younger girls, and by the Golden Girls Mother's Club. The girls closed out the year with a Spring Banquet where Senior members looked back on the good times, hard work, and friendships. The other members looked forward to the things to come.

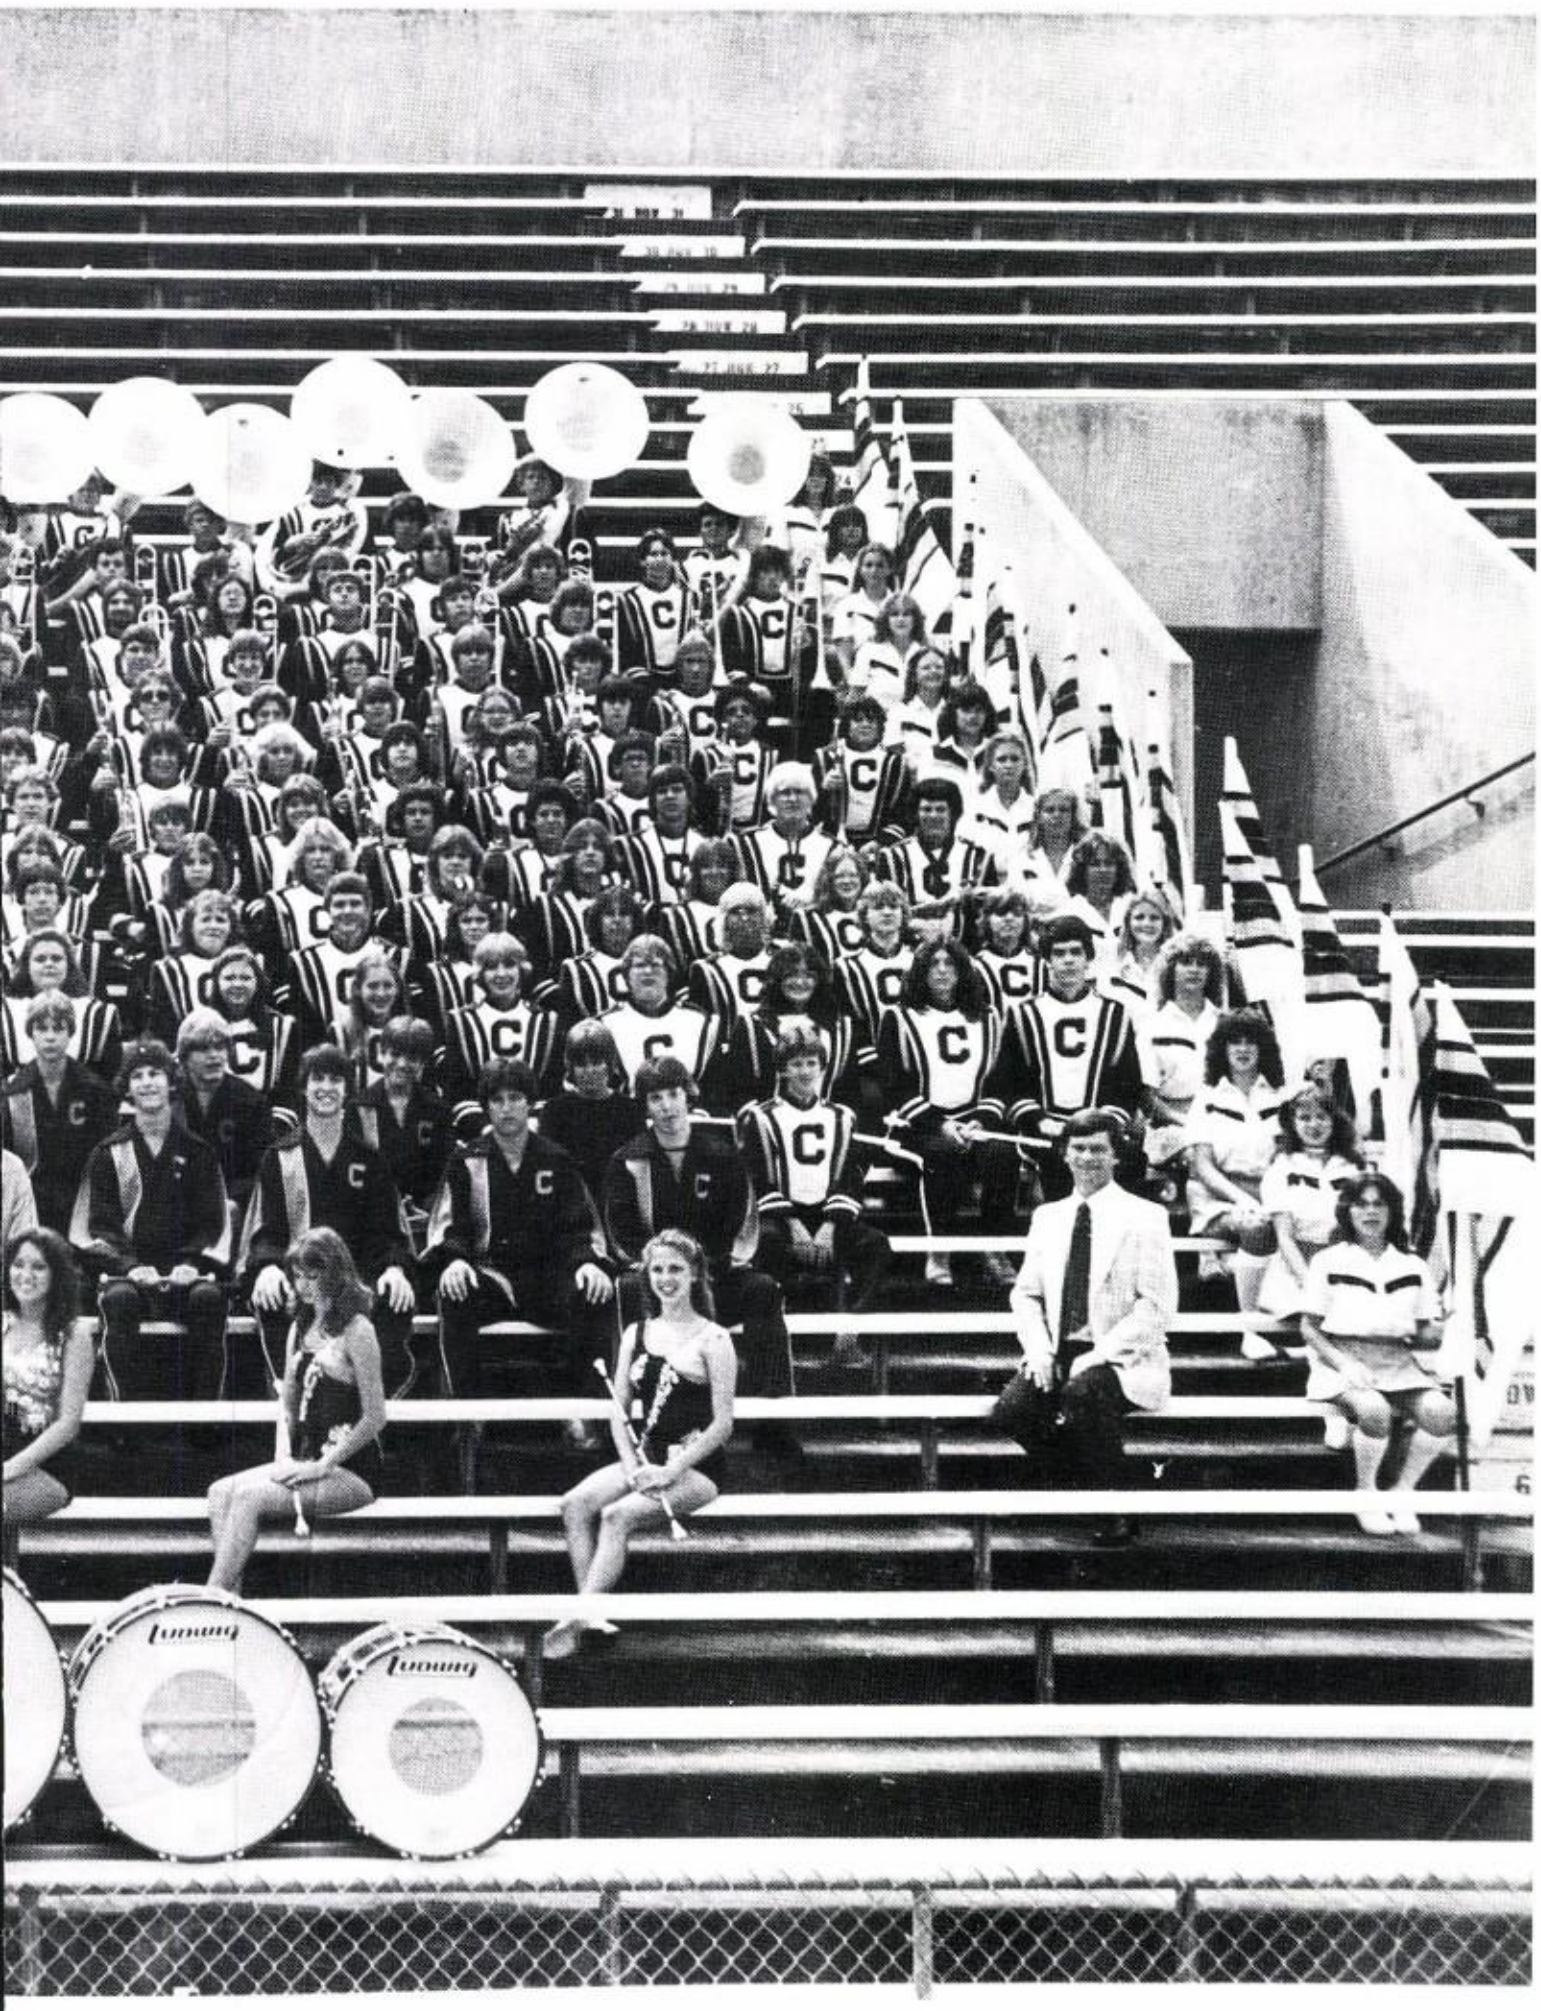
THE 1981-'82



TIGER BAND

Polished Performances Dazzle Audience

The Tiger Band led a very exciting life in '81-'82 under the direction of Mr. John Rucker and Mr. Rick Moffit. Starting in August and working throughout football season, the band practiced mark-times, knee-lifts, and side-marches to present spectacularly-choreographed shows to all in attendance at a football game or marching contest. "The Band," in pouring rain and knee-deep mud, placed fourth of twenty-five bands in the Southwest Regional Championships of the Marching Bands of America Competition held at Cy-Fair Stadium on October 31st. This exciting contest tested its participants' courage and determination under very adverse conditions, and the top ten finalists, CHS included, braved their way to perform inspirational shows to the rain-soaked audience.

On December 17th, the top three bands — Symphonic, Concert, and Gold — were conducted through various numbers for their annual Christmas Concert before they celebrated the t week break from school. The next months were spent in prep tion for the all-important UIL Concert-Sightreading Contes April. Two months before, February 13th to be exact, the t annual band banquet was held at the April Sound Club Hous celebrate a fun-filled year; earlier that same day, the band ticipated in the Go-Texan Parade to the delight of onlooker May, the Symphonic Band held high hopes of attending the State Music Festival to be held in Enid, Oklahoma, and to fin this trip, members sold cheese while their parents sold Su House Smoked Turkeys for the same cause. The band ende year with a Pops Concert; this year was a most successful on the Tiger Band, and the '82 school year promised an even b one for its members.

Junior Varsity Cheerleaders

Spreading Spirit throughout CHS

Promoting school spirit and firing up the crowds was this year's goal for the twelve varsity cheerleaders of CHS. Preparation for leading the school's varsity teams began with a week long summer camp at the University of Houston. Learning various cheers and chants throughout the week, the girls were able to show off their hard work by competing with other cheerleading squads. All the practice paid off when they won four superior ribbons, one spirit stick, and one superstar squad ribbon. It was quite a start for the cheerleaders and by the time school got underway, they were boosting the student body and faculty through their overwhelming spirit for CHS.

A new feature in the cheerleading program at CHS this year was the addition of twelve new Junior Varsity cheerleaders. These girls were responsible for cheering on the Junior Varsity athletes year around. Preparation for the year started with summer camp held at the University of Houston, where the girls were honored with one excellent and three superior awards. Aside from motivating the team and spectators these girls also learned to work together for one main cause. The fund raising project for the year included the selling of class pins, ribbons, and pom poms. The profits from these sells helped pay for cheerleading equipment.

Trials and Tribulations of Teaching

A teacher's job is a tough one. The future of the youth of America rests in their hands. This job could best be described with that of a doctor. His job deals with healing people, while a teacher also works in this capacity. When one thinks about it, a teacher's job is probably harder than that of a doctor. Their job continues long after school is out. There are papers to grade, plans to be made, and students to be concerned about. A teacher's work is often overlooked. They have so much responsibility and so little power. A teacher usually has one year to make the most of a student, regardless of whether the student wants it. This is often the case. There are occasionally obnoxious students and of course the ones that do not care. This gets pretty discouraging day after day. Besides a hurried lunch often on duty, a teacher has to worry about paying for lunch. The salary is definitely a bad point. Many teachers have this attitude: "I'll never be rich, but I am happy." Despite the disadvantages, the advantages seem to outnumber them. Teaching keeps one young by being associated with current youth ideas. There is something new and different daily. It is always challenging. A teacher has a small part in developing the ability of a student to succeed in meeting the challenges they will face in life. A teacher encounters different types of people and learns a lot about communication and life in general. Perhaps self-satisfaction is the best thi about teaching. Knowing that c who will benefit can make the d ference. Also, teaching includ holidays and the summer comes handy to renew appreciation students. Above all, teachers are co stantly learning. They learn p tience, enthusiasm, how to laug and how to accept criticis Sometimes students forget th teachers are afterall human bein They enjoy the same things th students, themselves, enjoy. Craf fishing, cooking, sports, travelin and sleeping are some of the hobb that teachers enjoy in their spa time. One must ask the questi "What spare time?"

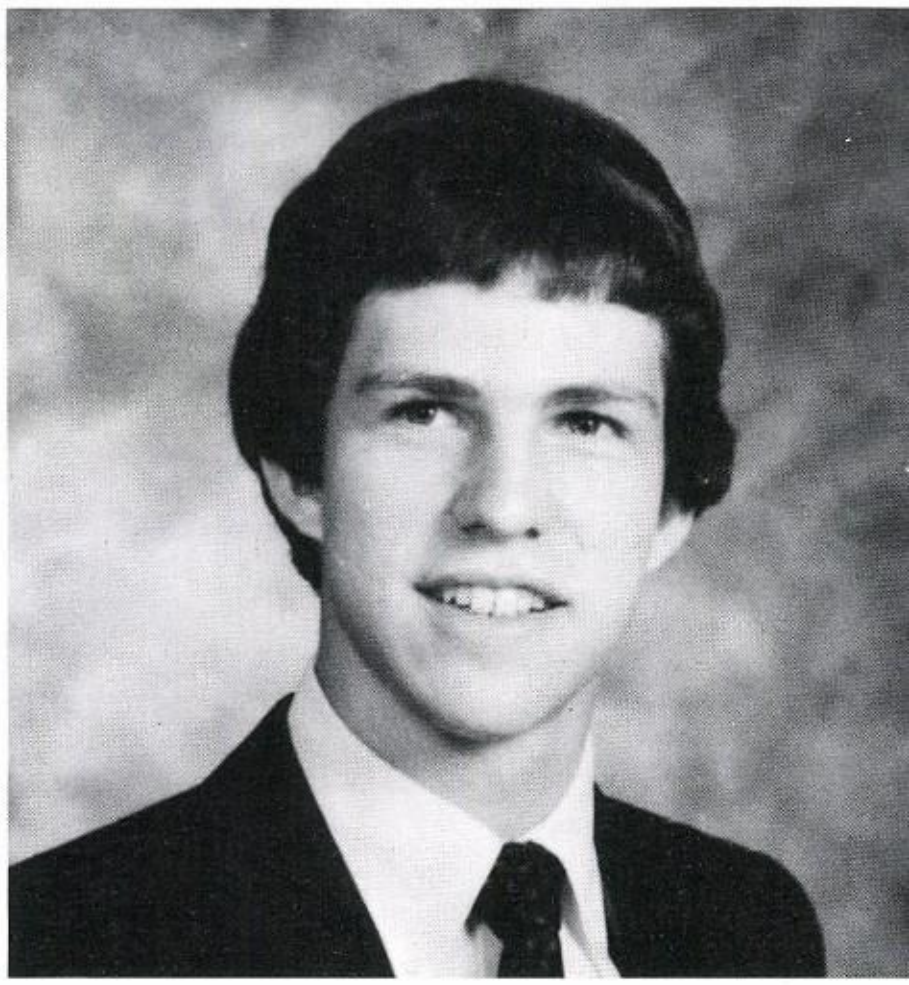
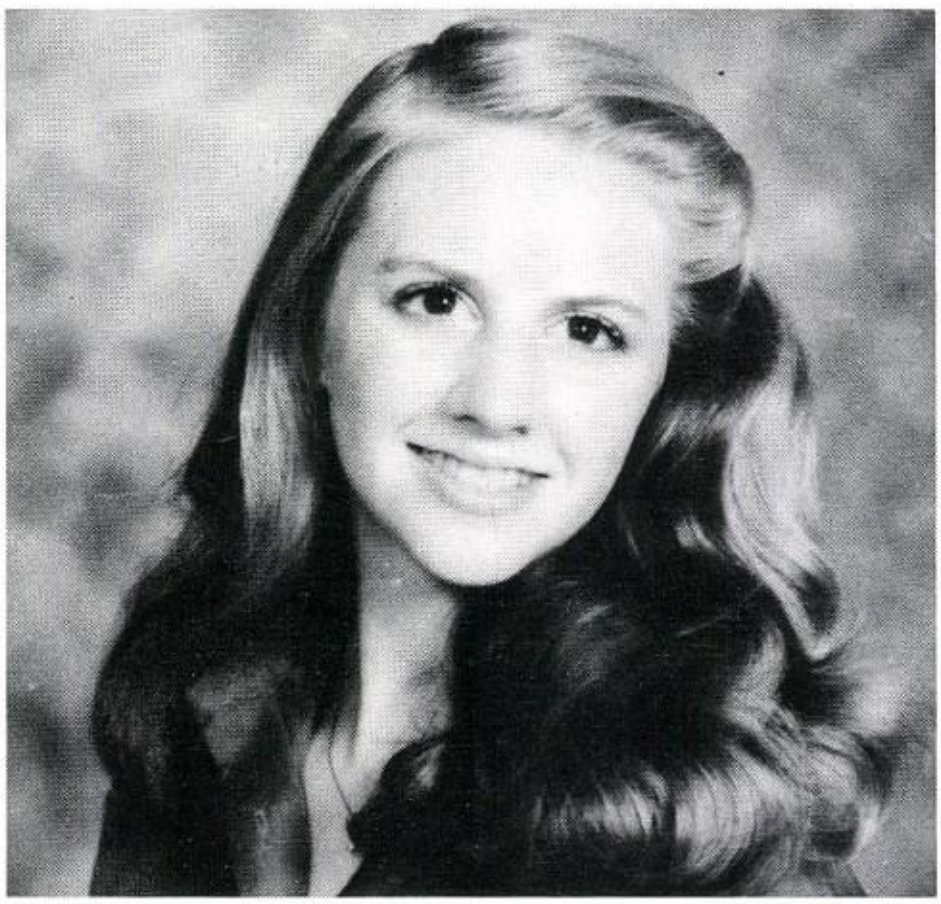
HONORS

OUTSTANDING



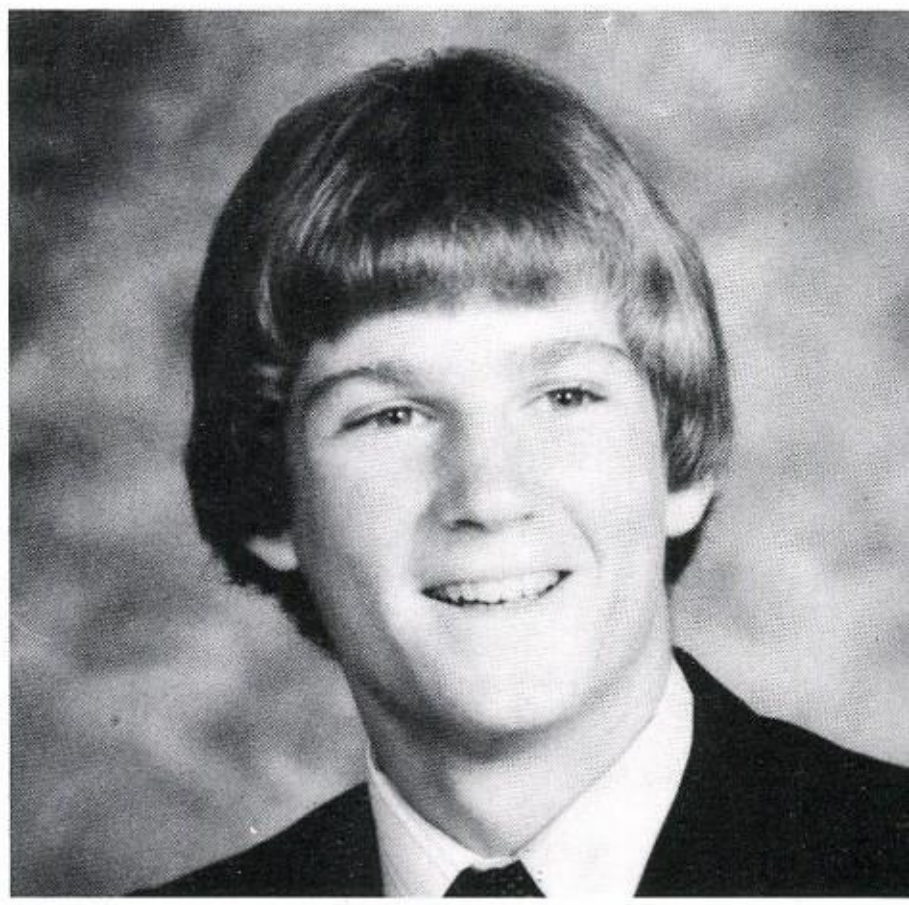
Joel McGee

Throughout his four years at CHS, Joel was involved in a great number of varied activities. These included basketball, Young Life, and student council. He was a four year member of the Latin Club, where he served as president his junior year. During his senior year, he was NHS president and sports editor for the FLARE. In spite of Joel's activities, he managed to remain at the top of his class and received a National Merit Letter of Commendation. Also, he was an active member at the First Baptist Church. Due to his outstanding achievements, Joel was elected to the Distinguished American High School Students.



Angela Seward

Active in school activities, Angela was in many organizations. A Golden Girl for four years, she served as Lieutenant her junior year and Captain of the drill team her senior year. Angela also used her dancing on stage in such productions as "Brigadoon," "Oklahoma," and "Finian's Rainbow." She has served in NFL, where she was chosen as an outstanding impromptu speaker. The Partners Club, Psychology Club, NHS, Leo Club, and Young Republicans rounded out Angela's four full years.

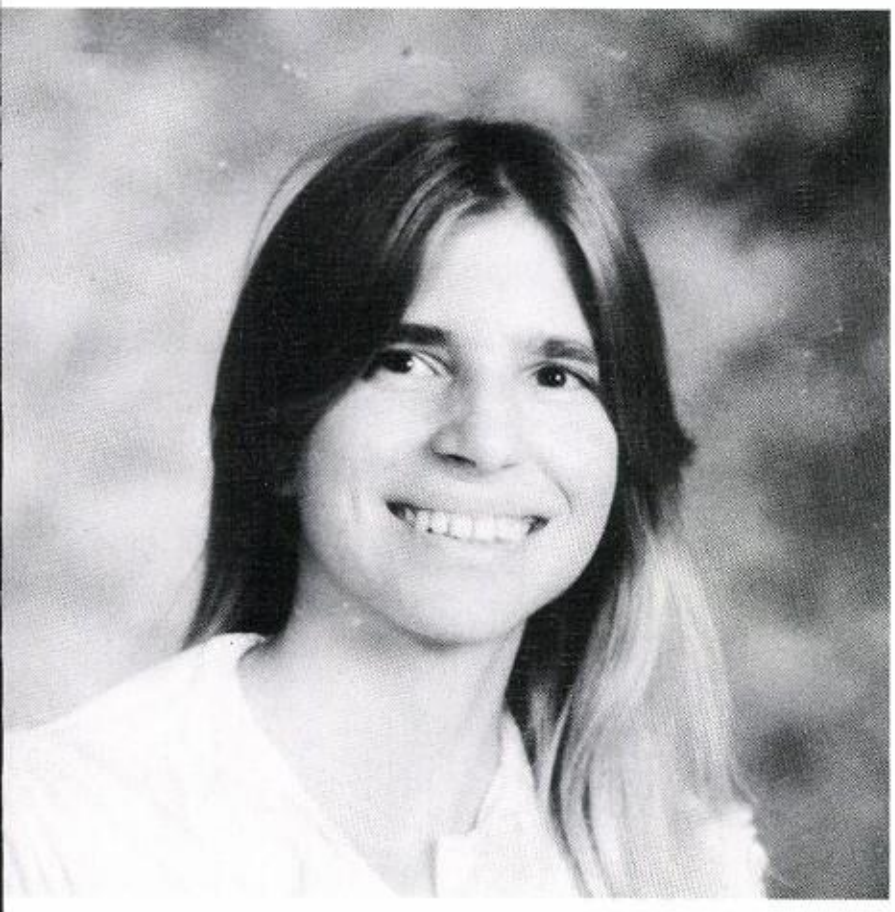


Mark Chancy

While being highly successful in various sports, Mark proved his versatility. Through his four years at CHS, he played tennis, football, and soccer. He did quite well in all three. He participated on the South Texas State Soccer Team the past two years. Also, he was versatile in the field of extracurricular activities. He was on the Debate team for two years, and his senior year, he served as president of the French Club and vice-president of NHS. Mark was also an active member of the First Presbyterian Church youth choir and fellowship.

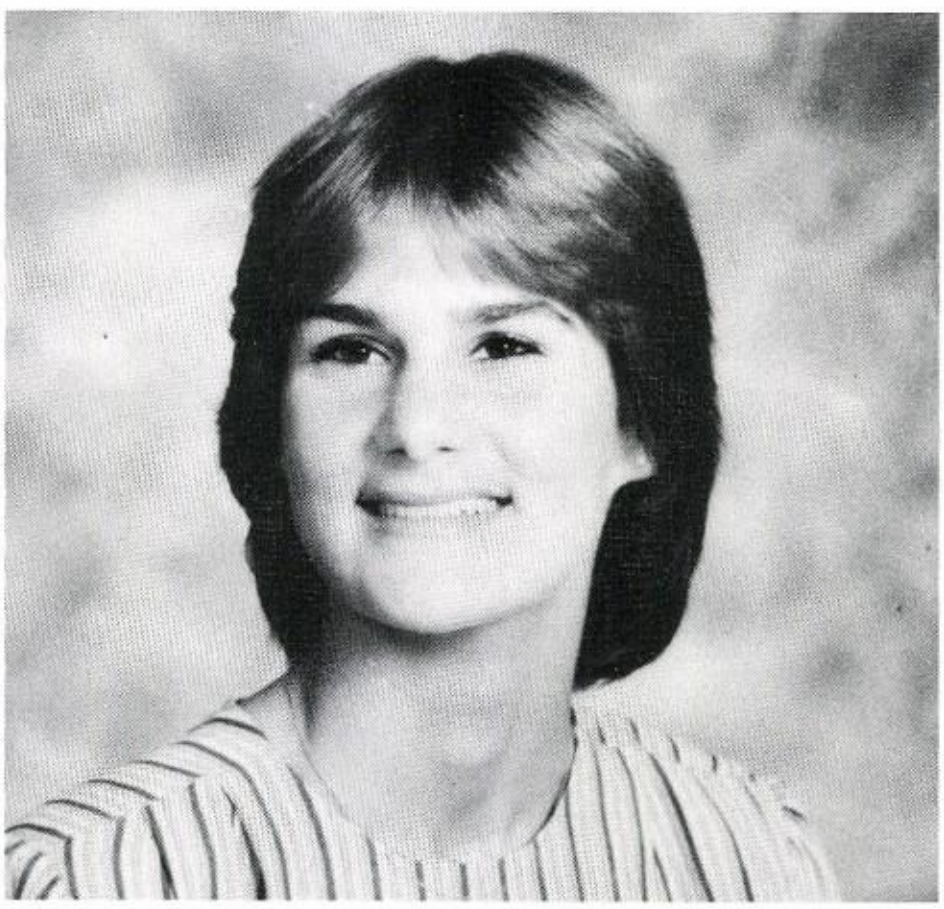
Kathy Craig

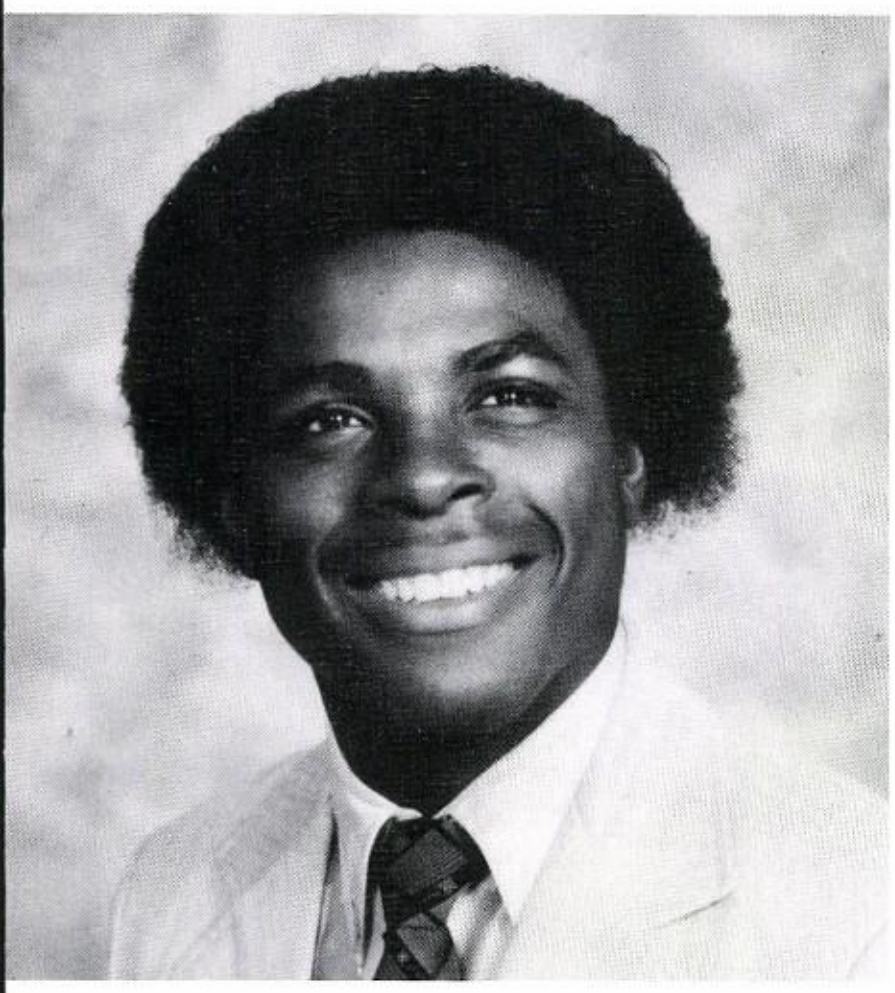
Kathy's hard-working attitude was reflected throughout her years at CHS. She has excelled with the Cross Country Team and Track Team in both local and state wide competitions. When she was not running, the Tigerette Club, the Industrial Arts Club, and the Science Club kept her busy. Also, she was treasurer for FCA and a member of NHS. Kathy was treasurer and president of a local 4-H chapter and a member of Who's Who Among American High School Students.



Amy Brock

Active in sports and extracurricular activities, Amy was a four year member of the track team and belonged to many clubs. She was captain of the track team for two years. Through the years, she has been a part of the French club, Key club, Partners club, Tigerettes, FCA, FLARE, and NHS. Her senior year, Amy was secretary of FCA and Activities Editor of the FLARE.





George Landry

Although he's known for his accomplishments in football, George showed an amazing amount of natural talent in many fields. From his performance on the field playing running back, he was recognized as a First Team All-District choice his junior year and an unanimous First Team All-District selection his senior year. Besides being a superb football player, he was an outstanding trackster. The Key Club was another one of his credits. George's ambition and effort will definitely take him far.

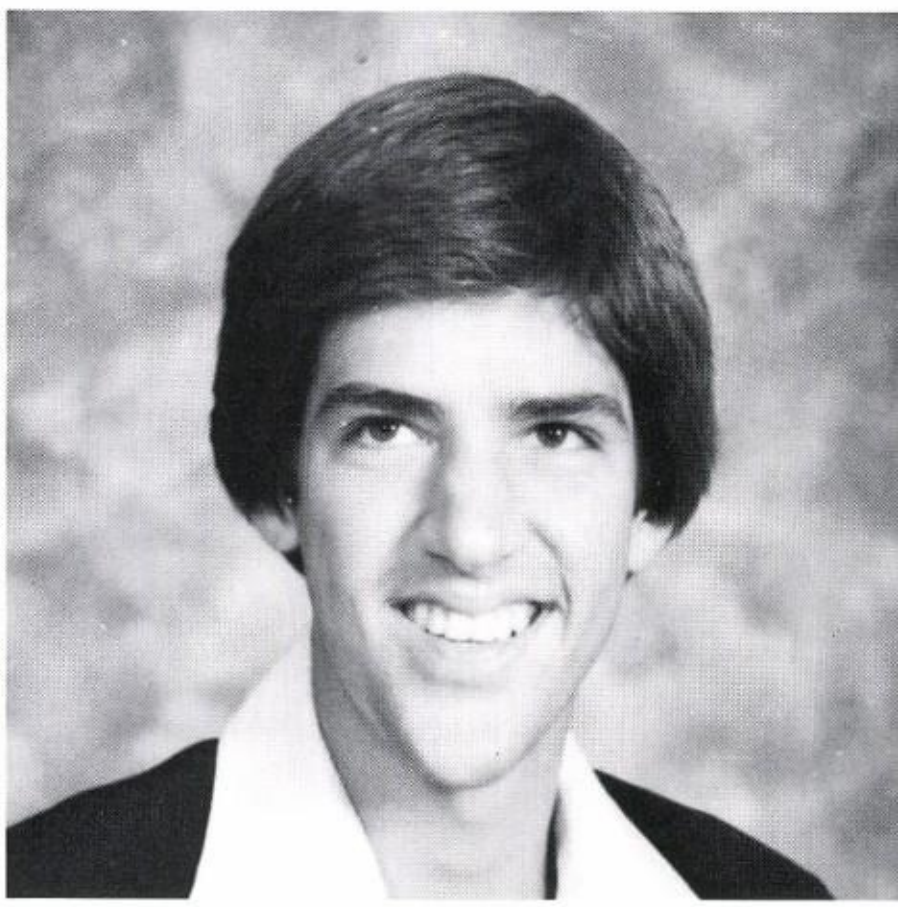
SENIORS 1982

Kym Brown

Kym was active in the CHS choirs for the past four years, three of those being president. When she was not singing, she was maintaining her grade point average and was chosen to the National Honor Society. She has also been a member of the Spanish Club, Partners Club, Key Club, Math Club, and Student Council. Kym was listed in Who's Who Among American High School Students.

Kevin Morton

The band played a major role in Kevin's high school days. Although he was a four year member of the marching band and a three year member of the symphonic band, he still found time for other activities. Among these were NHS, Math Club, Key Club, and a two year participant in the talent show. Kevin was also actively involved in the Conroe Youth Soccer programs and even coached a team his senior year. His hard work paid off when he was selected to Who's Who Among American High School Students.

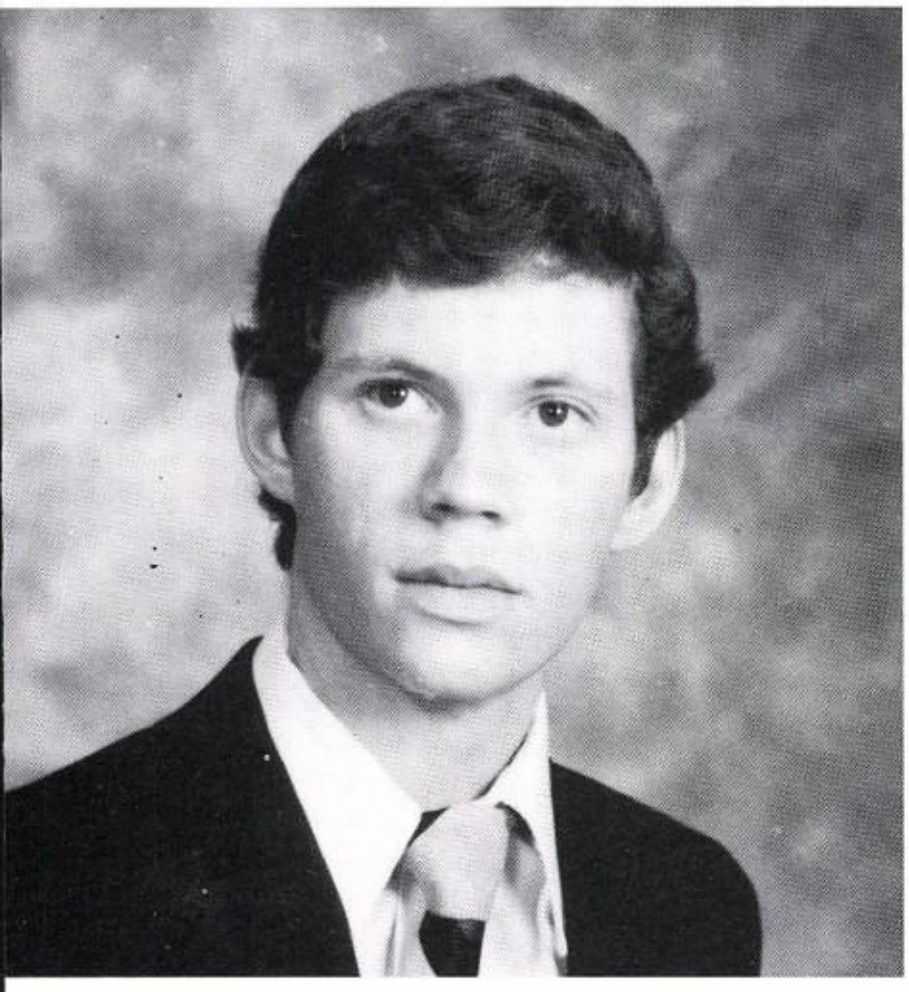


Lori Plummer

Lori did quite well dividing her time and energy between numerous CHS activities. Whether she was swimming or presiding over a club meeting, she always managed to maintain a smile. Her leadership and organizational ability were distributed throughout the Trioka staff, Science Club, Latin Club, NHS, and student council. Her senior year, she served as a major officer in each of the previously named clubs. She was honored by being both a Homecoming Queen Candidate and a Coronation Queen Candidate. Lori still found time to participate in the Presbyterian Church choir.

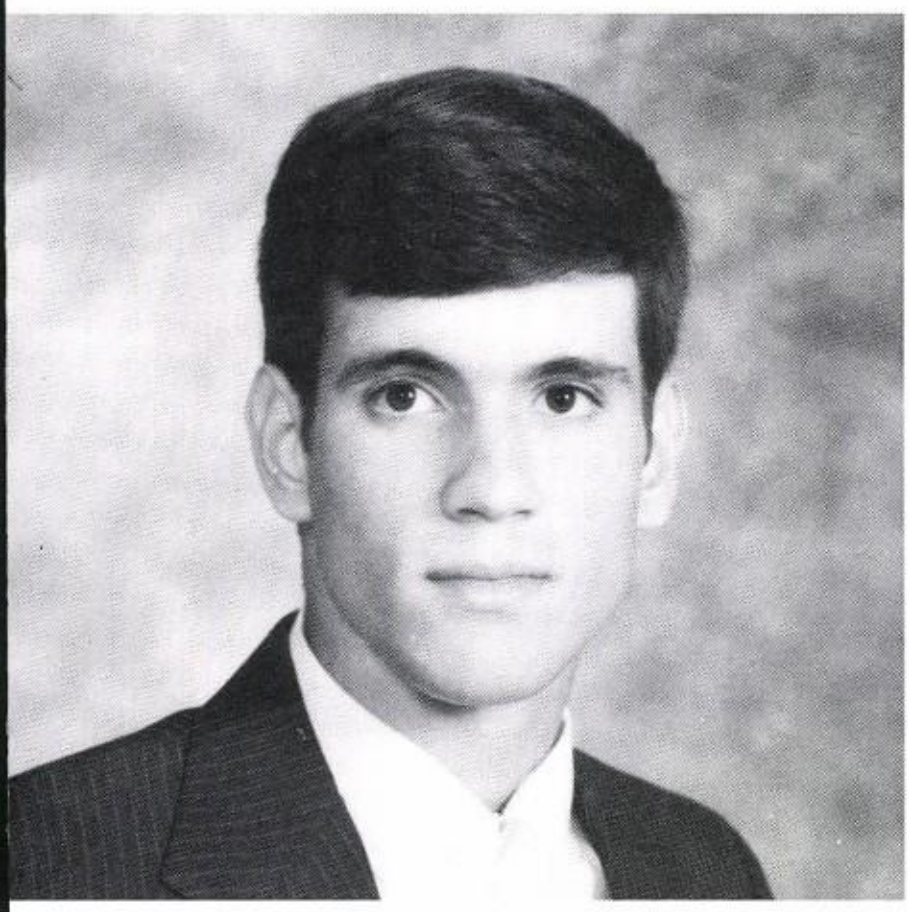
OUTSTANDING

SENIORS 1982



Wade Turnbull

Active in sports, student government, and school clubs, Wade had a full four years at CHS. His freshman year, he received the Billy Brannon Award, an honor given to the highest scholastic freshman football player. His grades remained high; therefore, he was inducted into NHS. Sports were a major part of his life as he played basketball for four years and was a statistician for the football team. Also, he was a member of FCA. He was chosen as Best Latin Student two years successively, but Wade could also speak the English language better than most. He was a representative to Boys' State and was Student Body President. To top off his years, Wade was chosen for Who's Who Among High School Students.



Joe Semanant

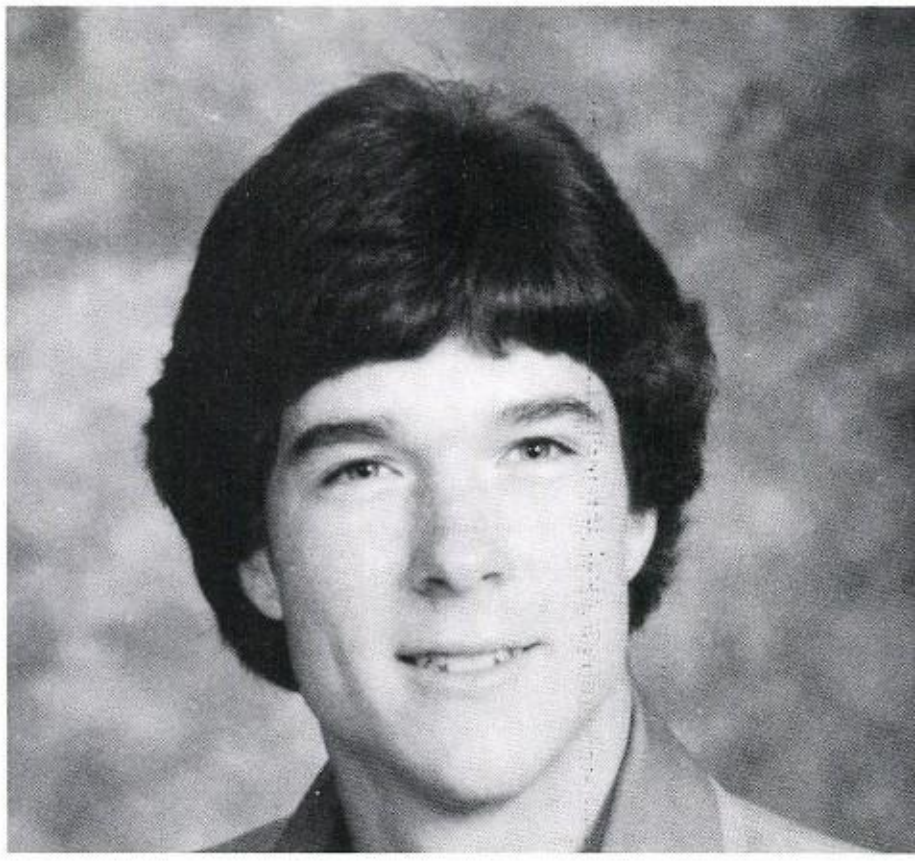
Maintaining a perfect scholastic average, Joe was named Valedictorian of his class. While maintaining his grades, Joe was a four year member of the Choir. Through the years, he has won numerous district and state awards. At the same time, he has won many applauds with his performances in "Amah!" and "Messiah." Singing was just one of Joe's credits. He has had excellent accomplishments in science research competitions, and the NHS was honored with his presence. Joe was an active member of the Catholic Youth Organization and was selected to Who's Who Among American High School Students.

Lee George

Participation in many activities has kept Lee's high school days busy. As a four year member of the Key Club, she gave much of her time to this organization. Other activities included the Spanish Club, Partners Club, Science Club, and NHS. Her senior year, she was the Math Club's representative to the Student Council. Athletically, she was a three year member of the tennis team. Lee was also a junior volunteer at Doctors' Hospital and is presently involved with the Sacred Heart Youth Group.

OUTSTANDING

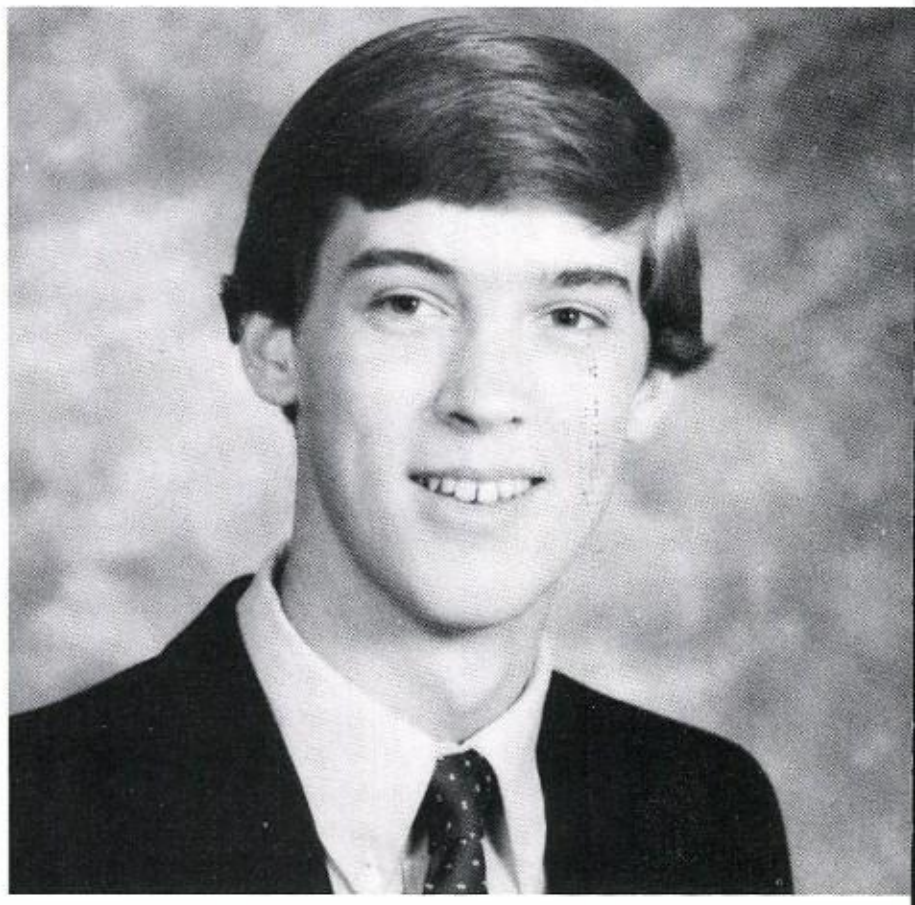
Neal David



Neal demonstrated his interest in leadership by participating in student government. He was a member of the Key Club, FCA, and Student Council. His senior year, he was senior class president, Math Club vice-president, and a Latin Club representative. His talents did not stop here as he was also athletically inclined, being a member of the baseball team. Neal was actively involved in church work at First Baptist Church.

Carol Barry

Being a highly intelligent and talented girl, Carol was continually involved in school and community activities throughout her four years at CHS. On campus, most of her time was divided between the music, language, and science departments. She was involved with the Conroe choirs, serving as an officer of the show choir, and has participated in area and state competitions. As for languages, Carol was a member of both the French and Spanish Clubs and also the Trioika Staff. In Science classes, she was presented an award for achievement in chemistry, and was invited to attend the Science Symposium at the University of Texas. Other honors which she received included membership in the NHS, membership in Who's Who Among American High School Students, and a recent nomination as a Distinguished High School Student. In the community, Carol was actively involved with the Youth Council of First Baptist Church. She taught piano lessons for three years and at the same time won awards in local piano festivals.

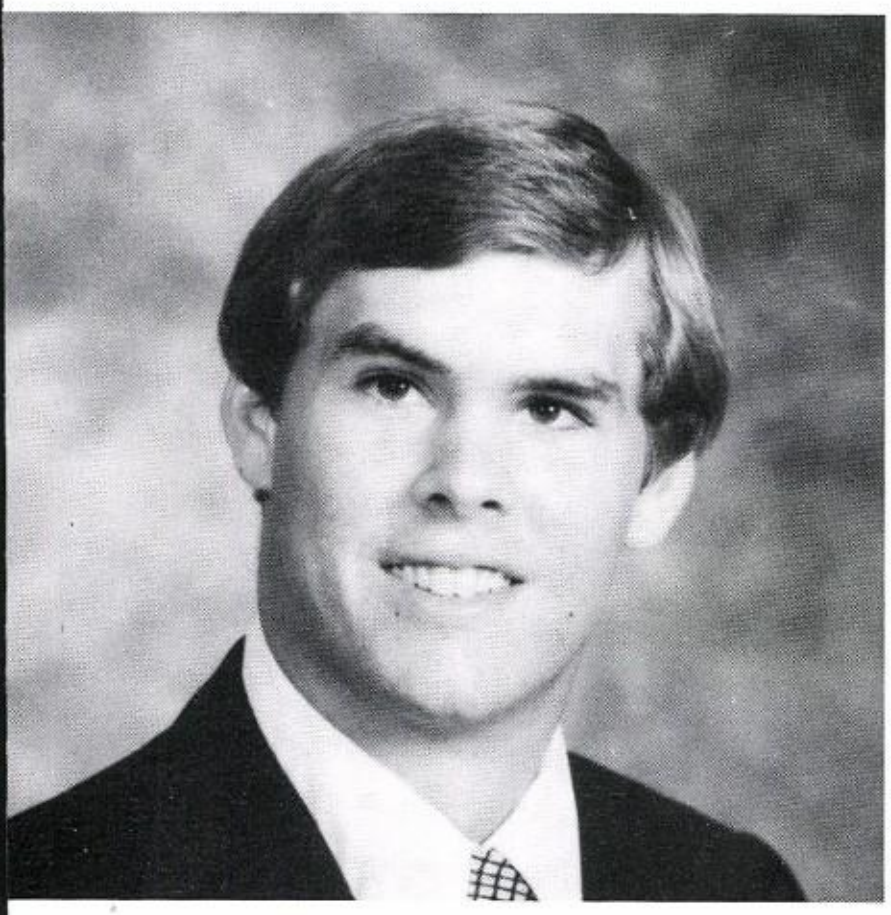


The Drama Club and NFL dominated most of Todd's four years at CHS. He was a member of the band his first two years, but chose to concentrate on his speaking abilities the latter two. He has won numerous awards in debate and was an active member of Thespians. Although Todd was not totally preoccupied with grades, he received the NHS induction his senior year.

Todd Wilson

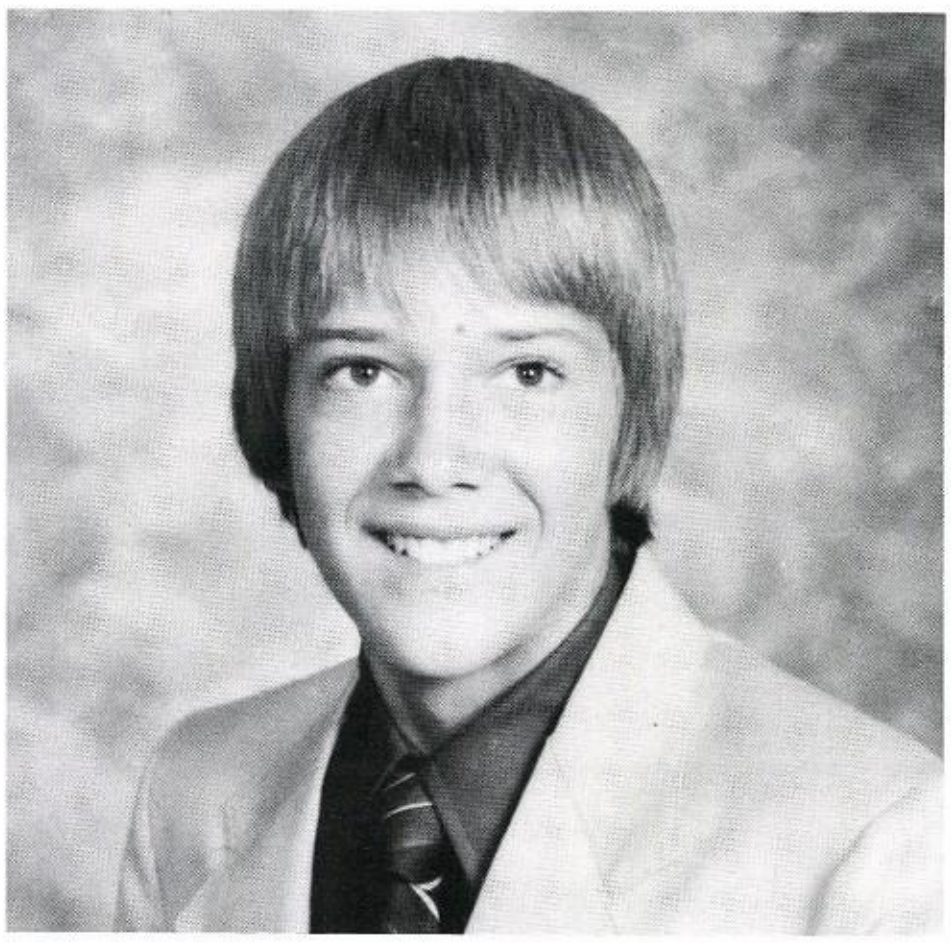
Craig Campbell

Through his outstanding performances in sports, Craig has proven his ability as an athlete. He was a three year letterman in football and a four year letterman in baseball. In addition to this, he served as president of his class his sophomore and junior years. He was a three year member of GSL; a member of the Student Council, Partners Club, and Key Club. Craig also served as FCA president his senior year. He was a fine credit to CHS.



Keith Jaeger

Keith's many awards and coveted sporting statistics demonstrated his flexibility. As a four year member of the tennis team, he was the District Champ his freshman year and Captain of the team his senior year. He has been actively involved with the science departments where he has competed in the local fair and the Houston fair. His sophomore year, he received the Best of Show award. More recently, he was one of the few to be a member of the Chemistry II Club. He has also excelled in the field of math as he has been a representative to the State Math Contest. Keith's involvement has not interferred with his studies as he was inducted to the NHS his junior year and was chosen to Who's Who Among American High School Students.

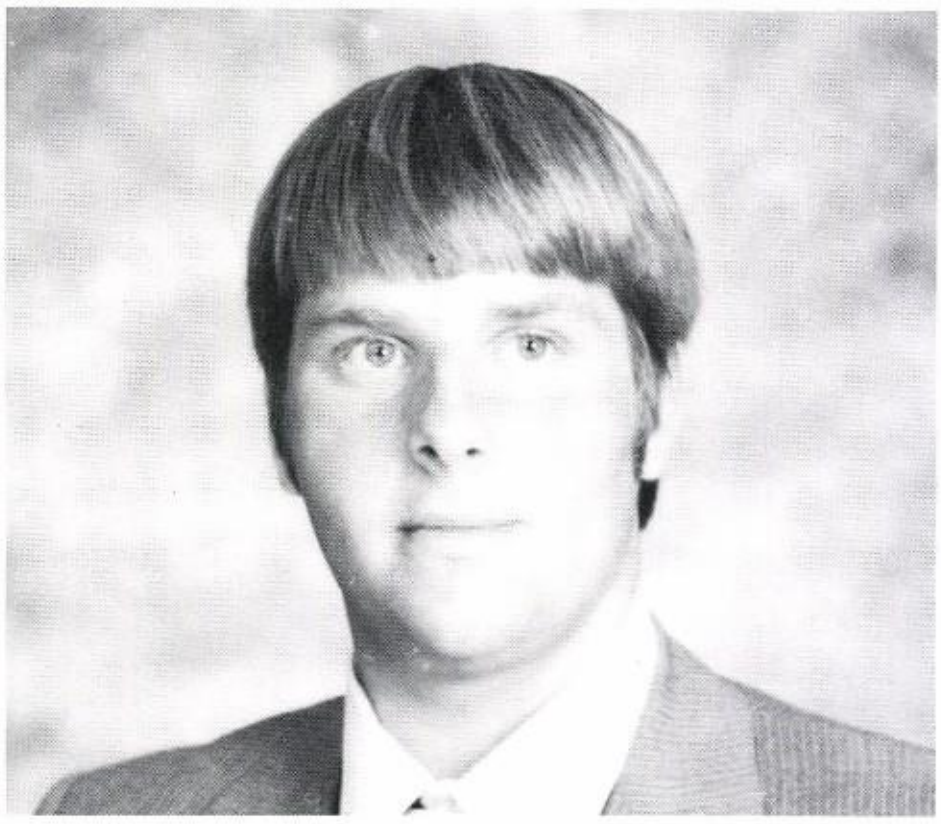


Lynn took on the big responsibility of being Editor of the 1982 FLARE. She still found time for other activities, such as the Science Club, Key Club, French Club, FCA, and Student Council. Her junior year she served as a cheerleader manager and was also inducted into NHS. Lynn served the community as well by doing volunteer work at Doctors' Hospital.

Lynn Harvill

Keith Cartwright

Keith filled his high school days with participation and enthusiasm in many organizations. He was a four year member of the Student Council and Math Club, serving as Math Club President his senior year. He was a three year member of the Bowling Club, serving as President for two years; and the FLARE staff, serving as Ads Editor his junior and senior years. Keith held an office in the Science Club for two years and also participated in the Key Club. Although he had little spare time, he was high salesman in the Junior magazine drive. His leadership ability was seen when he was chosen as a representative to Boys' State. His studies were not forgotten as he was inducted into NHS. As an award for his accomplishments, Keith was selected to Who's Who Among American High School Students.

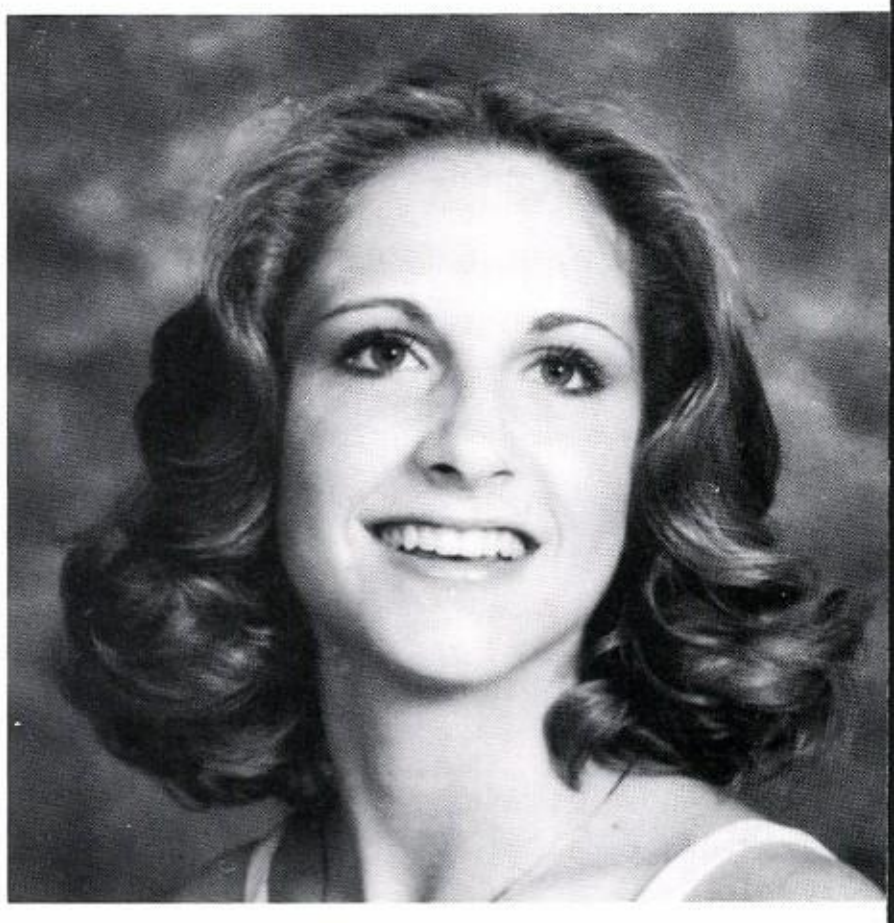


Lisa Foster

Lisa, better known as Munch, was active in a notable variety of high school organizations. After being in Golden Girls for two years, she became a Tiger cheerleader. Through the years, she represented her class in various offices.She has been very active in the Student Council. She was also very active as a four year member of the Spanish Club and served as their candidate for the coronation. Other clubs which Munch has been involved in included the Science Club, Partners, Key Club, FCA, and NHS. Among her many honors and accomplishments this year, she was elected as a Homecoming Queen candidate and a member of Who's Who Among American High School Students. Lisa also served as the Flare Queen.

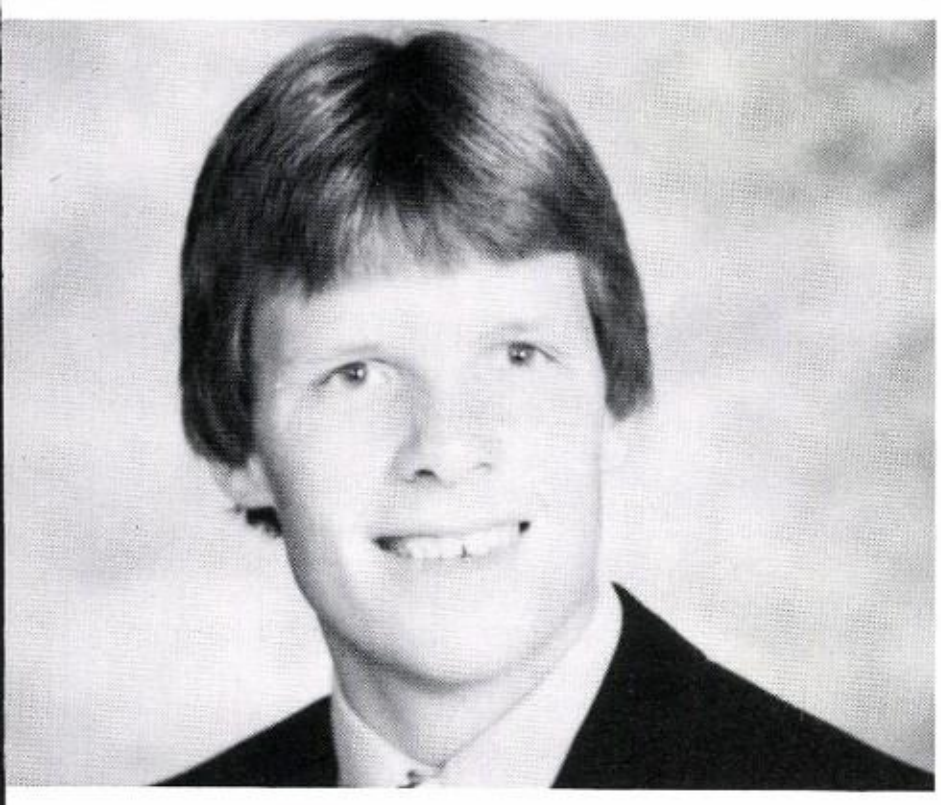
Katherine literally danced her way through high school, She was a four year member of the Golden Girls, seving as a Lieutenant her junior year and Major her senior year. The stage was not an unfamiliar place to Katherine as she danced in numerous school productions. She exercised other talents in NFL, Science Club, Spanish Club, Partners, Leo Club, and NHS. She also found time to be actively involved with the First Presbyterian Church's youth fellowship. Who's Who Am;ong American High School Students quickly saw the value of Katherine and inducted her into the elite group.

Katherine Reese



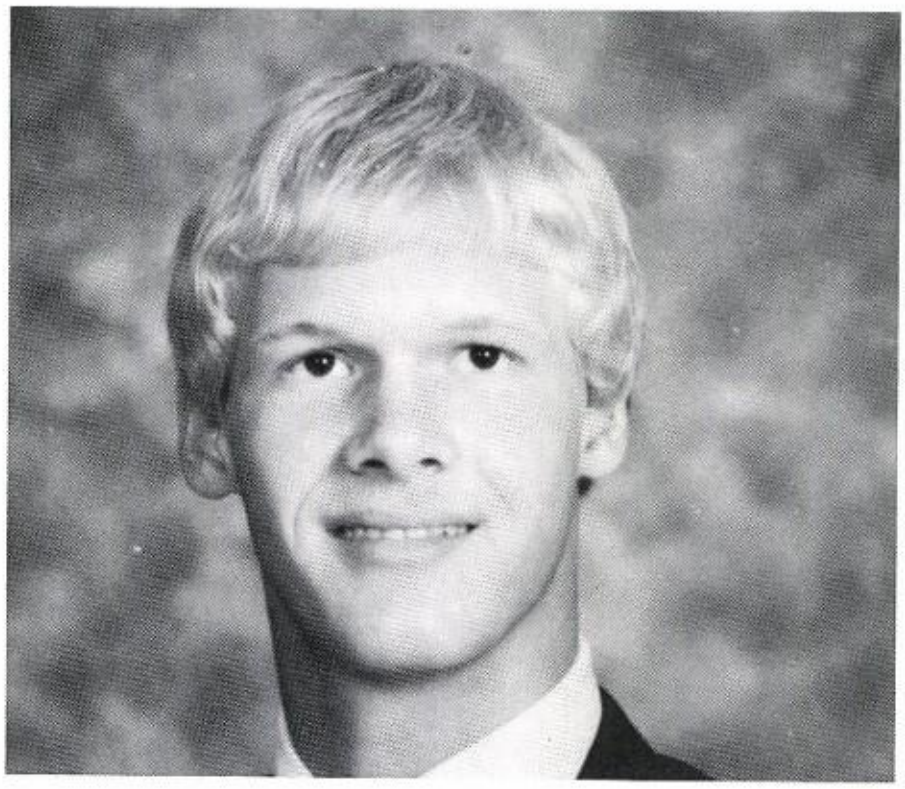
Jay Pond

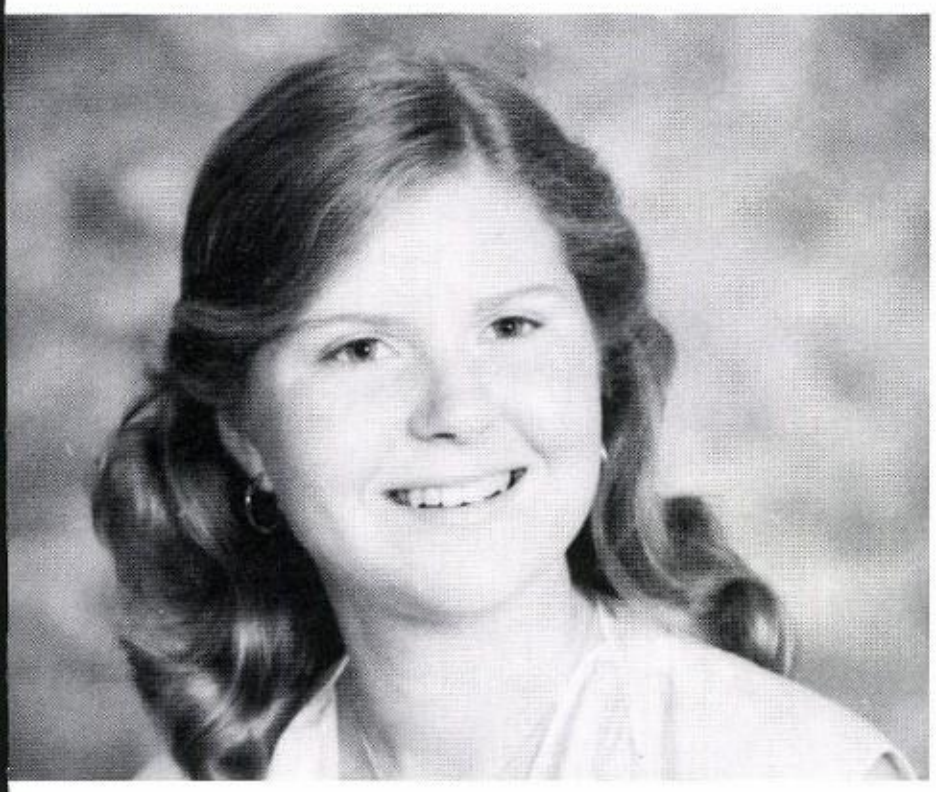
Jay represented CHS both at home and abroad. After displaying his skills in the Science Club, Spanish Club, FLARE Staff, and the Band, he decided to try them elsewhere. He spent his entire junior year as an exchange student to Norway. He managed to keep his grades up, thus being inducted into NHS upon his return. Jay was also welcomed back to the FLARE staff where he was a photographer.



Scott Stephens

Spending more time on field than off, Scotty excelled in both football and track. His outstanding play in football won him a position on the All-District first team his senior year. He showed his leadership ability through FCA, Key Club, Industrial Arts, and Partners Club.





Holding the position as a co-editor of the Troika was perhaps one of David's better accomplishments in high school. Along with this, he participated in the Science Club, Math Club, Cross Country and Track. Even while he devoted his time to other activities, David managed to maintain his grades and earn membership in the NHS

Each of these twenty-four exceptional students was Awarded the title of Outstanding Senior because of their uniqueness as well as their contribution to the school as a whole. These students earned this honor on the basis of character, academic achievements, extra-curricular activities, and qualities of leadership in and out of school. This section is a tribute to those especially outstanding in the Class of '82.

OUTSTANDING SENIORS 1982

Being a well rounded student, Diana has excelled in many organizations during high school. She was athletic as well as academically oriented, being both a four year member of the tennis team and a two year member of NHS. The Tigerette Club and Math Club, also occupied her time. In class, Diana was a leader and gave inspiration to others. Perhaps her greatest honor was serving as salutatorian.

Predistrict competition builds Tiger confidence

As the summer of 1981 came to a close, the Conroe Tiger football team began the traditional grind of summer two-a-days. The C.H.S. coaching staff was determined to shape the team into a winning one. When school began, (perhaps too soon for most of the student body) the football team was ready to go.

The first test of the Tigers' skill came at Aldine stadium. Here the Tigers found out that they still had plenty of room for improvement. The only other game that would ready the team for district play, was the first home game, which pitted the Tigers against a tough Lufkin squad. A loss in the game would have meant the worst start for the Tigers in several years. Conroe refused to give in to the Panthers, tallying up 31 points to defeat their opponents handily.

This win gave the Tiger varsity the confidence they needed to enter district play. As reigning district 16-AAAAA football champions, the Tigers were on the spot to do well in district play. In the first two games, several players gave outstanding performances. George Landry was devastating to the opposing defenses and led the Houston Area in rushing with an average of 139 yards for the first three games. Jackie Giddens led the offense proficiently from the quarterback position. Charles Haynes, Cornelius Haynes, and Reagan Greer provided depth in the backfield. The future certainly looked bright success in district play.

As fullback Cornelius Haynes blocks passrushers, Jackie Giddens spots a receiver in the flats.

On a veer option play, Jackie Giddens turns upfield for valuable real estate.

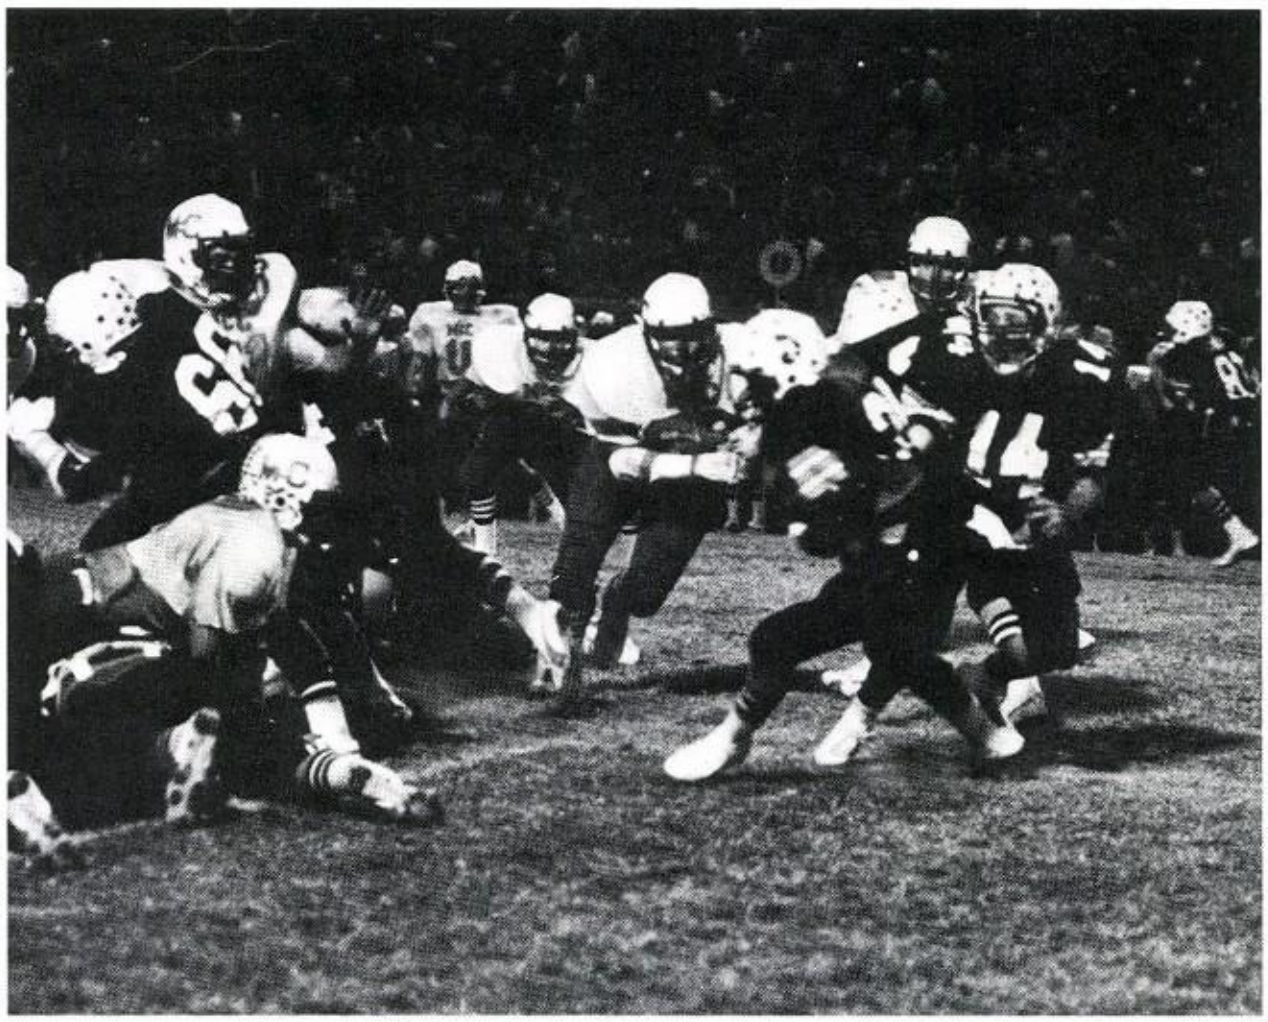
Conroe battles crosstown rivals

As the dominating force in District 16-AAAAA, the Conroe Tigers, as usual, were on the spot to prove that they were indeed the best. In the first district game of the season, the Tigers were unstoppable. They posted a 56-0 victory over Spring. Conroe continued to sweep district play, shutting out Cypress-Creek and Jersey Village. In the Cy-Creek game, the Tigers awed home town fans by scoring on the very first play of the game. Bruce Williams ran the opening kick-off back 90 yards for a touchdown. This type of explosive action was to become identified with the Conroe Tigers of 1981.

Continuing to dominate district opponents, the team improved steadily each week. The great depth of the Tigers was evident each game. When key players such as Craig Campbell and Mark Webb were injured, the reserves filled the positions well. Defensively, the Tigers were very strong. Juniors Jay Muller, Jimmy Nelms, and Mark Osborne were outstanding on defense. Sophomore standout, Ed Thornton was a great asset to the Tiger defensive line.

Seniors Danny Taylor, Danny Stouffer, Greg Jackson, and George Landry provided experience to the defense when injury to Senior Craig Campbell left a hole in the defensive ranks.

With two games remaining in regular season play, the Tigers had only to accomplish one more goal in order to obtain the district crown. On November 6, cross town rivals, the McCullough Highlanders, came to Tiger Stadium. The game was to be the deciding factor in the district race. The winner would represent District 16-AAAAA in post-season play. The game was a thrilling one. The Tigers scored on their first possession. It seemed like another typical Conroe blowout. McCullough, however, refused to yield and battled back to defeat the Tigers by a narrow margin of four points. The Highlanders would represent the district in the playoffs ... or would they. McCullough running back Danny Lyons was ruled ineligible and the Highlanders were forced to forfeit all of their games except the Conroe win. Strangely, even this decision was not to stand. The final decision would lie with the courts.



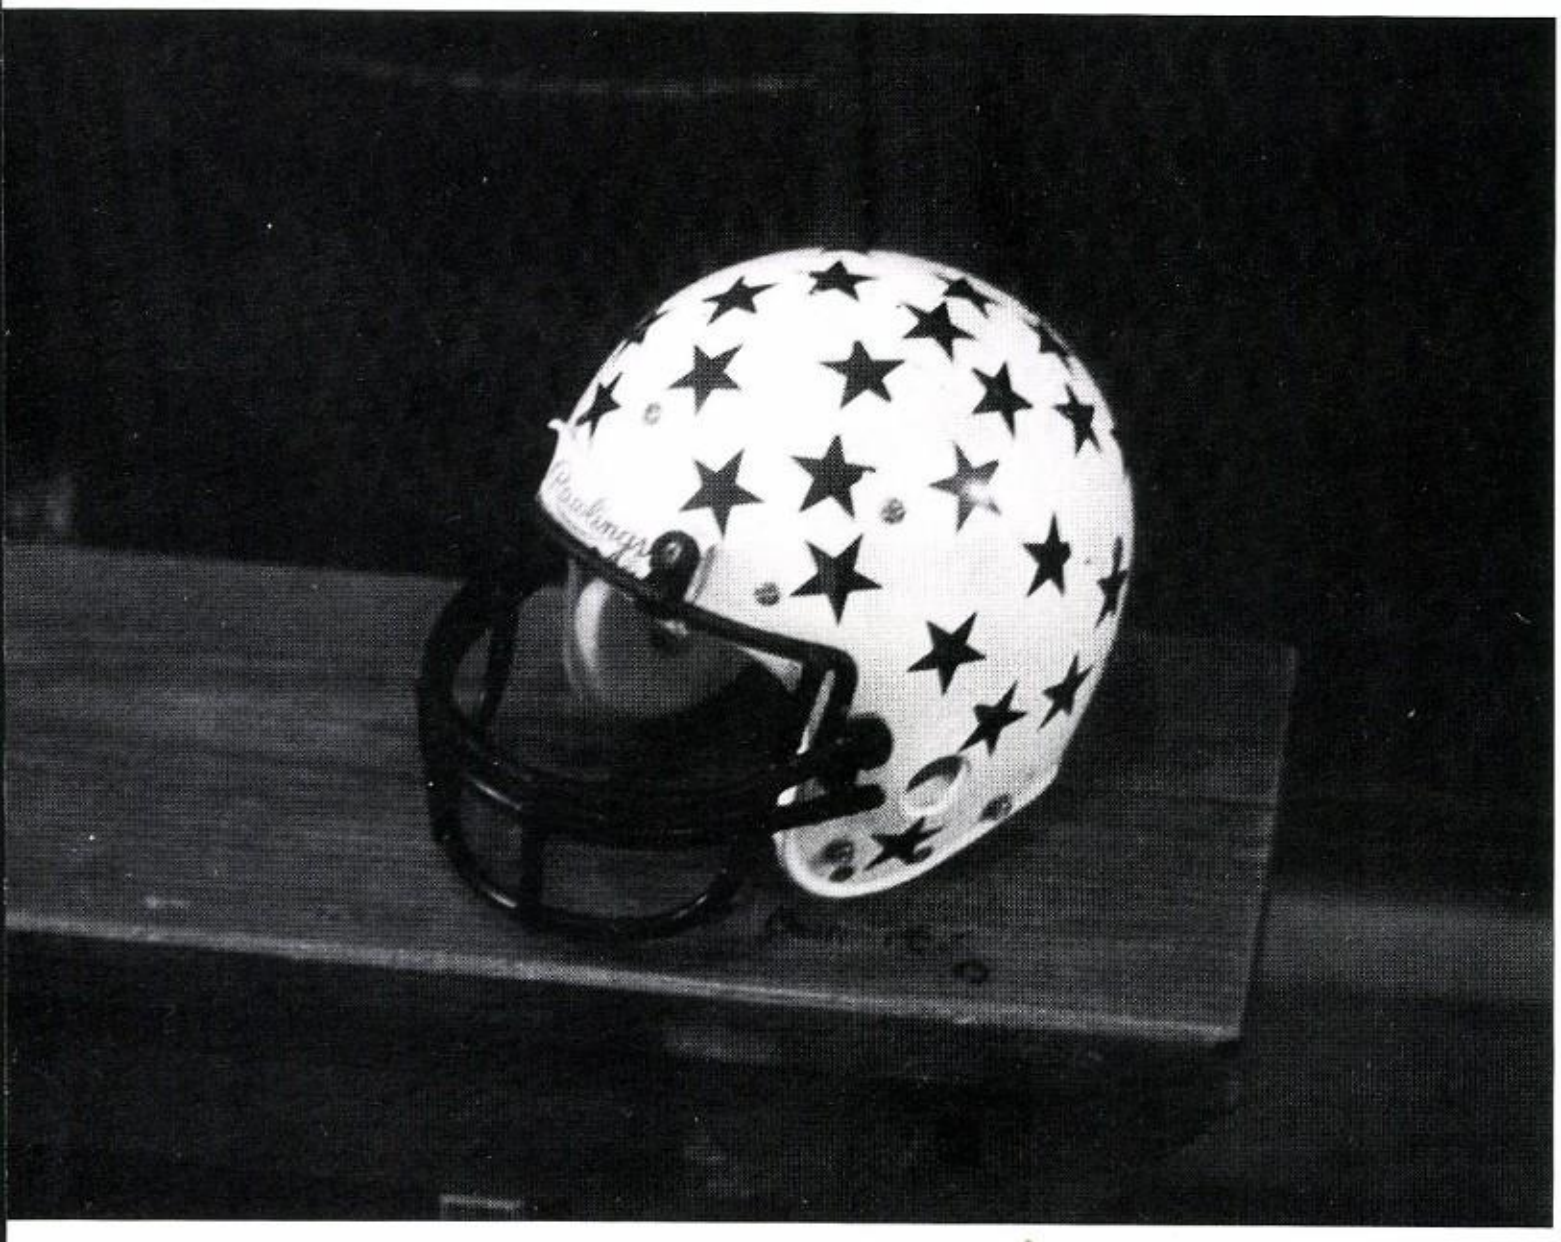
Quarterback Jackie Giddens hands off to Charles Haynes during the McCullough game.

Bright Hopes . . .

Salute to the Tigers

As the Tigers prepared for battle against Cy-Fair, the season was still in limbo. Both McCullough and Conroe finished off the regular season with wins over district foes. Lawyers for Danny Lyons, who was declared ineligible for a UIL rules violation, presented their case before a state judge in Houston. The judge issued a temporary restraining order which nullified the decision of the District 16-AAAAA Executive Board to make Danny Lions ineligible. At this point, State UIL officials hired a lawyer to attempt a reversal of the restraining order. This meant that as the Bi-District playoffs approached, both Conroe and McCullough would have to prepare to play the Temple Wildcats. On Thursday, November 19, the lawyers for Danny Lyons and the UIL presented their cases. The judge decided to uphold the previous decision. McCullough would represent the district against Temple on Friday night in College Station.

After four days of workouts to prepare for a game that would not be played and an entire season of accomplishments and disappointments, the Tigers were finished with the 1981 season. For senior players it was a sad end to a dream. They worked for the right to compete for the state title and were denied it because of a judicial decision. The Tigers, however, will not be remembered for what they did not do but for what they did. They lived up to the image of heroes made by past Tiger Teams. The cheer of our cheerleaders rang true . . . "We are proud of you."



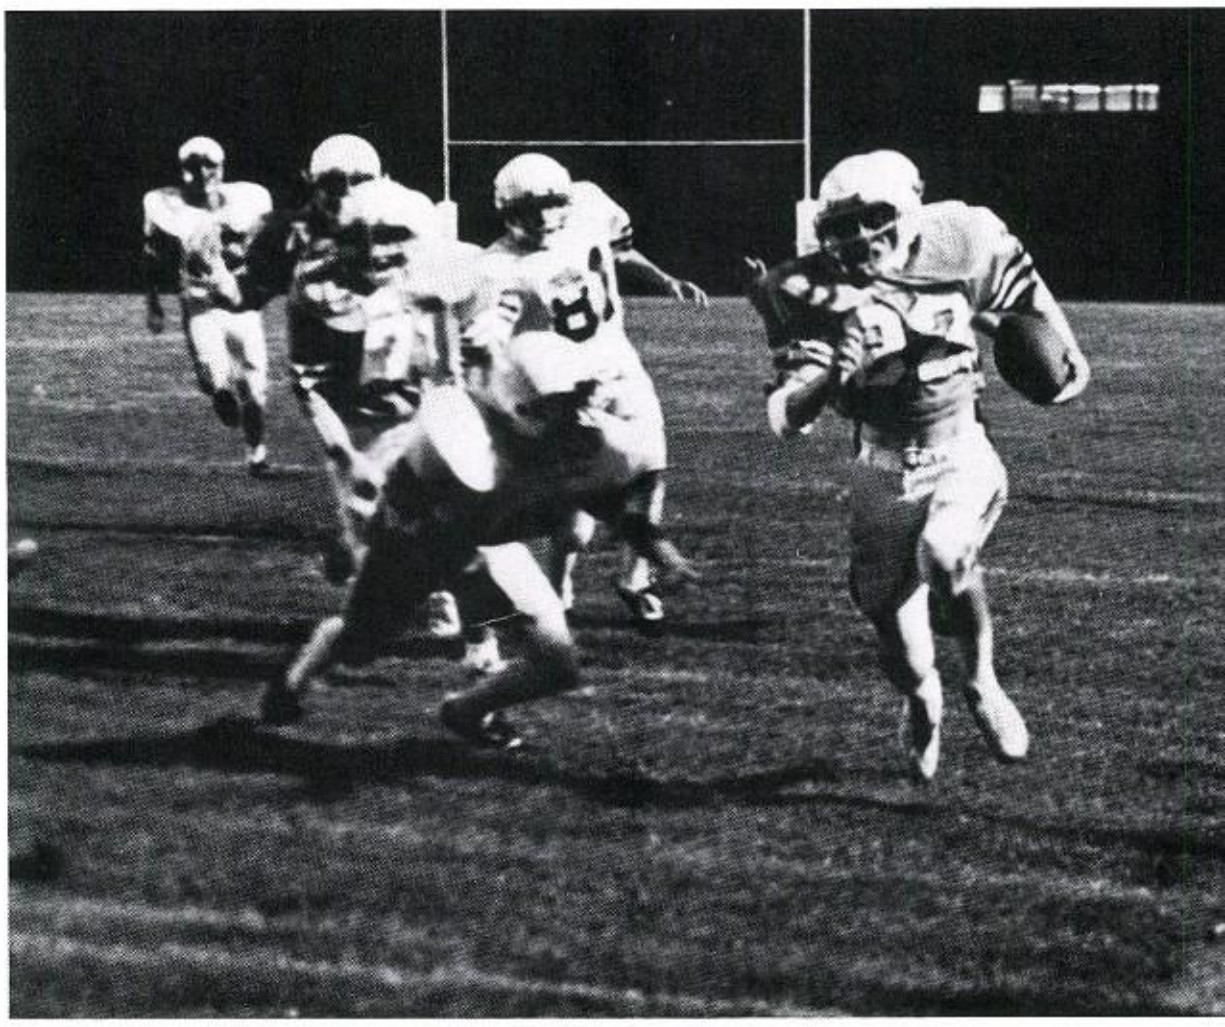
. . . and Faded Dreams

Effort Proves Effectiv

"Our team may have been lacking in talent, but they made up for it by giving 100% effort at all times and never quitting." This statement by Tom Braden best surmizes the 1981-82 junior varsity season. Under the leadership of coaches Mike Ferrell and Braden, the team finished the season with only one defeat in ten games.

In the deciding game for the district title, the team showed just how tough they were. Led by the attack of Duane DeRouen and Greg Yates, the tigers blanked the McCullough Highlanders, 28-0. With this win the tigers were the undisputed champions of 16-5A, despite an early season loss to Klein Forest.

Throughout the season the defense was amazingly strong, shutting the opponents in five games. The defense paired with the powerful offense proved to be an unstoppable force outscoring opponents 237-73.

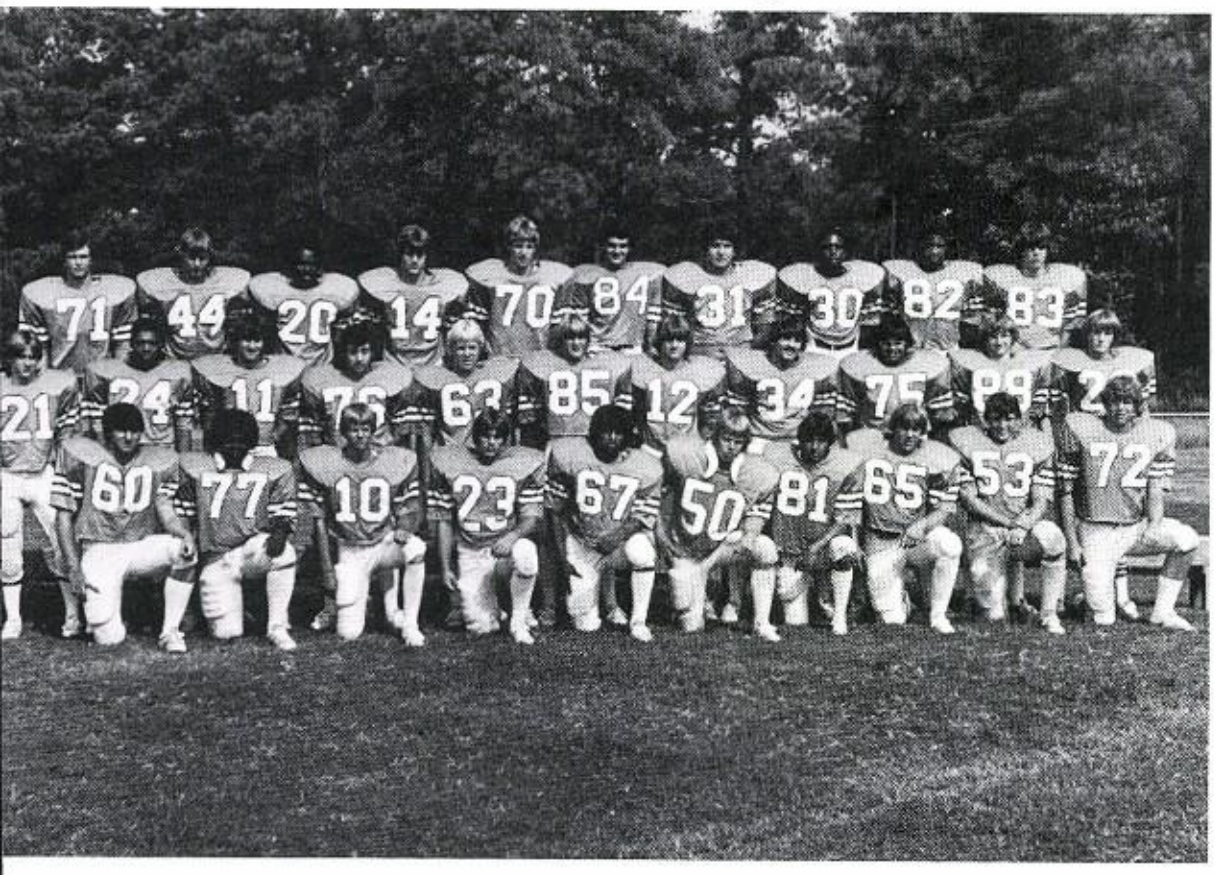


Mike Wathuber sweeps around the end for a big gain.

The 1981 Junior Varsity Team: (Bottom Row, L to R) K. Kinhult, D. DeRouen, D. Pippin, M. Phillips, B. Hamilton, L. Sallas, (Middle) Greg Bennett, L. Grumalaitas, J. Mondick, G. Carter, K. Cormack, (Top) M. Wathuber, C. Busby, R. Walker, G. Yates, J. Archer, D. Faught, T. McMillan.

Coaches Braden and Ferrell shout encouragement to players.

Sophs Strive To Improve



Losing many key players to the varsity and junior varsity squads, the tigers had a tough time in their struggle for the sophomore district title. After dropping the first two season openers, it was likely that the team might give up. But under the coaching and inspiration of David Webb and Bubba McGallion, the team rebounded and won four of the next five games. They finished the season with a 4-3 district record.

The team's finest performance came against Klein with a 49-0 shutout. Offensively the team was led by quarterback Darrel Austin and halfbacks Jeff Davis and Tommy Broussard. Defensive standouts were Jake Haden and Charles Kimball.

Freshmen Finish Unblemishe

With the goal of a perfect season looming in the distance, the 1981-82 Conroe Tiger freshman football team got their season underway. Led by new coach Ron Welborn, the team went into district play with two impressive preseason victories under their belt.

Due to an outstanding performance by the entire team, the first four opponents fell easy prey to the freshman squad. With two tough games remaining, the goal of a perfect record seemed attainable. Coach Welborn showed his optimism by saying, "We started the year trying to finish unbeaten, and I feel confident that we are going to make it."

The next opponents fell as easily as the first. Behind the excellent performances of David White, Donald Campbell, Chip Driscoll and Lance Reynolds, the team accomplished their goal and finished the year undefeated.

Supporting Cast

One of the most important groups involved in the athletic program at Conroe High is the training staff. This group of students, who take care of both prevention and treatment of athletic ailments, is vitally important to the success of our sports competition. Mr. Mike Saly and Miss Karen Dove are the professional trainers who supervise all the activities of the trainers. All student trainers are required to learn techniques in taping and treatment of athletic injuries. The importance of a qualified training staff was evident during the Lufkin football game when defensive back Craig Campbell broke his neck making a tackle. An injury of this sort can result in permanent physical damage. Craig was handled very cautiously and made a full recovery. There were no Seniors on the 1981-82 training staff, but Juniors Greg Horne and Justin Finke provided the necessary experience for a good medical training staff. With two such fine trainers back next year as well as a good group of underclassmen, the Conroe Sports program is in no danger of being without sufficient medical attention in 1983.

Conroe Swims Their Way to District

The Conroe Tiger Swim Team led a hard and long 1981-1982 season. The year started with three hour practices and increased to an hour and half workout before school and continued for two and a half hours after school under the excellent instruction coach David Hellard. To perfect their swimming technique they did a number of drills such as flip-turn and kick drills. All workouts were done in high hopes of winning the 16-5A district championship and then moving on to the state meet. With Holly Schminkey leading the Tigers diving team, the Conroe team has high chances of being "state bound."

Coach Hellard quoted earlier in the season that "the Conroe High swim and dive teams are probably the most dedicated team that I have ever coached." The Conroe High Swim and Dive Teams are determined to go ALL THE WAY TO STATE!

Spikers Jump High

Under the experienced coaching of Mary Jo Parker, the Conroe High School volleyball team looked forward to a very successful season. As the season got underway it was evident that this would be a successful season for the Conroe Tigerettes. With outstanding performances from Jana Geise, Jennifer McKeel and Karen Tosspon, the team jumped to an early lead in the district 16-5A. In an important game against the Spring Lions, Conroe Tigerettes were defeated 12-16; 6-15. Despite the loss the Tigerettes remained in the top of the district rankings. The Conroe Tigerettes, winning eleven and only losing five, occupied the number two spot in the district 16-5A.

Coach Parker stated "the team's attitude this year was terrific, and next year the team is going to be young but it should be a good team."

Carter Captures Best Season Yet

Backed by several strong runners and great team desire, the Boys Cross Country Team was a dominating force in the 16-5A district. Under the excellent leadership of Jerry Carter, the team did nothing but improve as the year went on.

As the Harriers began their year by winning 4 meets, the long hours of practice and coaching began to pay off. Conroe runners Scot Hayward, Tommy Travis, and company proved themselves as top competitors in our district. Crossing each bridge as they came to it, the team easily qualified for the district meet.

Once at the District meet, the team sported a second place finish and became one of the teams to beat in our area. With a second in district, the Harriers automatically qualified for a spot in the Regional meet.

After arriving at Pasadena, the Tigers outstrided most of the competition and gained a team second. In typical style, Scot Hayward earned himself an individual first. With their excellent finish, the team was then state bound.

At the state meet the Harriers posted a 8th place finish. Tiger runners Scot Hayward and Greg Heine had excellent performances.

The Harriers had one of their best seasons in the 1981-82 year proving that every year teams only improve. Coach Carter best surmised the team and their performance with his comment, "The best we've ever had!"

Quality Not Quantit

Despite the lack of runners on the varsity level, the girl's cross country team was strong in all the events they entered. With only two members on the varsity squad, Coach David Greenfield was forced to rely on the individual efforts of senior Cathy Craig and sophomore Rhonda Hocks. Craig who is a four year letterman at Conroe placed first, or among the top three in every event she entered. Her fine efforts gave her a 3rd at the district meet followed by a 7th at regionals which qualified her for the state competition at Southwestern University. Hocks, the other varsity team member, looked promising at the beginning of the year, but was overcome by illness about midway through the season and was unable to fully recover by the district meet. The junior varsity squad had its troubles, but finished a well earned third place and should do well as the varsity next year.

Cagers Fall Victim to Inexperience

The 1981-82 basketball season held many disappointments in store for the boy's varsity team and new head coach Louis Zastoupil. The players' optimistic attitude and high spirits just weren't enough as they won only three of thirteen pre-season games. It's always tough for a team to lose a close game and then try to be ready for another just a few days later. By the end of the first half of district play, the Tigers had lost an astonishing eleven games by three points or less. Senior cager Wade Turnbull had this to say about the disheartening losses, "It's really tough to play hard and lose a close game and then try to forget about it and face the next opponents."

After a cliffhanger loss to archrival McCullough at home, the team might have thrown in their towels, however, the Tigers rallied back the next week to a grueling come-from-behind-victory over the defending district champion Spring Lions. At the end of the first half of district play, the Conroe finished with a disappointing 2-6 record.

As coach Zastoupil and his cager squad worked diligently to turn their season around, in the second half of district, the coach said, "There's not an ounce of quit in this team."

JV Startles Opponents

With coach David Howard at the helm, the Boys J.V. Basketball Team started out their season with daily drills and practice. Many long, hard hours were spent scrimmaging the Varsity, as the Tigers began to look tough. The long practices paid off, as the team won its first ten opening games. Obtaining an excellent record throughout the year, all the players deserve praise. Creig Coyne and Bruce Williams showed such improvement that they were moved to the Varsity level. At season's end, quite a few opponents had felt the mighty Tiger crunch. This year's J.V. team is proof that the Conroe Tigers will be the cream of the crop in years ahead.

Tigerettes Rebuild in Season of Transitio

The 1981-1982 season was a trying season for the young Tigerette team. The season started out with the Tigerettes playing the top ranked teams in the state of Texas. As the season grew nearer the Tigerettes got back on their feet again. They played in the McCullough tournament, in which they won, beating McCullough in the finals.

Under the leadership of Coach Marsha Porter, the team was working harder and gaining more confidence with each day's practice. Although the team was young, it consisted of a lot of talent, such as that of Freshman Kim Buckner, and that of Sophomore Donna Giles. All lettermen will be returning next year.

JV Reaches For Victory

Starting out with tough daily practices, the Girls J.V. basketball Team started out the season with high spirits. Coach Babette Eikenberg ran her team through tough daily drills and coaching sessions, as the team's improvement was quite obvious throughout the season. At the mid-point mark, the Tigerettes were among the top teams in the District. Players Laurie Beiwein, Shelly Beiderman, and Paula Rice helped keep the team tough against strong opponents. Girls basketball has always been somewhat of a tradition here at CHS, and the Girls J.V. team certainly did its part to keep our hopes up. Hoping for an excellent District ranking at the season's end, the Girls continued to strive toward victory as the year went on.

Netters Ace Opponents

The Conroe netters began their '81-82 year with many long and hard hours of practice. The year certainly looked bright, as top players, John McCauley, Keith Jaeger, Maria McGivney, Kathy Golley, and Diana Higgins showed promise.

Fairing well at several dual matches, the team began to realize some of their goals. New coach J.R. Ritchie led the team through rigourous daily workouts and practice drills. Competing in a few winter tournaments. the tennis team took home quite a few respectable finishes. As always, this year's netters remained a feared opponent in the 16-5A district and can look forward to a bright future.

JV — A Potent Tiger Weapon

The junior varsity, this year, as always was a stepping stone for "varsity players to be." The junior varsity practices as hard, perhaps harder than the varsity team does. This season, the JV attained an excellent record in dual matches against other schools. Under excellent coaching from J. R. Ritchie all the players improved greatly during the 81-82 season. Conroe JV, as in years past, proved as good or better than many schools varsity teams. Excellent players for the JV this year include: Stephanie Powell, Jennifer Staples, Mike Landry, and Paul Van Dusen. The '81-'82 junior varsity tennis team deserves congratulations.

Girls Stride For Excellence

Under coach David Greenfield, the Girls Track team started their season with strenuous after school practices and drills. Concentrating on all aspects of track and field, the girls proved especially strong in the running events. Tigerettes Carroll Glenn, Amy Brock, and Dora Foots looked very promising as the season began. Coach Greenfield, always a favorite among the students, once again proved his prowess as the girls continuously improved. Anticipating an excellent District finish, the youthful Tigerettes viewed the upcoming season with typical Tiger pride.

With the first track meet on February 18th, the team was hoping to enter every event possible. The 16 5A district is considered one of the toughest in the state, and Conroe's girls were well tested by season's end. All throughout the year, opposing teams expressed their fear and respect for Conroe's team. Standing by a Conroe tradition, the girls kept everyone's respect and pride high. With so many top competitors and supporters, no wonder the Girls Track is always tops in our area.

Coach Greenfield works on his strategies.

Tracksters Anxious for District Titl

Anticipating a triumphant season, Coach Jerry Carter began the laborious task of molding his track team into a top contender in district 16-5A. The team was definitely young; however, their strength in the hurdles with seniors Scott Stephens and Steve Carlson and Junior Paul Brown, combined with the outstanding speed of Phil Kellen and George Landry gave the team the experience they needed to dominate the opposition. Depth also came in the field events from the experienced pole vaulting of senior Robert Stout who placed fourth at the regional meet as a junior.

The boys' painstaking workouts proved their value as the cindermen controlled 16-5A meets. Coach Carter's leadership and expertise helped to enable the team to stretch to its fullest potential and many runners qualified for the regional meet.

With such an abundance of talent and hardworkers, the 1982 track team produced a successful year. Being a powerhouse in '82 left no doubt that next year's team would be tough to beat.

Striving to quicken their pace, Greg Bennet and Cliff Jackson work on their 880 yd. run.

Young Team Upholds Old Tradition

With a new head coach leading the way, the Conroe Tigerette golf team opened their season with tryouts at River Plantation Country Club. The tryouts were held for two weeks, and the girls who posted the best scores made the team. After the members had been chosen, the team consisted of two juniors, five sophomores, and three freshmen. The girls did, however, retain four lettermen from last years squad and all were experienced golfers.

As the season got underway, after school workouts became common place, and the practice seemed to be paying off as the team finished the first half of the year with an excellent dual match record. Long hours of practice at the driving range had the girls confident in their swing. As the district tournament grew nearer, the girls were anxious for their shot at the 16-5A title.

Depth Gives Swingers An Edge

Although competition doesn't begin until late January, the boy's team starts early in the fall with after school workouts. Nine returning lettermen combined with many freshmen and sophomores trying for a spot on the varsity, gave coach Freddy Creed the experience he needed to produce a winning team. The teams depth set them as easy favorites for the district 16-5A crown.

After impressive wins over archrivals McCullough and Klein, the Tigers were ready for the district tournament. Junior Jay Legg expressed his optimism by saying, "I feel confident that we will finish first and second at the district and regional meets, and we should place at state also."

Returning lettermen Donnie Massengale, Scott Perdue, Daryl Walker, and Billy Maddox, proved their worth again with outstanding performances in clutch situations. As the district tournament grew nearer the team's hard work and determination paid off.

Ferrell's Boys Favored in District Race

As spring came in 1982, baseball was the foremost thought in the minds of several Conroe High School students. Confident that they would fare well in their quest for the coveted state title, the Tigers began to work toward this goal. This confidence was not based on false hopes. Several returning starters and an excellent record in summer American Legion play were the basis for the Tigers' high hopes. Coach Ferrell depended on his fine pitching staff and a group of excellent hitters to bring victory in 1982.

The pitching staff was anchored by Seniors Scott Deskins, Jackie Giddens, and David Wong, and Junior Darrin Bartel. Deskins, Giddens, Wong, and Craig Campbell were important assets in the hitting department. However, these were not the only standouts on the team. Several other fine players contributed to the outstanding depth of the Tigers. With the combination of good coaching, good hitting, and a tough defense, the Tigers were destined to go far in 1982.

SHE LOST 41 POUNDS

and it took only 15 weeks!

"I can't believe I'm me! I have a lot more than just a new shape, I have a new life. I have more energy and a lot more fun now and I learned how to stay slim and healthy for the rest of my life!"

Scot Stacy will tell you

HE LOST 20 POUNDS

and has never felt better!

"Staying on the Diet Center program was a lot easier than I thought it would be, especially when my friends stopped teasing me about my weight and started telling me how much better I looked.

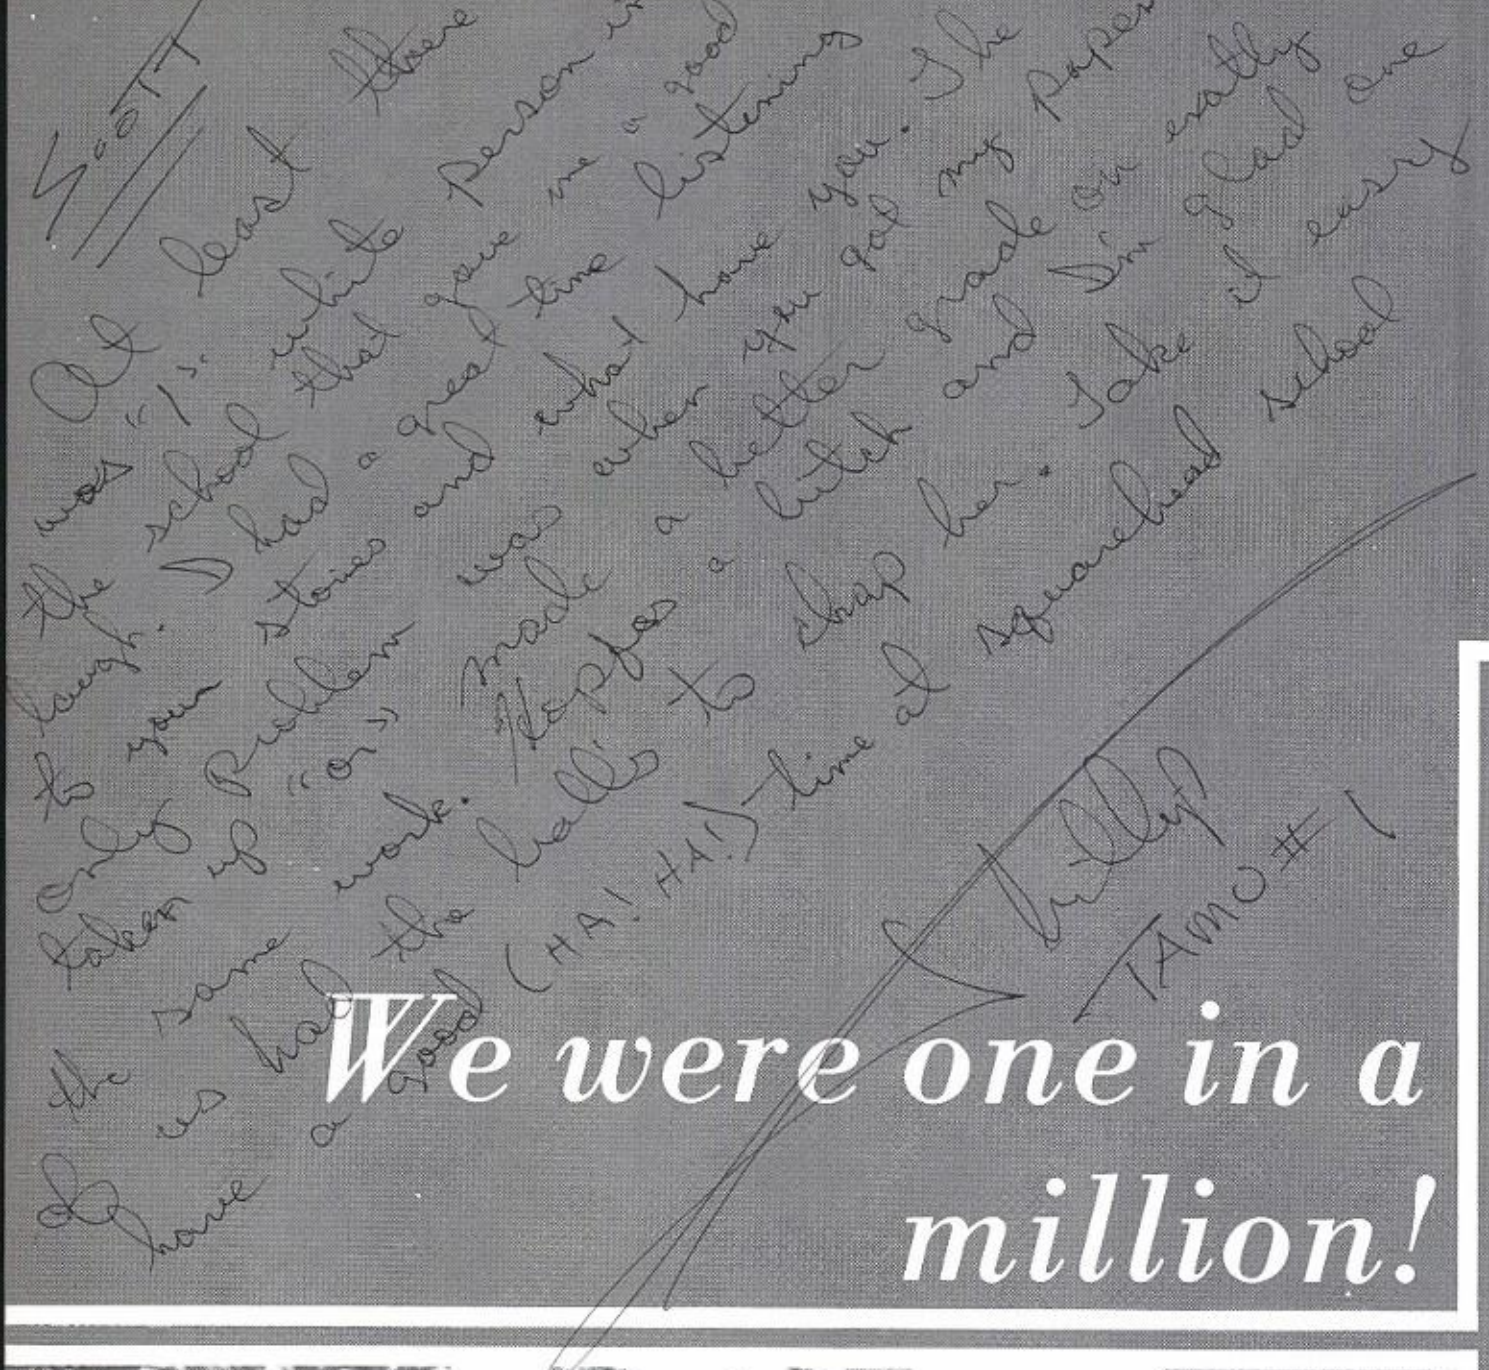
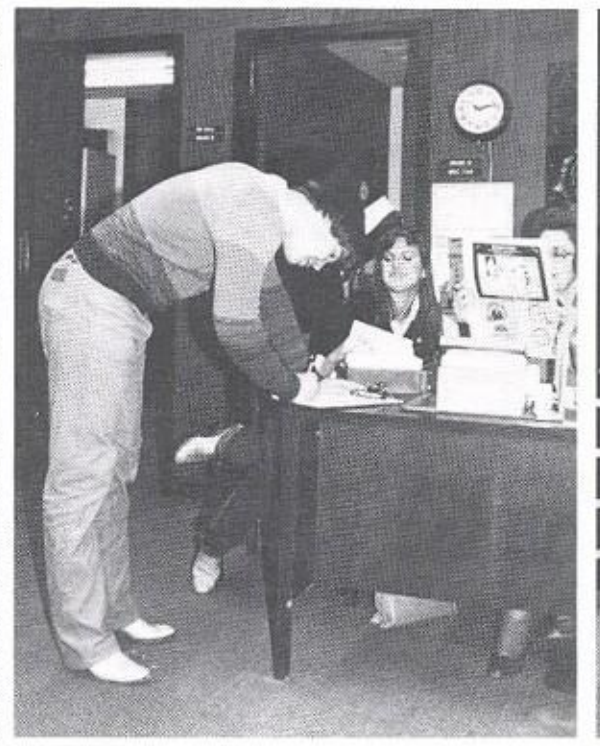
At last, with the end in sight, we pause to take one last look over our shoulder, in hopes of catching a final glimpse of a year we will remember forever. Our eyes reflect precious memories of happiness and heartbreak, victory and defeat, "spirited" weekends and everyday routines. As time continues on its eternal march, threatening to draw the curtain with its every step, we strive to smother the dull ache in our hearts as we reminisce the highlights of the year.

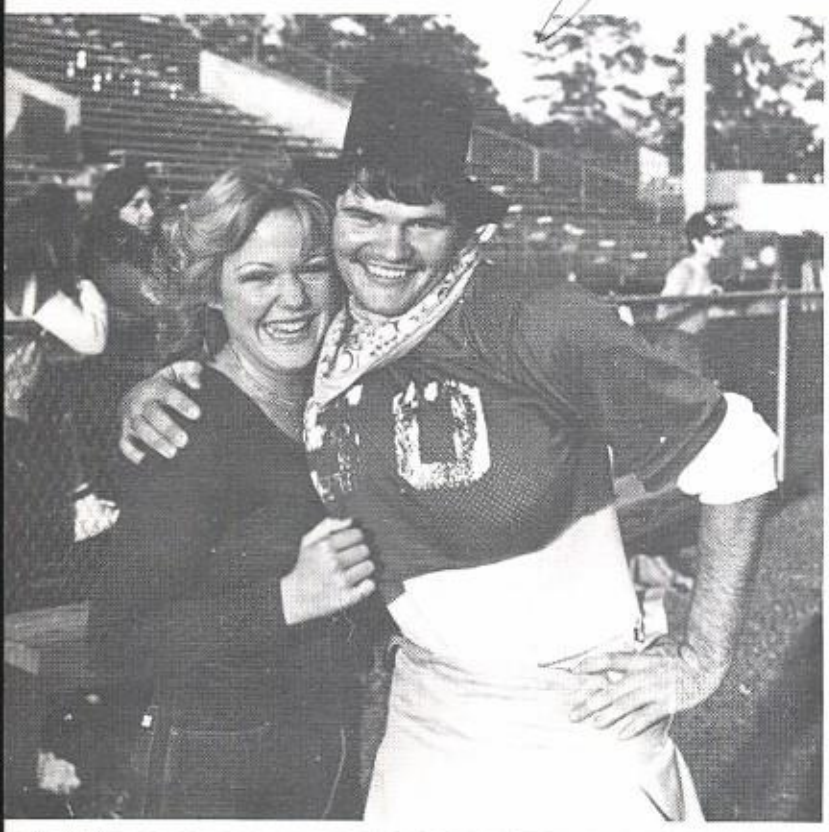
It began in September with new schedules and a collection of summer stories to whisper about at lunch. Settling down into the routine of the year, we applied ourselves to long hours of study and research in a quest for knowledge and in hopes of boosting that ever plunging grade-point average. However, in the showdown between good grades and good times — there was never a question over which would win!

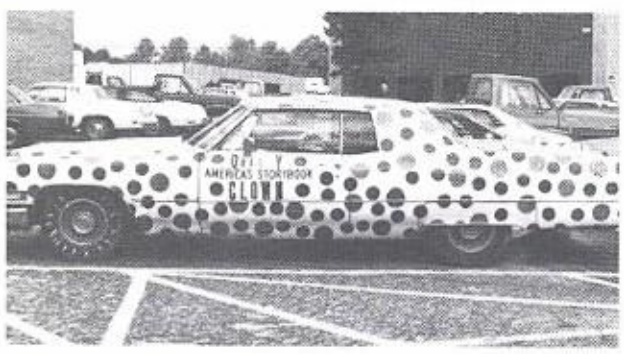
And through it all. . .

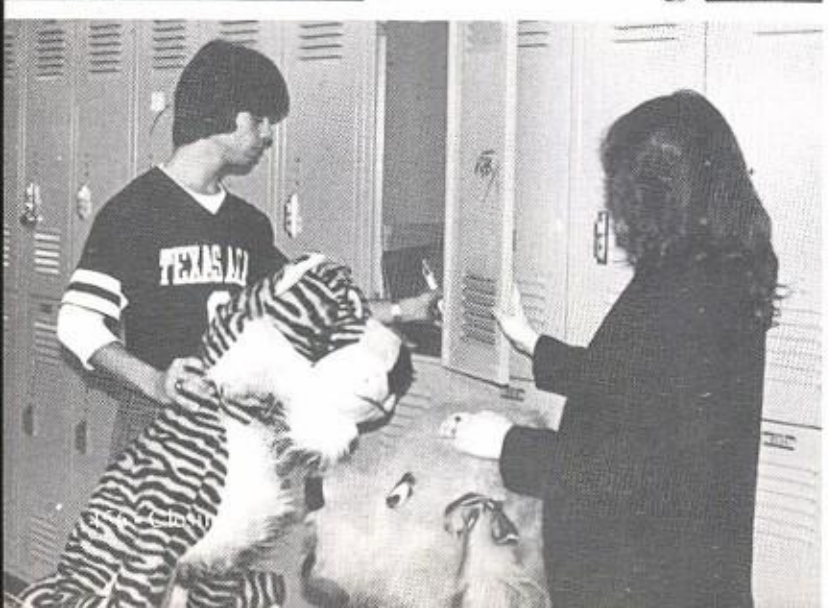
We were one in a million!

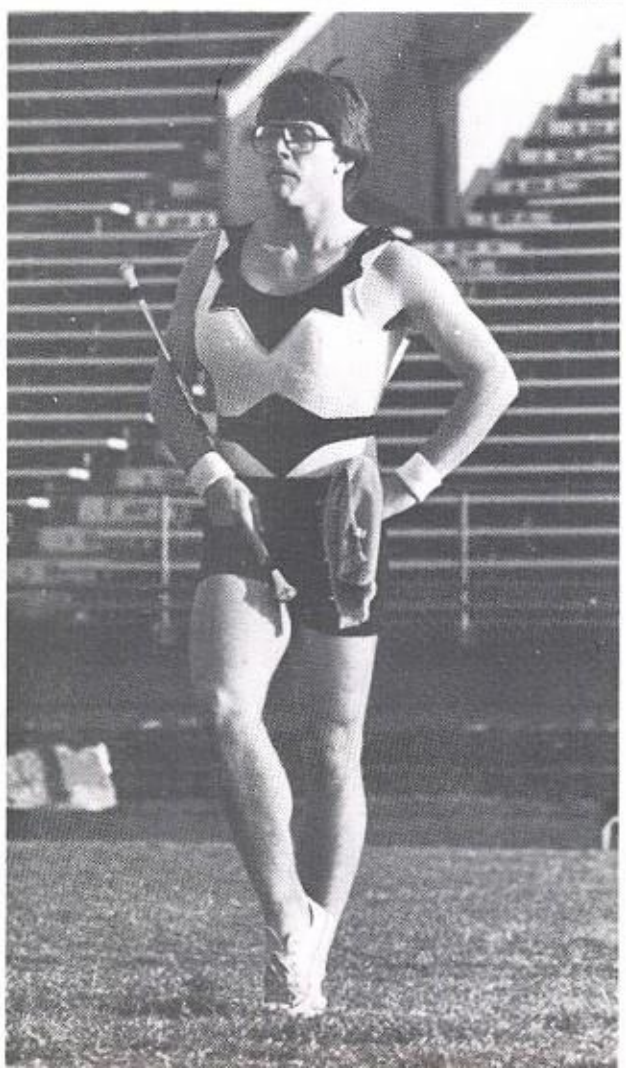












Colophon

2400 copies of the 1982 Flare containing 464 pages were printed by Taylor Publishing Company of Dallas, Texas. The cover is durocloth embossed in rhino grain. The 4-color photo of "Mona" by Cindy Dodd is blind embossed. Binding is Smythe Stock. Paper is 80 lb Saxmark enamel. Type for cover, title page, endsheets, table of contents and division pages: Tiffany Heavey; Opening and Closing sections: Bodoni Italic; Body type: 10 pt. Times Roman, Captions 8 pt., Index 6 pt. Endsheets Buckskin Tan. Original artwork by Greg Billman. Our Representative is Mark David.

As the year progressed we displayed more spirit, more drive (over $134,000.00 worth of drive!), and more originality than ever before. When 1981 shyly stepped aside for boisterous 1982, an incurable itch seemed to fall upon all of us. Warm days and the freedom of the outdoors beckoned us to "sign-out" and kick up our heels. We loved weekends and made no "clams" about it! Yet even though our funloving spirits sometimes led us astray, we always wandered back to the place we called our "home" during four of the most memorable years of our lives. Conroe High School, even when it bore battle scars and bruises, had a strength and beauty from within uncomparable to any other school in the state. And now as we blink to clear the mist from our eyes, and turn to embark on new horizons, our hearts fill with pride — for we realize there is no place to compare with Conroe High — We are One In A Million!!

Scott,

It's been a fun year, to bad you and I won't be here next year. Oh well I hope you'll have fun wherever you are and I hope I will too! Learn alot in prep school and you'll go far in life! (ha, ha!)

Sn. 83'

Love Always,
Gail Bingy.

Scott,
Good luck in the PrepSchool in New England. It's been a fun class and you made it even better. Good luck in the cold of the north. Have a ball

Taylor - Bad —
We've been known
each for quite a few
years and I hope we
keep in touch. Remember
the County Club and
chasing cars and
waffling houses and
[illegible] and
we were camping!
Be careful next [illegible]
with all the [illegible]
yankees! [illegible] said you
just avoid fist in upper!

It's been pretty
cool in psychology, and
it probably would have
been better, if Mrs. S.
would not have been so
serious about it. Well, I
hear you are moving and
so am I. I wish you the
best of luck wherever
you may be. Thanks for
all of the good times

Scott,
This ~~So~~ year
sucked. It's been
fun getting to
know you this
year and your a
real good guy. Well
don't beat off too
much and don't go prop.
if any yankee's give
you any shit,

Scott,

Its been great knowing you this year. ~~at~~ See you at all the parties this summer. Have fun and don't drink too much.

Hasta la vista.

Scott
Saunders

Scott,

English has been fun, it's not gonna be the same next year without you. Maybe at prep school you can get over the crazy guy and crap! Your a crazy guy and cute too, just don't change to much at prep school. I'm sure you'll find a way to bend the rules. Just think you and Herd won't have to wait only more passes to get out of study hall. Be good

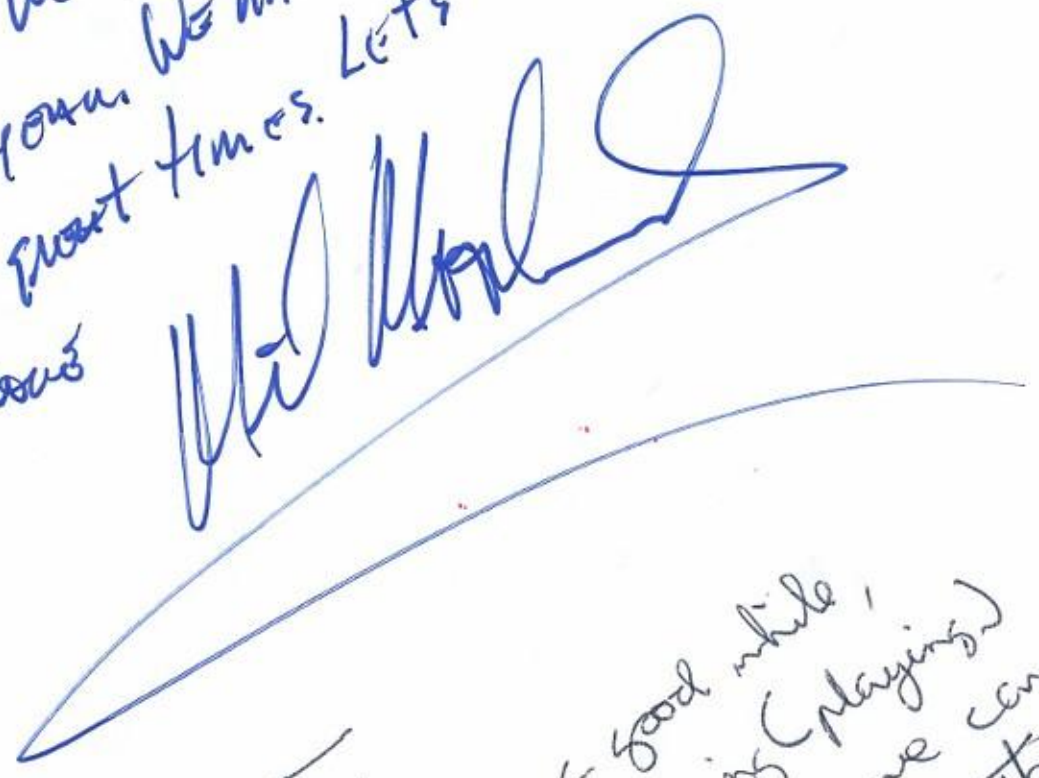
Hope you Have a Good Summer
and Party Nicely this Summer
Hopefully I'll See you at the
Good something! Take Care +
Keep in touch.

Bye, Bye Scott!
I'll miss you, you have been a pretty funny boy (Man when you return home) - I have had a Great time being chapped! I now to be Serious - your really pretty nice and will miss your sarcastic smiling face! Love ya,
Kim

P.S. Maybe (Helicopter) you and I will Flight first! Pagan Spanetime.

Scott,
Hey we have
I mean you, we have
had some great times. Lets
have some more



Scott,

We've known each other a good while,
and we had a lot of fun working (playing)
at the club (Ol' Wesley) I hope we can
stay friends even though you'll be at Ben
dick-head yankee rap school. I hope you can
make the best of it anyway, I know you got some
brains if you'd just use them. Good luck
you'll need it.

friends always,

p.s. kick some
ass at that
rap school. And
remember where you
from, Texas.

Scott,
Well Scottie Boy I
Brother you is sure
and I'll never see
you again cuz you
going to Holderness!!
Where all hoodlums,
kool drinkers, and Dumb
asses go!! Have fun with
all the other H, BD, & DA!
But don't forget us sweet
little freshmen girls down
in Conroe who are in love
with You!! I hope you don't
ask for examples. I'm
glad I got a chance to
meet a kool like you!!
Cuss thought I'd build your
ego up a little anyway!
You a pretty nice
guy to have met you
on the street!
Stay sweet &
Goodlookin!!
Love Ya

Brother Clim,
We had a hell
of a time this
YEAR, from raising hell
At parties to giving the
Study Hall teacher
fawappy PASSES. Have
fun At Prep school
And don't drink to much.
We'll raise more hell this
SUMMER. LATER
Fellow Clim,

Scott,
Well, Taylor, it
We all made it
to be seniors (except
Taylor, who'll be in W. Hampshire
as a junior). You better not
become a prep. If you back-slost
stayed awake in Trig. Tris would have
been great except for Teach. Rea- Take it
easy over the summer 'cause this way be your
last chance to be with normal people that aren't
Preps!

Scott,
Well, the year is over &
we're finished being under-
classmen. I don't know you
too well, but you seem like a
pretty nice guy. Psychology
first period has been a
real bummer! Anyway
take care this summer
I'll see ya around.
Love,

~~Brad~~ Scott,
Well hell I sure have enjoyed meeting you this year! I hope everything works out for you next year. You've got a good head on your shoulder
Good Luck!

P.S. come down and see us sometime

Scott,
I can't believe you're going to leave us!! History has been great. You are going to have fun in school next year I'm sure you'll agree to that. HAVE a great summer!!
take care
Love ya
